**RECRUITS WANTED FOR THE 55TH BATT.**—Major Leigh has received instructions to proceed to recruit for the 55th Prince Edward and N. B. Infantry Battalion. In this Battalion there is already one island platoon under Captain Campbell and Lieut. Moore, and it is desired to raise another also under Island Officers. All those intending going should communicate at once with Major Leigh or Captain Cook at the Armouries, or Lieut. Moore, Summerside.

**PASSING OF THE SAILBOAT.**—Chatham World: Sailing craft, except coasting schooners, have disappeared from P. E. Island ports even more completely than from our own. At Summerside and Charlottetown, which used to have fleets of sailing yachts, a recent visitor from Chatham looked for one in vain. And sails are rapidly disappearing from the fishing fleet also. The gasoline motor has displaced the wind as driving power on the water.

Laid to rest in Vernon River Cemetery Aug. 17th, infant son of Mr. and Mrs. William Masters, Hermitage, P. E. I.

The little crib is empty now,  
The little clothes laid by;  
A mother's hope, a father's joy,  
In death's cold arm doth lie.  
God needed one more angel child  
Amidst His shining band,  
And so He bent with loving smile,  
And clasped our darling's hand.

Jesus, while our hearts are bleeding,  
O'er the spoils that death has won,  
We would at this solemn moment,  
Came say, "Thy will be done."  
Though cast down, we're not forsaken  
Though afflicted, not alone!  
Thou did'st give and thou hast taken,  
Blessed Lord, Thy will be done.

**ANOTHER PLEASANT OUTING.**  
Another exceedingly pleasant afternoon was spent at the Experimental Station when the Marshfield Women's Institute and a number of their friends were entertained by Superintendent and Mrs. Clark. There were about 75 present and the time was pleasantly occupied in inspecting the vegetable and flower gardens and the farm generally. Mrs. Dunbrack was present and addressed the Institute along patriotic lines. Members of the Institute had previously expressed a desire to contribute to one of the patriotic fairs. Steps were taken at this meeting to bring this matter to a head. A subscription list was opened and the sum of \$22 was subscribed, exclusively by the ladies. It is expected that the

**S. S. CONVENTION.**—The fourteenth Annual Convention of the Queens District S. S. Association was held in the Methodist Church, Pleasant Valley, Aug. 15th. The meetings were presided over by Rev. L. J. Leard, President of the District. Reports from 13 schools were received which totalled a membership of 478 scholars and 62 officers and teachers. In the afternoon session Rev. W. A. Ross, General Secretary gave many very helpful suggestions on the welfare of the schools, some of them were: Holding Rallies, Keeping the Schools Evergreen, Missions, Ministers should give more time to the Sunday School. Holding the school sessions immediately after the Regular Service. The greater part of the congregations would thereby be induced to attend school also. The hour of worship to be called earlier for that reason. At the evening meeting the nominating came. Reported the following officers for the ensuing year. President, Rev. L. J. Leard, Re-elected. Vice-President—Mr. Artemas Moffatt. Secy.—Treas.—Hugh F. McKay, Department. Elementary—Mr. D. M. McDonald. Adult—Mr. H. T. Pickering. Teacher Training—Rev. John Stirling. Resolved that the Pastor of the several congregations in the District be registered to set apart one day in each week for special thought of Sunday School problems and the training and encouraging of the workers. The suggested outline of the plan proposed by Gen. Secy. Ross in the afternoon session being regarded as a practical way of doing this work. ### LAWNS AND BACKYARDS.

Two members of the Floral Association drove through the city yesterday inspecting lawns and backyards, with a view to reducing the work of Prof. Blair, who will decide himself the winners in these two important branches that have come under the influence of the Floral Society. A number of names will be handed Mr. Blair without any comments and the winners' names will be given out at the Grand Patriotic Concert and Floral Show to-night at Prince of Wales College. The Committee selected to spy out the more likely private grounds that might have a chance for prize honors, report a great improvement not only in the care of lawns, flowers and shrubs, but the very many places that are beautifully cared for scattered through the city. The work of cleaning up generally is growing each year. All members of the Floral Association will be happy to congratulate the winners of the best kept lawn and backyard and to all those who have tried and lost they would ask acceptance of the citizens' thanks for doing their little bit to brighten up the home spot and the city in general. It is better to have tried and lost than never to have tried at all.

The many friends of Joseph Story, Milville, P. E. I., will be sorry to hear of his death on Aug. 20th, 1915. He has been in poor health for the last three years, and everything that could be done to bring him to normal health was tried but all in vain. In his death the community will suffer the loss of a person who was well liked and anything that he could do to help his neighbors or the whole community he would spare no pains to do it. He was 58 years old and will be greatly missed at his home where after forty years he had brought things into a prosperous state. In his death there are left to mourn, a widow, also three daughters and one son viz. Lois and William on the homestead, while Mrs. W. Smith and Mrs. G. McEachern live in the vicinity. There are also two brothers and two sisters of which Swabe and Thomas reside in New York, Mrs. Christie in Boston, and Mrs. John Worth in Charlottetown. The bereaved family wish to thank his many friends for the manner in which they visited him during his three years of sickness.
