**BATTERED WITH BOTTLE.**

SYDNEY, October 10.—A man named Martin, while intoxicated, had his head badly battered with a bottle by Mrs. McDougall, at whose house he was at the time. One cut made required seven stitches. The woman was arrested.

**GLUTTONY**

Is more common than we may think, if we define gluttony as eating beyond the body's need of sustenance and beyond the stomach's capacity for digestion and assimilation of food. That is a fair definition, and it fastens the name glutton on many a person who would resent the term as an insult. The fact of this gluttony is marked by its consequences. The overloaded stomach becomes diseased. The popular term for the condition is "weak" stomach. The "weak" stomach fails in furnishing adequate nutrition for the body, and soon the "weakness" spreads from the stomach to other organs.  
 Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It enables the perfect assimilation of food, by which alone the health and strength of the body is maintained.  
 "Your medicine helped me so much that I cannot praise it too highly," writes Mrs. C. L. Brooks, of Poland, Androscoggin Co., Me. "The first dose I took helped me. I cannot forget how I felt when I took it; I was suffering everything with indigestion, and my stomach was so bloated that it seemed as though it must burst. My husband said he was going for the doctor, but I said if he would get me a bottle of 'Golden Medical Discovery' I would try that. I had not taken it long when I felt relieved, and have not had a touch of indigestion or stomach trouble since. I had been sick for four years, and less than four bottles cured me. Some people that knew me before I began to take the 'Golden Medical Discovery' tell me that they never saw such a change in any one, and they also say they don't see how I can do such large washings as I do now, when I had not done a washing for so long."  
 Dr. Pierce's Pellets cure biliousness.

**FREAR'S FRIVOLITIES.**—Willie Frear will appear in his world-famed and diverting entertainment at the Opera House tomorrow Tuesday and Wednesday under the patronage of his honor the Lieutenant Governor, His Worship the Mayor, Col. Moore, etc. Mr. Frear has travelled in many lands during the past 10 years and has appeared before kings, princes, rajahs, pashas, governors, generals, admirals and millionaires by the score. He is everywhere proclaimed to be the most versatile performer in his profession. His credentials (on view at the academy are unique containing silk and satin programmes and autograph letters from Lord Roberts, General Baden-Powell, Colonel Kekewich, the King of Siam, Sultan of Johora, the Gaekwar of Baroda, the Maharajah of Mysora, and numerous others. He has also appeared before H. M. King Edward and Queen Alexandra at "Luton Hoo," England, the late Duke and Duchess of Teck, the Grand Duke Michael, of Russia, etc., and was presented with the gold medal of "Fine Arts," and £250 (\$1,250) by his Imperial Majesty the Sultan of Turkey for his performance at Yildiz Palace, Constantinople, in November last. Mr. Frear made a great success at St. John on his initial appearance in Canada a few nights ago, the press of that city being most eulogistic in their praises of the entertainment. Roars of laughter are offered for two hours, when pure and wholesome fun, without vulgarity, will reign supreme.

**ON MAGNETIC HEALING.**

Much is spoken and written during these times about this mysterious method of treating disease. The most truly remarkable cases of magnetic healing, which have come under the notice of the writer, have been those in which Dr. Chase's Ointment was used. This preparation seems to have magical powers in stopping the dreadful itching, burning sensations of Salt Rheum and Eczema and when used regularly makes the cure thorough and permanent.

**OF PERSONAL INTEREST.**

Mrs. W.M. Scott and family of Richford St. have return from spending the summer in Chatham.

A. parlour on Tuesday next the 15th at 4 o'clock. All interested in the work and object of "the order" will be welcome.

**HOSE FACTS**

The special features which distinguish Paton's Hose Specialities from those usually offered to the public are:—1st, The entire absence of irritating knots and hard seams.

2nd, The softness and durability of the yarns used.

3rd, The perfect shape and elasticity, giving the greatest possible amount of comfort.

4th, The Remarkable Value for Money—each quality being a standard one in its class.

Special attention in the manufacture is paid to the finish, odd ends and lumps being carefully removed. Consequently greater comfort is obtained and in nearly all cases the feet are as smoothly finished on the inside as on the outside. To ensure this result, all the better qualities are.

All our Crepe Hoses are thoroughly well made, and great care has been given to the trimming and finish of the garment.—Jas. Paton & Co. 8 d&w tf.
