FRUIT JUICES CLEAR THE SKIN

The skin mirrors faithfully the state of the blood, and the blood shows how well—or how badly—the liver, bowels, kidneys and the millions of tiny glands in the skin are doing their work. If these organs are not properly clearing out the waste matter, the blood will be poisoned and the skin sallow, "muddy" and sprinkled with pimples.

Plenty of ripe fruit helps more than any other food to cure this condition, but even more effective, as well as less expensive, are "Fruit-a-tives." These are little tablets of concentrated fruit juices, combined in such a way as to many times increase their action on those organs that eliminate impurities. One or two "Fruit-a-tives" a day will keep the blood pure and give the skin the clear glow of health. 25c for trial size box—50c for regular size—6 for $2.50. Dealers everywhere should have both sizes. If you are unable to obtain "Fruit-a-tives" in your neighborhood, they will be sent on receipt of price. Fruit-a-tives Limited, Ottawa.

There is more Catarrh in this section of the country than all other diseases put together and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.
