

NOTED MUSICIAN OF MONTREAL

Advices The Use Of "FRUIT-A-TIVES", The Famous Fruit Medicine.

MR. ROSENBURG
589 Casgrain St., Montreal,
April 20th, 1915.

"In my opinion, no other medicine in the world is so curative for Constipation and Indigestion as 'Fruit-a-tives'. I was a sufferer from these complaints for five years, and my sedentary occupation, music, brought about a kind of Intestinal Paralysis—with nasty Headaches, belching gas, drowsiness after eating, and Pain in the Back. I tried pills and medicines of physicians, but nothing helped me. Then I was induced to try 'Fruit-a-tives', and now for six months I have been entirely well. I advise any one who suffers from that horrible trouble—Chronic Constipation with the resultant indigestion, to try 'Fruit-a-tives', and you will be agreeably surprised at the great benefit you will receive". THURSDAY

GOING WEST.—Mr. Fred Durant the genial tonsorial artist who conducted parlors at Alberton has sold out his business there and is spending a short vacation at the home of his parents Mr. and Mrs. Plus Durant, Summerside. He intends leaving for the West where he will have a wider field of labor.—H.

Among the outward passengers by the Steamer Northumberland on Monday morning were:—Mr. Thornton Matthews to Port Arthur after spending four weeks' vacation with friends at Elmsdale and Mr. Crozier, better known as Frank Albert, the World's Champion Cyclist, returning to New York after spending several weeks visiting friends at West Devon. The Champion had been invited to give an exhibition on Motor Cycling at the New Annan races on Wednesday, but he regretted that through other engagements he was unable to accept the invitation.—H.

JOINS JESUITS.—The following clipping is taken from the Boston Globe of recent date: "Harry MacLeod, only son of Dr. and Mrs. Harry F. MacLeod of 173 Norfolk st., Dorchester, will enter the Society of Jesus. He will leave for New York to-day and on Tuesday enter the Jesuit novitiate at St. Andrew-on-the-Hudson. MacLeod is a graduate of the Roger Wolcott Grammar School and Boston College High School, graduating from the latter last June with honors. At high school he took a prominent part in the oratorical and dramatic lines. For two years he took an important part in the high school play and last season he was in the 'Passion Play'. He has been an altar boy at St. Matthew's Church, Dorchester, for a number of years. Mr. MacLeod referred to is a nephew of Messrs. William and Frank Payne, Charlottetown. His grand-father was the late Mr. James MacLeod who at one time conducted a tailoring business in Charlottetown with Mr. John T. McKenzie, under the firm name of Messrs. MacLeod and McKenzie.

The death occurred at Bradalbane on Tuesday night of Rev. John McColl in his 42nd year. The late Mr. McColl was a very robust man and his death at this early age came as a great shock to his family and friends. On August 7th, he attended the Presbytery meeting in Charlottetown. The late Mr. McColl was a native of Scotland. He completed his theological course at the Presbyterian College, Montreal, and was ordained in November, 1911. In September, 1915 the congregation of Strathalbyn extended a call to him, he being then minister of East Hawkesbury and Glen Sanfield, in the Presbytery of Glenegary. This call he accepted and on Nov. 3rd of that year he was inducted into the pastoral charge of Strathalbyn. When that congregation was divided by the Presbytery on Nov. 19th, 1916, Mr. McColl remained minister of the Rose Valley and Bradalbane sections to which Granville had been added. To this congregation he ministered until his lamented death. Mr. McColl was a man of fine physique, and attractive presence. He was a very effective preacher, both in Gaelic and English. Attacked by typhoid fever complications set in, and he succumbed after a short illness. To the bereaved widow and two young daughters the Guardian tenders its most sincere sympathy. The funeral services will be held at Bradalbane today, Thursday, at 3 p.m. Rev. Dr. Fullerton will preach the funeral sermon, and it is expected that several of the members of the Presbytery will be present to pay the last tribute of respect to their departed brother.

An unfortunate accident occurred during the New Annan races yesterday. A horse tied in a field adjoining the track broke loose and when a number of men undertook to catch him he began to kick. One of the men, Mr. James Campbell, of New Glasgow, N. S., was struck on the abdomen by the horse and very seriously injured. Medical aid was at once procured and the injured man was taken by auto to the Prince County Hospital. Mr. Campbell was visiting friends and relatives in Indian River. At a late hour last night the doctors regarded his condition as critical.

ANOTHER ISLANDER KILLED IN ACTION.—Mr. and Mrs. Malcolm Matheson, Bradalbane, have received official announcement that their youngest son Pte. Angus Matheson was killed in action on August 5th. Pte. Matheson, who was 23 years of age at the time of his death, enlisted in the 105th Battalion and after going to England was drafted into the 14th Battalion and was one of the first of the battalion to cross to France. He had written home regularly some of his letters being received after the date of his death. He was a splendid type of man physically and mentally and the sincere sympathy of all goes out to the bereaved parents, brothers and sisters. There are left to mourn five brothers and three sisters, namely, John and Campbell in Massachusetts, Alexander in Victoria, B. C., Murdoch and John R., in military service in France; Mrs. J. W. Bosselman, Dedham, Mass.; Mrs. H. A. Stewart, Esol, N. H. and Miss Euphemia at home. "Greater love hath no man than this, that a man lay down his life for his friends."

Another well known figure in the political life of King's County has passed away in the person of Mr. John Gow Scrimgeour of Cardigan, whose death occurred at his home there on Tuesday night. Deceased who had been ill for several months was 75 years of age at the time of his death. He was a native of Glasgow, Scotland, and came to Prince Edward Island with his mother in 1884, his father, the late John Scrimgeour, having emigrated the previous year.

Mr. Scrimgeour, Sr. after settling on the island engaged in carpentering and farming eventually locating on the Burnside Farm of 500 acres near Cardigan Bridge in 1844.

The son John Gow, also followed farming as a calling inheriting the Burnside property. When a young man he took an active interest in politics, and was first elected to the Legislative Assembly in 1876 as a member for the Cardigan district, remaining in the Legislature till 1878 when he retired. In 1886 he reentered political life as a member of the Legislative Council defeating the late George P. Owen. He sat in the Council until 1893 when that body became amalgamated with the Assembly.

Mr. Scrimgeour was a very effective platform speaker. He was a man of splendid physique, had a voice of great range and power and was a vigorous, forceful and able debater.

He was a Liberal on entering politics and remained with the party for many years, but about nine years ago had a disagreement which led him to range himself on the side of the Conservatives.

Mr. Scrimgeour possessed more than ordinary intelligence, and kept himself well versed on the public questions of the day. He was companionable and popular and enjoyed a very wide acquaintanceship.

He leaves to mourn a son John W. Scrimgeour, Cardigan and one sister Mrs. William Gordon, Brudenell River. His wife, formerly Charlotte Senecaugh of Murray Harbor passed away this spring.

Mr. Scrimgeour came of a family that was quite prominent in Scotland, being a cousin of Lord Dewar of Edinburgh and a relative of Sir John Dewar, one of the distinguished mem-

bers of the British Parliament.

He was a member of the Masonic Order and was a Presbyterian.

The funeral takes place this afternoon at 2 o'clock from his late home, the services being held at the Presbyterian Church, Cardigan. To those bereaved the Guardian extends its sympathy.

The horse races at New Annan yesterday proved a big draw card, upwards of five thousand persons being in attendance. The weather was ideal and every race was well contested.

The track was in very good condition and every body was well pleased with the day's sport.

The events were not completed until about 6.30.

A feature of the gathering was the large number of motor vehicles assembled in the village, there being something over seventy in all.

An interesting feature of the day's programme was the four mile motor cycle race. Only two contestants turned up for this event.—Messrs. Ernest Parkman and Roy Dann, both from Charlottetown.

The event proved an easy victory for Mr. Dann as Mr. Parkman's cycle was in poor running order. There were five starters in the free-for-all trot and pace, Orwell Belle, Druholme, Devilish Dorothy, Sister Patch and Helen R. It was won easily by Sister Patch in straight heats. Devilish Dorothy taking second, Helen R. third and Dunholme, third.

The 2.25 Trot and Pace also had five starters. Queen Catherine took first, Keltie second, Dusty Miller third, while Dixie Girl and Casey Cresceus came equal for fourth money.

The 2.38 Trot and Pace brought seven starters to the line. This event was won by Moth Miller, with Claude second, Admiral third and Commodore Grant fourth.

FRIDAY

THE STEAMERS.—The S. S. Aran more made another round trip yesterday, docking in Charlottetown last evening at 10.15. She brought 60 passengers and 95 tons of freight. The steamer will continue to make daily round trips until the C.G.S. Princess gets on the Summerside-Point de Chene route. It was expected that the latter steamer would arrive in Summerside yesterday in time to take up the work, but up to a late hour last night, no word of her arrival had been received.

WRIGLEYS

To Somebody— Somewhere at the Front—

Every day boxes from home are going to the boys in the trenches. And of the things they get, a great prize is Wrigley's, the Gum with Lasting Flavour.

It takes the place of food and drink in case of need—which is often. It keeps spirits up—gives vigour and vim. A packet in the pocket lasts a long time.

The Flavour Lasts. Chew it after every meal. Made in Canada.

SUMMER CAMP A SUCCESS.—One of the most successful sessions of the Freetown Summer School for the study of Missions and Christian Leadership was brought to a close Wednesday evening, the 22nd inst. Birch Grove was never more entrancing in its beauty or the weather more auspicious for a summer camp than that of the past week. And the pleasant hours spent in the out-of-doors classes and in healthful recreation passed all too quickly. Prof. Watson of Mt. Allison University conducted the Bible Study Class each morning from 8.30 to 9.30, while Rev. H. H. Irish and Miss Blackhall of China, Rev. W. H. Barraclough of Central Methodist Church, Moncton and Rev. G. M. Young of Fredericton conducted classes in Missions and Methods. Each evening an open air service was conducted on the lawn of Mr. Davis Schurman at 8 o'clock. Illustrations were delivered in the Church which attracted crowds that more than filled the church and which were both instructive and inspiring. The success of the Freetown school during the past four years has demonstrated the wonderful possibilities of such a school, both from an educational and inspirational point of view, and the hope has been generally expressed that in the near future the school may be established on a permanent basis. Rev. Geo. Morris and J. M. Rice were re-elected President and Secy. Treasurer respectively of the Summer School Continuance Committee.

OUTWARD CARGO.—The outward cargo by the S. S. Aranmore yesterday morning included a carload of lobsters, a car of molasses, a car of eggs and two cars of way freight. The steamer had a large number of passengers outward.

WORK ON LOWER QUEEN ST.—Lower Queen Street, long famed for its hills and hollows and loose stones on the surface presents a very changed appearance just now after being graded and gone over from end to end with the street roller in preparation for receiving its new covering of tarvia. Concrete curbs are being placed along the sides and are nicely rounded at the interesting street corners. The work of installing the new surface drains is going forward at a very satisfactory rate. Excavating on the East side of the street is finished and this work is now being done on the West side.

SUCCESSFUL LAWN FESTIVAL.—A delightful affair to the many who attended it was the lawn festival at the home of Mr. D. O'M. Reddin last evening. The lawn presented a very entrancing appearance beneath the bewitching lustre of the many intermingled Japanese lanterns and electric lights. Delicious cake and ice-cream was served and greatly appreciated as was also the piano music and the vocal selection by Miss Mamie Smith. The proceeds of this affair will net a very neat and welcome addition to the funds of the St. Vincent Orphanage.
