Pickard-MacLean Nuptials

Trinity United Church, Charlottetown, was the scene of a pretty wedding on August 7th at 7 o'clock when Rev. H. C. Rice, assisted by Rev. A. S. Weir of Vernon, united in marriage Catharine Jean, eldest daughter of Mr. and Mrs. Thos. R. MacLean, Alberry Plains, and George Keith, only son of Capt. and Mrs. Cyrus G. Pickard, Charlottetown.

The Church was tastefully decorated for the occasion with cut flowers, the guest pews were marked with satin ribbon and sweet peas.

The bride, given in marriage by her father, wore a lovely gown of ivory satin fashioned with sweetheart neckline, fitted bodice, long pointed sleeves, and a full skirt en train. Her fingertip veil was of white net and was held by a coronet of flowers. Her only ornaments were a string of pearls and matching earrings, the gift of the groom. She carried a shower bouquet of Bettertime roses and maiden hair fern.

Miss Anne MacLean, sister of the bride, was bridesmaid and wore a charming floor length gown of blue taffeta with a shoulder length veil. She carried an arm bouquet of pink roses and fern.

Little Miss Marjorie Pickard, sister of the groom, was flower girl and wore a dress of pink taffeta with blue trimmings. Her headdress was a halo effect of pink taffeta and she carried a nosegay of sweetpeas.

Mr. George Crosby acted as best man. The ushers were Mr. Elwin Burke and Mr. Arthur MacLean.

Professor A. Roy Kendall was organist and the guest soloist was Mr. Sterling Inman who sang "Just For You Dear" during the signing of the register.

The bride's mother wore a mauve crepe dress, flower hat, with black accessories and a corsage of mixed sweetpeas.

The groom's mother chose a Queen's blue crepe dress with black accessories and a corsage of pink sweetpeas.

Following the ceremony a reception was held at the Charlottetown Hotel where seventy guests were received by the wedding party. The bridal table was centred with a three tier wedding cake, silver vases of sweet peas and pink tapers. A toast to the bride was proposed by Rev. A. S. Weir and responded to by the groom.

After the reception the guests were invited to the home of the groom where an enjoyable social evening was spent with piano selections and a sing song.

Later, amid showers of confetti, Mr. and Mrs. Pickard left on a short honeymoon trip, the bride wearing a light blue suit, grey topper, with black accessories.

Prior to her marriage the bride was a member of the staff of the Provincial Agricultural Laboratory in Charlottetown.

Pre-nuptial showers were given in honor of the bride by Miss Rose Robinson at her home in Dalvay, and Misses Ada Duncan and Edna Jenkins at the home of Mrs. Cyrus Pickard in Charlottetown. She was also tendered a miscellaneous shower by friends in her home community and surrounding districts. The lovely gifts received testify the popularity of this happy young couple.

Mr. and Mrs. Pickard are now residing in Summerside where the groom is an employee of the M. F. Schurman Co. Ltd.

PRODUCE

Monthly Meeting Of Baptist W. M. S.

The monthly meeting of the Women's Missionary Society of the Baptist Church met on Thursday afternoon at the home of Mrs. J. D. Jenkins, Euston Street. The President, Mrs. T. G. Ives presided.

The devotions were conducted by Mrs. A. K. McPhee, who took as her theme, "Thanksgiving." She was assisted by Mrs. S. H. Burhoe.

Members from the Hazelbrook and Alexandra societies were special guests and were welcomed by the President. Several new members were also welcomed.

It was announced that our study book for the year would be "India at the Threshhold." Members were urged to attend the district meetings which will be held at Kingston on October 22 and 23.

Dr. Zell Clark, who for many years was a medical missionary in India, was the special speaker and gave a very interesting report from a number of our missionaries in India. Dr. Clark has recently been appointed the Provincial Secretary of the United Baptist Woman's Missionary Union for Prince Edward Island.

Delicious refreshments were served by the hostess and a social hour enjoyed.

No End To Meat Rationing In Sight

OTTAWA, Oct. 10—(CP)—Prices Board officials said last night there is no immediate prospect of an end to meat rationing in Canada.

(In Toronto, yesterday the Evening Telegram published a report saying that Finance Minister Ilsley would announce "later today" the end of meat rationing in Canada in 1947).

The Finance Minister, who could not be reached for comment, left Ottawa late last night for Toronto, where he expected to take a plane for Winnipeg. He was scheduled to address a political gathering tomorrow night at Portage La Prairie, Man. He issued no statement before his departure and sources close to Mr. Ilsley said it was unlikely such a statement would come from him.

Donald Gordon, Prices Board chairman, also was not available for comment. However, official Prices Board sources said definitely there was "absolutely nothing to it," when questioned about the report that the end of meat rationing was in sight.

Issues Appeal On Behalf Of Second War Memorial

ST. STEPHEN, N. B., Oct. 10—(CP)—An appeal on behalf of the I.O.D.E. Second War Memorial by Mrs. B. B. Barnes, Fredericton, provincial chapter educational secretary, highlighted the semi-annual meeting of the New Brunswick organization today.

"One of the most worthy aims of the order" was the way Mrs. Barnes described the national project, whose objective is to create a fund "in memory of those who gave their all for their King and country, and opening the doors of opportunity for education of their children."

Another feature of the meeting was the presentation to Miss Alice Fairweather, Saint John, of a provincial life membership pin. The presentation was made by Mrs. A. T. MacMurray, Fredericton, provincial president, who cited the work of Miss Fairweather as navy league convener and her general contribution to the order.

ANGLO-U.S.

(Continued from Page 1)

equality with the vessels of the United States and Canada."

In respect to equal trade privileges, Mr. Bevin asserted that it "will be very difficult for us to accept the final treaty unless Great Britain is given precisely the same treatment as others are given."

Foreign Minister Molotov of Russia replied that if equal trade privileges were permitted in the Balkans the "power of the American dollar" would overwhelm weak, local industries and "take everything."

"We must take care that no post-war difficulties be exploited by 'dollar democracies.' It is not because a country has many dollars that it can impose its rule on others."

Mr. Molotov said the principle of internationalization could be applied as well to the Panama and Suez Canals, taking a stand similar to that of Edvard Kardelj of Yugoslavia, who told the conference earlier that "power politics" and a fight for "spheres of influence" were evident in the stands of the western powers.

Final approval of the Romanian treaty will leave only three of 10 most disputed treaty problems still before the delegates. All are involved in the Bulgarian, Hungarian and Finnish treaties.

Mr. Bevin assailed a Soviet proposal to restrict use of the Danube exclusively to countries along its banks as "not only a retrograde step but a deliberate discriminatory action against their allies who fought with them in the war."

Mr. Molotov, stepping down from the chair of the plenary session to the rostrum, referred to Sen. Vandenberg's statement that international nationalization of the river was established in 1856.

"I can tell Senator Vandenberg that at the time of the Paris conference in 1856 slavery still existed in the United States... Mr. Bevin said that Britain was not imperialistic any more. We can say in all honesty that what happened 90 years ago was imperialistic, typical of this era...

"If we renounce the imperialism of the 19th century why should we retain parts of it now?"

Mr. Kardelj followed Sen. Vandenberg with the statement that the eight-to-five vote by which the freedom of navigation issue had been approved in commission represented only an "extension of western imperialism." The clause, he added, did not win the favor of a single country directly concerned.

Suggests Veterans' Group Settlement Under Land Act

MR. JOHN MUSTARD

A suggestion that farm holdings under the Veterans' Land Act be grouped into small co-operative schemes was contained in an address given at last night's meeting of the Y's Men's Club.

Mr. John Mustard of East Royalty, who served during the war in the R.C.A.F., was the speaker. Serving in the Alaskan theatre of war, he had many opportunities to note the prosperity and general well-being of small communities engaged co-operatively in fishing and farming.

Believing that returned men who had lived and fought together the last few years would be glad to continue the comradeship in peace, he cited a number of advantages of settling in groups of seven or eight on adjoining farms at various points throughout the province.

Equipment and machinery, as well as labor, could be shared, reducing farm costs, electric power could be produced or purchased more cheaply, etc., and many of the economic and social features that make country life unattractive would be eliminated.

A vote of thanks was tendered the speaker by Warren Duchemin.

Will MacLeod was chairman of the meeting, and Mr. Phillip Barlow of Charlottetown was a guest.

Crown Fills In Gaps In Trial

HAMILTON, Oct. 10—(CP) The Crown filled in gaps in its murder case against attractive Mrs. Evelyn MacLean Dick today.

This was the fourth day of the trial of Mrs. Dick for murder last March of her husband John, who drove a tram for the Hamilton Street Railway. Today's evidence was of a technical character, dealing with identification of the torso, found last March 16 on Hamilton Mountain, and various other Crown exhibits.

At the opening of proceedings, Mr. Justice H. F. Barlow of the Ontario Supreme Court, gave a verbal directive to newspapermen that any evidence in the trial which had reference to her father, Donald MacLean, or her one-time friend, William Bohozuk, should not be published. He held it would be prejudicial to the trial of the two men at a later date, also on charges of having murdered John Dick.

During the day, John Wall, brother-in-law of Dick recounted as a Crown witness how he had identified the headless, limbless torso in the morgue March 19.

Other evidence came from a succession of police officers.

The trial appeared nearing its conclusion and it was learned only six more Crown witnesses remained to be called. There seemed a possibility of a verdict Saturday.

Kai-Shek Again Heads Chinese

By SPENCER MOOSA

SHANGHAI, Oct. 10 — (AP) — Bands played and gay crowds thronged Shanghai and Nanking streets today while Chinese fought Chinese to the death at the battle-fronts on this 35th anniversary of the Sun Yat-Sen revolution.

Celebration of the birth of China's republic came on the darkest hour since VJ-day.

Generalissimo Chiang Kai-Shek, re-elected today by a standing committee of his government party (Kuomintang) to a somewhat indefinite term as president, restored military conscription. He was quoted as saying he did so for military reconstruction and national defence.

As the Communists claimed victories along the Peiping-Hankow railroad south of Peiping, military observers pointed out that the government apparently was sacrificing for the time being a portion of that line in favor of a quick capture of Communist-held Kalgan northwest of Peiping.

The government goal is the winning of Kalgan by Oct. 15. The Communists warn that this would mean a complete split with President Chiang's nationalists.

Such a split probably would involve immediate withdrawal of Communist delegations from Nanking, Shanghai and Peiping to Communist areas.

Communists and nationalists have been unable to agree on a new constitution.

SAD NEWS RECEIVED. — Word was received by Mrs. Emily Biggar of Stanley Bridge from her sister Mrs. White of Boston, Mass., of the death on August 21st, of their nephew, Ruell M. Burns of 1568 Commonwealth Ave., Brighton, who died suddenly at the Boston City Hospital, following a heart attack. The late Mr. Burns, who was 49 years of age, had worked for the Colgate-Palmolive-Peet Company for 19 years and was well known in the hotel trade. He was a 32d Degree Mason, a member of the Algonquin Lodge, A. F. & A. M., Aleppo Temple of the Shrine and was a member of the Brighton-Allston Post of the American Legion. He served with the 639th Air Squadron in World War I. Besides a wife, Faith Goodwill Burns, he leaves his parents Mr. and Mrs. Joseph W. Burns of Billerica, (formerly of Freetown, P. E. I.) also a sister Jean Burns. Funeral services were held on August 24th at Short and Williamson's Chapel, 173 Brighton Ave., Allston. Burial was in the Fox Hill Cemetery, Billerica.

Miss Grace Diamond of the Department of Agriculture, has returned to the city after spending a pleasant holiday visiting relatives and friends in Providence, R. I.

Legion Suggests Ordnance Grounds Huts For Veterans

A meeting of the executive of the Legion Provincial Command was held last evening with the President, James Walker presiding, who after the minutes of previous meeting were approved handed the meeting over to the Provincial chairman, Comrade David Stewart.

A resolution which had been previously forwarded to Ottawa by the Provincial officers protesting against the necessity of veterans purchasing two or three acres of land before receiving assistance from the Wartime Housing Act, was approved.

It was decided to urge upon Ottawa the advisability of making available for veterans as homes the huts in the Ordnance Grounds at Brighton Shore

A letter was read from General Price, Dominion President, complimenting the work of the Legion on the Island, stating that he enjoyed his visit here while attending the Provincial convention, and conveying his best wishes for success in the future.

Arrangements were made for observing Poppy Week, November 4 to 9 and for Remembrance Day, 11th November.

It was announced that Colonel Bovey would visit the Island on October 29 to consult with the Legion's educational committee, consisting of Col. W.W. Reid, Col. L.T. Lowther and Maj. J.A. Mac. Donald'

Reports of Branch activities were made from Tignish, Alberton, South Rustico, Murray River, Georgetown, Charlottetown, Victoria and Cardigan.

The necessity of repairs to the Queen's Wharf at Alberton was discussed, as were also Minimum Wage Law, Workmen's Compensation and Mothers' Allowance Acts for the Province.

Plans For $5,000,000 Red Cross Appeal

TORONTO, Oct. 10—(CP)—Plans for a $5,000,000 national Red Cross appeal in March, 1947, for its peacetime work throughout Canada were announced today by Arthur L. Bishop, chairman of society's national executive committee.

The $5,000,000 budget is planned to finance services including a national blood transfusion service, construction of more outpost hospitals, aid to veterans, junior Red Cross, nutrition, first aid, swimming instruction, and disaster relief.

General Holiday Declared

HONG KONG, Oct. 10—(Reuters)—A general holiday was declared today in Hong Kong. Chinese and British flags flew from buildings in celebration of China's national day, better known as the "Double 10th". Thirty-five years ago today the Chinese Republic came into being when Revolutionists led by the late Dr. Sun Yat-Sen successfully overthrew the Manchus.

KNIGHTS OF

(Continued from Page 1)

Catholic leaders. It had been and still was the technique employed by Stalin and other leaders in their propaganda efforts directed against Christianity.

Educational Work of Knights

Mr. Locke quoted figures showing the millions of dollars the Knights of Columbus had given to Catholic institutions of learning and to other organizations whose purpose was to impress upon Catholic youth the truths of the Catholic Church. He referred to Christopher Columbus as an inspired leader of men who had always placed "first things first." Columbus, the discoverer of America, was a man devoted to prayer and to a sincere, earnest faith in God and His Church, Mr. Locke said.

In closing, Mr. Locke exhorted his hearers to join the crusade to make every Catholic a member of the Knights of Columbus. By so doing, they would be contributing toward making the Order the most effective organization in the world for the dissemination of Christian truth and the practice of the Christian religion. In doing such a work they would not only be benefiting their brother man but adding to their own spiritual stature, Mr. Locke concluded.

Father McMahon in responding to the toast to the Church said the members of the Catholic Church were part of the mystical body of Christ. It was their duty to maintain their religious faith and to accept the authority of the Church if they were to avoid the pitfalls which a non-religious life inevitably places in the path of those who have no guide for their spiritual journey.

Lieut. J. F. McDonald spoke in response to the toast "Our Country." Lieut. McDonald said he had never been so proud of Canada as when he went overseas. The hungry people of Europe looked with longing eyes toward Canada, he said, and many of them, too old to come themselves, wanted to see their children settle in this country.

Mr. Melvin McQuaid, of the Souris Council, Knights of Columbus, spoke to the toast "Our Order."

A lawyer by profession, Mr. Locke has given years to public life. He has been clerk of the common council of Biddeford, city clerk, mayor, chairman of the board of education and corporation counsel. He served several terms in the Maine legislature and was minority floor leader. He also was Democratic candidate for Congress in 1931. He is a member of the York County, Maine, and the American bar associations.

Associated for a long period with the Knights of Columbus, he has held several high offices. He has been state deputy for Maine and since 1931 has held his present post as vice-supreme master, Fourth Degree Assembly. Also he is a member of the Ancient Order of Hibernians, past president of the Holy Name Society and a Kiwanian.

Friends of Mrs. E. A. MacRae, Charlottetown, are pleased to know that she is improving after her recent accident.

Mr. and Mrs. Sheldon C. Ross have returned home from Wollaston, Mass., where they spent the past two months at the home of Mr. and Mrs. Richard Ross. While there Mrs. Sheldon Ross was a patient in the Lahey Clinic in Boston, Mass.

Potato Bag Disinfection

The Department of Agriculture has been informed that large quantities of used potato sacks are being offered for sale in various parts of Canada. These sacks have no doubt been accumulated from various sections of Canada and United States and may be dangerous carriers of Ring Rot infection. The purchase and distribution of these sacks without being satisfactorily disinfected and approved by the Inspection Service of the Department of Agriculture constitutes a definite menace to the potato industry of Prince Edward Island.

The attention of growers, dealers and others engaged in the potato industry is directed to the following provisions of "An Act Respecting Bacterial Ring Rot and other Plant Diseases and Pests" passed at the last session of the Provincial Legislature.

Section 5 (a) No grower or dealer shall use crates, bags or other containers for the handling of potatoes unless said bags have been properly disinfected to the satisfaction of the Inspector.

Section (12). No potato bags previously used outside the Province of Prince Edward Island shall be used in this Province for potatoes unless said bags have been properly disinfected.

Dealers and others are hereby notified that the distribution of used sacks in this province will be prohibited unless approval has been secured from the Department of Agriculture and further the provisions of the Act will be rigidly enforced in connection with this matter.

PRINCE EDWARD ISLAND DEPARTMENT OF AGRICULTURE

THE ISLAND MOTOR TRANSPORT LTD.

PLAN REOPENING

(Continued from Page 1)

Future Plans

Just what the immediate intentions of the Company are will not be known until a meeting of the directors is held. In the meantime inventories will have to be taken for purposes of insurance adjustment to determine the approximate actual financial loss.

Among the property destroyed was a considerable quantity of war material which had been manufactured by Bruce Stewart and Company for the Dominion Government.

The Company had no war contracts on hand but at least tentative plans had been under discussion for a considerable amount of remunerative work on projects to be worked on this fall.

About 100 men were employed at the plant. Many of those will be idle for some time and the Unemployment Insurance Office is preparing to register for unemployment insurance benefits those who will not be able, at least for the present, to remain on the Company's payroll.

Marine Slip Plans Deferred

Any plans which the Company had been considering for the procurement of a marine slip will have to be deferred, officials said, until the Company decides upon its future policy. A great handicap confronting the Company, should it decide to re-build at once, is the scarcity of all building material and the necessary mechanical equipment to put the plant in its old former efficiency.

The fire was discovered by Mr. George VanBuskirk, night watchman at the Marine Wharf, as he was making his regular morning round of the wharf and warehouse.

Only the mildness of the breeze, which was blowing from the northwest, prevented greater destruction. Had the breeze been stiffer and from the east, the whole waterfront might have been destroyed.

The Bruce Stewart Company was organized by the late Bruce Stewart in 1893 and incorporated in 1906. The present manager, Lt. Col. C.L. MacKay has been with the company since its incorporation.

Fertilizer Plant Destroyed

Twenty-two men at the Island Fertilizer plant are also out of work for the time being at least. This Company had its fertilizer mixing plant destroyed and it is understood much of the fertilizer on hand was materially damaged by the water. Three railway cars, two American, and one C.P.R., which contained or had contained fertilizer were destroyed by the blaze.

The coal business of Mr. W.D. Gillis suffered considerable loss. Two coal sheds, 1 kindling-storage shed, and a small building used by the men were burned. Also three wood sleighs belonging to three of the coal haulers and a lot of kindling were destroyed. In addition about 30 tons of coal was so badly burned as to be unfit for sale.

Here's how I helped clear up BLACKHEADS and PIMPLES

It's so easy. Cleanse with mildly medicated, emollient Cuticura Soap, then apply mildly antiseptic Cuticura Ointment. This world-known combination is usually surprisingly helpful. Buy both today at your druggist's.
CUTICURA SOAP & OINTMENT
