(BRONCHITIS) No HOPE BUT

Mr. Jos. Harris of Elder's Mills, Ont. writes.—"Some time ago I was stricken down by a very severe attack of bronchitis. I could hardly breathe, in fact was in such a serious condition that the doctor said there was practically no hope of recovery. PEPs were advised to try them and could feel an improvement almost at once. I continued using PEPs and in a short time my bronchitis was a thing of the past. PEPs are something entirely different. Unlike ordinary cough mixtures, syrups, etc., they do not attempt to cure an ailment of the throat, chest, or lungs, by going to the stomach! PEPs go to the lungs and breathing passages direct. Each little PEP contains the warming, healing, stimulating vapors of the pine forest, together with other medicinal extracts. As soon as a PEP is placed in the mouth, these health-giving fumes are released and are breathed down the throat and bronchial tubes direct to the seat of the trouble. For coughs, colds, bronchitis, hoarseness, sore throat, asthma, and all ailments of throat, chest, and lungs, PEPs are the latest and best cure. All druggists and stores, 50 cents box, or post-paid for price, from PEPs Co., Toronto, Winnipeg, or Montreal.

FREE TRIAL Pepps CURED HIM. Send this advertisement and name of paper to PEPs Co., Toronto, Winnipeg, or Montreal, with 1c stamp and we will send free trial package.
