CITY & COUNTRY NEWS

THE GUARDIAN regrets to learn that Dr. McLeod's condition causes much anxiety on the part of his friends.

ADVERTISERS are again asked to remember that all "changes" must be in no later than 1 p. m., and business locals 4 p. m. to insure insertion following morning.

THE Methodist Sabbath School of Hunter River intend holding their annual Xmas Tree and entertainment on Dec. 24th. A good programme will be provided. The public are cordially invited. 20th d & w

DON'T be afraid to tell the reporter who is visiting you or when you are leaving town for a visit. These items help to make the local paper of interest to all. Persons often think the paper shows partiality, but just try and see if it does not treat you right if you give it a chance

ROSENEATH Lodge, No 74, I.O.G.T. intends celebrating the fifth anniversary of its organization by holding a public temperance meeting in the Roseneath Hall on the evening of Friday, Dec. 21st at 7 o'clock. The meeting will be addressed by G. C. T. S. M. Martin and F. B. McRae of Pownal. All are invited to attend. d & w 20

A Prince of Wales student writes THE GUARDIAN as follows:—"Mr. L. B. Miller has secured the rink on Saturday forenoons for the C. B. College Students. The St. Dunstan's College Students also have a rink. I do not see why something of this kind could not be secured for the P. W. College students. Perhaps the government might take this matter in hand and secure it for us. The cost would not be much."

A patron of this journal a few days ago lost on the street the sum of twenty-two dollars in bank notes. Like a sensible man he advertised his loss in THE GUARDIAN and Tuesday evening two gentlemen, each of whom had picked up a portion of the money brought it to this office. It was fortunate for the loser that his money fell into honest hands. Mr. Henry Chandler, in the employ of Cairns & McFadyen, Kent Street, was one of them, having picked up \$12. Mr. William O. Fife, who is employed with Messrs. Mark Wright & Co. was the other, he having found \$10.

EVERYBODY should have a rink ticket this year, it promises to be the best ice for years. The music is expected to be of a superior nature. Prof. Vinicombe is working hard and has an orchestra of eleven pieces. The musicians are among the very best in town. We will publish their names also the musical program for the grand opening Xmas night, in tomorrow's paper. Watch for it. The managers inform us that the rink will open Xmas afternoon and evening. Tickets at Hughes, Johnson's, Reddin's, and of the managers.

EASTERN NOTES.—The elections are over the excitement is subsiding and things are resuming their usual conditions.—The winter has set in earlier than usual, and rather severe, though from our geological position we have less snow than farther west but still enough for comfort.—The North Lake Factory is turning out a good quantity of butter, and fulfilling the expectations of its enterprising promoters. The Red Point factory is closed after a successful season manufacturing cheese, the profits being satisfactory to the stockholders and the proceeds satisfactory to its patrons. Though the territory is comparatively small its milk routes are straight and expenses light. Its milk haulers, John J. Campbell on the western route, Daniel McEachern on the northern route, and William Young on the eastern. The quantities of milk exceeded the expectations of the most sanguine. Wm. Young with his usual energy is now devoting his attention to cattle buying and butchering. About a year ago his magnificent fine stock, crop and implements went up in smoke with no insurance, today he is occupying his new barn, with at least a part of his stock and implements replaced. William is a man that never says die.—Rev. Mr. Gardner preaches acceptably to large and appreciative audiences every Sunday.

POINTS OF EXCELLENCE.

A Few Reasons Which are Rapidly Making a New Catarrh Cure Famous.

Stuart's Catarrh Tablets, the new Catarrh cure has the following advantages over other catarrh remedies.

First: These Tablets contain no cocaine, morphine or any other injurious drug and are as safe and beneficial for children as for adults; this is an important point when it is recalled that many catarrh remedies do contain these very objectional ingredients.

Next: Being in tablet form this remedy does not deteriorate with age, or an exposure to the air as liquid preparations invariably do.

Next: The tablet form not only preserves the medical properties but it is so far more convenient to carry and to use at any time that it is only a question of time when the tablet will entirely supersede liquid medicines as it has already done in the medical department of the United States army.

Next: No secret is made of the composition of Stuart's Catarrh Tablets; they contain the active principle of Eucalyptus bark, red gum blood root and Hydrastin, all harmless antiseptics which, however, are death to catarrhal germs wherever found, because they eliminate them from the blood.

Next: You can not cure catarrh by local applications to the nose and throat, because these are simply local symptoms and such treatment can not possibly reach the real seat of catarrhal disease which is the blood; for this reason, inhalers, douches, sprays and powders never really cure catarrh, but simply give temporary relief which a dose of plain salt and water will do just as well.

Catarrh must be driven out of the system, out of the blood, by an internal remedy is the only kind which can be assimilated into the blood.

Stuart's Catarrh Tablets do this better than the old form of treatment, because they contain every safe specific known to modern science in the antiseptic treatment of the disease.

Next: The use of inhalers, and spraying apparatuses, besides being ineffective and disappointing is expensive, while a complete treatment of Stuart's Catarrh Tablets can be had at any drug store in the United States and Canada for 50 cents.

Try one can of Oak Brand Condensed Milk and you will decide whether it is better and cheaper than a cow. Ask your Grocer for it.
