Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though is troublesome. An easier way is to get the ready-to-use preparation, improved by the addition of other ingredients, a large bottle at little cost at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of mess.

TO THE ELECTORS OF CHARLOTTETOWN

Ladies and Gentlemen: As already intimated in the public press, I have consented to place myself in nomination in the forthcoming Mayoralty Contest, in compliance with the requisition presented to me signed by some three hundred of the electors of Charlottetown.

If elected to that honorable position I pledge myself to do my utmost as Chief Magistrate to promote any forward movement that the progressive electors of Charlottetown may agree upon, such as City Ownership of Public Utilities, Street Tramway or Motor Bus Service, the establishing of an up-to-date Fire Alarm system and better equipping the Fire Department, assisting the Board of Trade in securing better transportation services and many other concessions which are so much needed to improve conditions.

I further wish it to be distinctly understood that I shall to the utmost of my ability promote conditions which will be more favorable to the wage-earning population of our City.

I further promise to encourage and use every endeavor to induce capitalists to establish permanent industries so as to give employment to larger numbers of our citizens. In other words, A BIGGER, BETTER AND BUSIER CHARLOTTETOWN.

Yours respectfully, G. D. WRIGHT. 2107-1-11Frimtf
