Tribute To W.A. Martin

Two years ago today, February 23, 1927, the death occurred at Toledo, Ohio, of Mr. William Arthur Martin, a native of Charlottetown.

In a history of Toledo and Lucas County, Ohio, written and published in 1923 by Federal Judge John M. Killets, the following reference was made to Mr. Martin, who was then living:—

In the main outlines, the life record of an individual is largely similar to that of hundreds of others. It is in the detail that the variation is seen.

Opportunity comes to all, but it is the man who keeps his eyes open, who is ambitious to succeed, and who is not afraid to pay the price of success, the price of energetic, and unflinching effort who ultimately reaches the goal of prosperity.

The outstanding features in the life record of William Arthur Martin, are such as have at all times commanded the respect and confidence of his fellowmen, and today he is associated with two of the prominent commercial and manufacturing interests of Toledo, as the treasurer of the Landers Brothers Company and also treasurer of the American Buckram Weaving and Finishing Company; also a director in both companies.

A native of Prince Edward Island, Canada, Mr. Martin was born in Charlottetown on February 24th, 1873 and while spending his youthful days in the home of his parents, A. D. and Jane Martin, he attended the grade schools of that city.

He also enjoyed the advantages of three years training in Prince of Wales College in Canada and the further lessons of life he has learned in the school of experience, where he has been an apt pupil, readily mastering the lessons to be learned, day by day. He is now a well known figure in wholesale and retail dry goods

AT ST. DUNSTAN'S—The second of a series of Lenten services at St. Dunstan's Cathedral was delivered very expressively and most eloquently last evening by Right Reverend Monsignor Maurice McDonald. He took for his text, "Except You Do Penance, You Shall All Likewise Perish." The sermon was delivered after Rosary, which was said by Rev. Father McCarthy. Benediction followed, the Corpus Christi Choir singing most pleasingly.

RETURNED HOME TO CALIFORNIA—Mrs. Buchner, wife of Professor Buchner of Los Angeles, Calif., and niece of the late Hon. John H. Bell, who accompanied the Ex-Premier's remains home for burial recently and has been visiting relatives and friends in various parts of the province, has left on return to her Californian home and will on this way visit her brother, Dr. C. R. Howatt in Chicago. The last few days of her Island visit were spent at Summerside, the guest of Mrs. H. M. Downing, and Wilmet, where she was the guest of her aunts, Mrs. John Siliker and Mrs. Robert S. Waugh.—S.

INSTITUTE WORK.—The Mt. Buchanan W. I., held their monthly meeting at the home of Mrs. Joseph Robertson on Feb. 14th with 11 members and two visitors present. Meeting opened with Institute Ode and roll call was responded to with Valentine verses. Several bills were presented and ordered paid. The school is to be scrubbed at once and a number of the members agreed to meet and attend to same. A short discussion on the annual supper was held but nothing done. Autograph quilt blocks to be presented finished at next meeting. Receipts for same are still going. A few "earliest photographs" of members were passed round during the programme. Place of next meeting to be decided later. Roll call to be answered with a dime. Meeting closed with The King. Lunch was served by the hostess during a pleasant social hour.

On October 9th, 1902, he was united in marriage at Charlottetown with Miss Annie R. McClure, a daughter of Mr. John B. and Sarah McClure. Mr. and Mrs. Martin are prominent members of St. Paul's Episcopal Church, and they have gained many warm friends in this city, their sterling worth of character constituting the key which has unlocked for them the hospitable doors of Toledo. Mr. Martin is identified with the Independent Order of Oddfellows, the Toledo Automobile Club, Inverness Country Club, the Museum of Art, the Optimist Club, and the Toledo Credit Men's Association. His personal qualities make for popularity in all of these organizations, and his sound judgment often constitutes an influential factor in management and control, or in shaping opinion concerning concerted action in the societies.

DEATHS SHAW—George Bernard, beloved son of Wendell and Mrs. Shaw of Chicago, Ill., U. S. A. born March 17, 1927, died Feb. 8, 1929.

MacLAUCHLIN—At Marshfield, Feb. 23, Jane MacFarlane, widow of Alexander MacLauchlin, in her eighty-sixth year. Funeral from the home of Mr. Hector Darrach, Marshfield on Monday, February 25th at two o'clock. Interment Marshfield Cemetery where service will be held.

DIXON—Passed away at the P. E. I. Hospital on Saturday, February 23rd, Milburn A. Dixon of Little Sands, aged 65 years. Funeral services at his late residence Little Sands on Wednesday at 1 p. m. Interment Wood Islands Cemetery.

In Memoriam

In loving memory of our dear Mother, Mrs. Samuel M. MacWilliam who departed this life at Pinette, Belfast, February 25th, 1901. Too dearly loved to be forgotten. Ever remembered by her Husband and Daughters.

In Memoriam

In loving memory of Mrs. George MacLean, who went Home on February 24, 1928. Not even sleeping—called to glad awakening. In heaven's endless day; Not still and motionless—stepped from earth's rough places, To walk the King's highway.

In Memoriam

Not silent—just passed out of earthly hearing. To sing heaven's new sweet song; Not lonely—dearly loved and loving Amid the white robed throng. Be not forgotten—keeping fond remembrances. Of dear ones left awhile; And looking gladly to the bright reunion With hand clasped and with smile.

SPECIAL TO SUMMERSIDE.—A special train will leave Charlottetown at 5 o'clock p. m. on Tuesday, Feb. 26, for the Kensington-C.Y.M.L. game at Summerside, arriving at Kensington 7 p. m. taking passengers from all stations, returning after game. 4558

GOOD WORK.—Snow storms have no terror for Charlottetown in future judging by the most efficient manner in which the new tractor plow cleaned the various city streets right after the last heavy snow fall. Side streets which were impassable were soon made to order. The smaller plows were also much in evidence as side-walks throughout the city were also attended to in a like manner. This excellent service is only another admirable reflection on the good work being done by our City Council.

SUMMERVILLE WHIST CLUB.—The closing of the Summerville whist parties was held at the home of Mr. and Mrs. William Cain on January 30th. A large number were present. Whist was played for two hours, after which a dainty luncheon was served in the hostess' well-known style. The weekly and final prizes were then distributed. The final prizes being awarded to ladies—first, Georgie Ennis, second, Mrs. Wm. Fraser. Gentlemen—first, Albert Curran, second, William Fraser. Mrs. Harold Dunn and Frank Hynes received the consolation prizes. The whist club then presented Mr. Cain with a beautiful pocket-knife for his assistance in marking the points. Excellent music was furnished and dancing was thoroughly enjoyed by all. A hearty vote of thanks was tendered the host and hostess for the splendid manner in which they entertained the whist club. The singing of the National Anthem brought a very pleasant evening to a close.

BIRTHDAY CELEBRATION.—A number of friends and relatives of Mr. Matthew Calbeck, Tryon, gathered at the home of his daughter Mrs. Edison Mabe on Feb. 4, 1929, where they celebrated Mr. Calbeck's 85th birthday. Shortly after the folks gathered they were cordially invited into the dining-room to partake of a sumptuous goose supper served in Mrs. Mabe's well known style. Supper being served and again returning to the living room they were pleasantly entertained. With Mr. Mabe tuning in on his radio and friends, together with Mr. Calbeck, playing the game of Crokinole, which Mr. Calbeck enjoys always, the evening passed quickly away. On making their departure they all wished Mr. Calbeck many happy returns of his birthday. While I must also note that although Mr. Calbeck is getting to a ripe old age, he is indeed quite smart and still enjoys life to the utmost.

SILVER PUP FELT OUT OF A RED FOX FETCHES TOP PRICE.—Mr. Emanuel Ross, Ellerslie, sold a pup-felt out of a red fox female, this winter, for \$200. Though the mother was pure red the male father was a good silver. Mr. Ross is retaining the red female. She had six pups the first year and four this last year and only one in each litter was patchy, some reds are worth more than pure silvers apparently.

BAPTIST SERVICES.—Yesterday Rev. C. T. Clarke of St. John supplied in the Baptist Church at the morning and evening services. His morning subject was "The Power of a Sacrificing Love" and his evening subject was "Jesus Christ and Him Crucified." Both sermons were very eloquent and powerful, and the music was of a high order of merit. An especial feature was a vocal duet "Art Thou Weary, Art Thou Languid" sung by Miss Barbara MacNeill and Mr. Leigh Dingwell.

ON FRIDAY MORNING Dr. Doolittle, president of the Canadian Automobile Association had an interview with His Honour Lieutenant Governor Heartz, and Hon. J. P. MacIntyre Minister of Public Works, in regard to the activities of the newly organized Tourist Association of Canada. His Honour consented to act as an honorary patron of the Society. With Mr. MacIntyre, Dr. Doolittle also took up the situation as regards improvement of the Prince Edward Island roads. Dr. Doolittle left in the afternoon for Summerside to interview Premier Saunders and Hon. J. F. MacNeill.

Church Services

ZION CHURCH SERVICES

Though suffering from a severe cold the Minister preached from Numbers 21:9 a sermon that was endorsed by every one present. "Praise ye the Father" (Gounod) was well rendered by the choir. At the close of the discourse Mrs. Mutch and Miss Campbell sang the appropriate hymn "There is life in a Look."

The evening service was well attended. Mr. Fulton dealt with an old time subject in an interesting and fascinating manner: "The Tree of Life" (Gen. 3:24) was the topic. A week from last night, or at a later date, Mr. Fulton has promised to speak on "Was Adam the First Man?" Zion Male Quartet sang with good interpretation, "I want my life to tell for Jesus." The anthem, "Still, Still With Thee" (Speaks), was sung with verve and vigour by the choir. The fine rich quality of Mrs. J. A. McMillan's voice being pronounced in the solo parts.

A pleasing feature of the evening sermon was the recitation of a few lines from Alfred Noyes' famous poem "The Last Crusade." The evening service was broadcast by CFCY.

Yesterday evening a delightful recital of sacred music was given in Trinity United Church. The two anthems—one of them a composition by Mr. W. E. Fletcher and the other by Sir Arthur Sullivan—were sung with great precision of attack, and excellent tone quality by the large choir. Miss Clara Graham's splendid soprano voice was heard to great advantage in two well chosen solos—the first the "Ave Maria," set to the music of the Intermezzo from Mascagni's "Cavalleria Rusticana" being particularly well rendered.

Mr. Ben Wagner played four violin solos, one of which was "Romanza," a lovely number from the pen of the late F. T. Watkis, formerly organist of St. James Church. He also played the Andante from the "Sonata Pathetique" of Beethoven very finely. Mr. Charles Earle was in splendid voice and sang two solos, the "Deus Neus" of Dubois, and "My Heavenly Father Watches Over Me" with great depth of feeling. The organ solo "Variations on the Russian National Anthem" played by Mr. Fletcher and the song "Still, Still With Thee," sung by the Harmony Male Choir, were also much enjoyed.

THE SERVICE AT THE MONUMENT Very simple, and also most impressive. Headed by the Legion Band, the veterans marched to the monument, and formed about it in hollow square. The hymn "Nearer My God to Thee" was sung, followed by a prayer by Rev. W. Bruce Muir, who then briefly addressed the assembled veterans and people. The hymn "Abide With Me" was then sung, after which the wreath was placed in position on the monument, and the "Last post" was sounded by Sergeant Hines. Mr. Muir then pronounced the benediction, which was followed by the National Anthem and the "Reveille."

In the course of his address Mr. Muir complimented the South African veterans on the manner in which from year to year they carried on this memorial service, in remembrance of their two comrades who fell in the cause of Queen and Empire in the Veldt of South Africa. He had no doubt that as long as one of them

day in the historic church of St. James all who remain of that heroic band who went out from this province to fight for Queen and country in South Africa in the Boer War. Then for the first time in the history of this great land an offer to equip and raise a contingent was accepted by the Mother land. The offer was entirely voluntary, and no conscription was required. These men went forth at the call of duty to help the Mother land in her righteous struggle, and to plant Africa autonomous and free.

The Canadian troops won the plaudits of friend and foe alike. And they had the honor of taking part in the final assault, when General Cronje surrendered. Surely these brave men have scaled the heights, when, on the veldt of South Africa they upheld so courageously the honour of the grand old flag which had braved a thousand years the battle and the breeze.

In the name of the congregation, the speaker welcomed these men—the remnant of the Prince Edward Island Contingent, and wished them well.

Fearless Ginger Ale Unsurpassed Many Qualities

LEADING physicians report that Fearless Dry Ginger Ale is the best and taken hot on going to bed will break up any incipient cold.

This is a great tribute to its very high quality, as is the fact that the medical profession advise its use in hospitals as being the purest. The Carbonation of this Ginger Ale is perfect that a bottle left unopened overnight will retain its sparkle and effervescence and in this respect it is unique both amongst foreign and domestic Ginger Ales.

THE CAR FERRY

The car ferry made four round trips on Saturday. There was little trouble with ice, and the mail arrived in the city on time.

THE AEROPLANE

On Saturday owing to the snow bound condition of the roads, the aeroplane did not leave Moncton until 11.45. She arrived in this city at 12.45 and left shortly afterwards for Moncton via Summerside. On Sunday the roads were still in bad condition. The automobile taking the mails out to the plane broke down, with the result that she did not get away until 11 a. m. She arrived here shortly before noon and left soon afterwards for Moncton via Summerside. A telephone message was received yesterday afternoon by Postal Inspector Whitbar, stating that, owing to necessary repairs being made, the plane would make no trip today, but would continue the service on Tuesday as usual. No definite information has been received as to when the large new plane will make its first trip on this route.
