

ASEPTO SOAP POWDER

Give the Dishes and Pans an "Antiseptic" Wash

Your dishes and pans will be sweeter and cleaner when washed with ASEPTO in place of soap. ASEPTO does the work quicker and better—and contains a germicide that destroys all disease germs. Especially should this antiseptic powder—ASEPTO—be used to clean a dish or jar which has contained meat, fruit or vegetables that have "gone wrong." ASEPTO costs but 5c. a package—is the only washing compound that will not burn the hands—and is odorless.

MRS. MARY ANN COLLETT

The death occurred in Charlottetown on Tuesday, October 12th of Mrs. Mary Ann Collett at the advanced age of 82 years. Enjoying the best of health up to within a few hours before her death, her demise came as a great shock to her many relatives and friends in the province. The deceased although at the ripe age of 82 years enjoyed the best of health and took pride in performing her daily duties as one much younger in years. She was a devoted member of the Baptist church and always took a prominent part in anything appertaining to the welfare, spiritually and otherwise of those with whom she came in contact. Her kind disposition and welcome smile made for her a host of friends who will not soon forget the pleasant remembrance of days gone by. What is an earthly loss will be her heavenly gain, gone to receive that rich reward that is for those who love the Lord.

She leaves to mourn three daughters, Mrs. Samuel Waddell, City; Mrs. Samuel Leard, Pisquid, and Mrs. Robt. Craig, Charlottetown, and one son, Wm., in Winnipeg. Also three sisters, Mrs. Edward Locker in Alabama; Mrs. Jave Beers, City and Mrs. Woolridge, City and two brothers, Philip Calbeck, Summerside and Matha Calbeck, Tryon, besides a number of grand children and great grandchildren.

The funeral took place on Thursday 14th inst and was conducted by her pastor, Rev. Z. L. Fash, assisted by Rev. F. H. Littlejohns of Grace Methodist Church. The pallbearers were her grand children, and interment was made in People's cemetery.

Blessed are the dead who die in the Lord.

THOMAS NELLIGAN

Death at any time and under any circumstances is accompanied with sorrow, but its sad decrees are made doubly heavy to when a beloved one is called away at an early age and in the bloom of youth. Such was the case with Mr. and Mrs. Mike Nelligan of Pleasant View, when the Angel of Death visited their home on Saturday, the 9th instant, and claimed as its victim their beloved son Thomas in the 25th year of his age. Deceased was a model young man of sterling character, and many abilities. His kind and genial disposition endeared him to all his acquaintances and his

A NEW DEFINITION

A number of business men at luncheon were giving definitions of "optimist" and "pessimist." One of them offered the following:

"A pessimist says, 'Is there any milk in that pitcher?' whereas an optimist remarks, 'Pass the cream, please.'"

MAMMA! DON'T YOU SEE YOUR CHILD IS SICK, CONSTIPATED

LOOK AT TONGUE—MOVE POISONS FROM LIVER AND BOWELS AT ONCE.

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ill; give a tea-spoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs" then look and see that it is made by the California Fig Syrup Co."

In an article published in the Canadian Farm (June 19th, 1914) Mr. P. E. Light, B.S.A. tells the story of a man who increased the selling value of his farm 33% by simply giving his buildings a coat of good paint.

There is no question but that the use of paint on the farm is an economy. Well painted buildings increase the value of your property because they do not only make a better appearance but the buyer knows that paint protects the wood and so prevents deterioration and expensive repairs.

We carry a full line of Sherwin-Williams Paints and Varnishes for every kind of surface. Drop in and talk to us about your painting problems.
