Ottawa, Oct. 16—(Special)—The Allans decision to take two boats from the St. John service was discussed in the Commons and Hon. Mr. Fielding told Mr. Fowler the Allans had applied to the Intercolonial for cargoes at Halifax.

The withdrawal would not interfere with the export trade through St. John.

WHEN men go gunning and an accident happens we often hear of its being a case of 'didn't know it was loaded. Either the little birds know more than this or else they, like many of our sportsmen, are getting to familiar with guns for at the rifle range on Thanksgiving Day one of the riflemen had his gun, unloaded, pointed skyward, taking sight, when to his surprise a little grey bird alighted upon the end of the muzzle. The bird took a look down the barrel, waited for a moment then shook his little tail and away he flew.

THE music given by the Boys Own Band which paraded the streets on Thanksgiving afternoon and evening was a pleasing surprise to citizens. This band which was only organized less than two months ago under the instruction of Mr. White during the past few weeks has made remarkable progress. Costumed in green coats, white trousers and white helmets and with Charles Meikle as drum major, their general appearance was very creditable and evoked much favorable comment. The sports held under their management in Crystal Rink in the evening were attended by a large number of people and greatly enjoyed. The following is the result of the events:—Obstacle Race, 1st A. Burke, 2nd S. Phillips; Running High Jump, 1st Leonard McNeill, 2nd John Christopher; Vaulting, 1st Frank McCallum, 2nd Paul Durrant; 43 yds Dash, 1st John Christopher, 2nd Leonard McNeill; Putting Heavy Shot, 1st W. E. Jardine, 2nd Herdon Picketts; Hop, Step and Jump, 1st Frank McCallum, 2nd Paul Durrant; Quarter Mile Run, 1st Leonard McNeill, 2nd Paul Durrant; Half Mile Run, 1st G. Clow, 2nd W. Jardine; 40 yds Dash (Boys under 16), 1st G. Clow, 2nd S. Phillips. The tug-of-war, which was probably the most interesting event, was won by the Summerside team, beating the Yacht Club team in two pulls.

DEAFNESS IS CURABLE! Sufferers from impaired hearing will be glad to know that their affliction is probably not due to any organic defect in the ear, but results probably from a thickening of the lining of the middle ear caused by catarrhal inflammation. Hundreds of perfect recoveries as a result of the inhalation of Catarrhoxone are reported, and on the highest authority we recommend this treatment to our readers. Catarrhoxone quickly restores lost hearing, and its efficiency is placed beyond dispute by the case of Mr. Warren of Toronto, who recovered perfect hearing by using Catarrhoxone, after years of deafness. Price \$1. At Druggists or by mail from Polson & Co., Kingston, Ont.

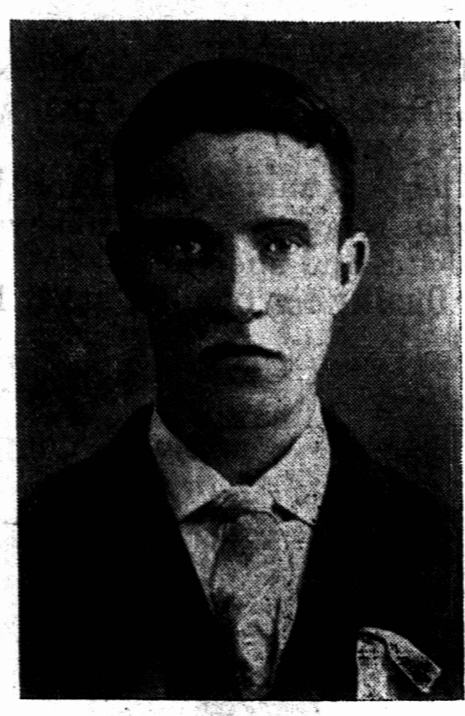

When the Moon Had a Bad Effect. Your grandmother or veteran aunt can tell you that when hogs were killed in the wrong time of the moon the slices of ham would shrivel up more than half and fitch would all fry away, leaving only small cracklings. Apples or any kind of fruit dried in the wrong time was certain to mold or become wormy and cider vinegar to refuse to become sharp.

GALEDONIAN CLUB CONCERT.

Probably the finest Scottish concert ever held on the Island is slated for Nov. 12th under the auspices and management of the Galedonian Club. The Club had a meeting last evening and appointed as a committee to carry the matter to a successful issue, Chief, James Paton, Ex Chief Col. Stewart and President, Capt David Small. The club have been so fortunate as to secure such great artists as G. O. Neil Scotland's greatest tenor, MacKenzie Murdoch, Scotland's leading violinist, Harry Munro, Scottish character comedian, Flora Molvor Cray, soprano and Alfred Lawrence Murdoch pianist, all from the Land of Song and Heather. The Club would ask every person within possible distance of Charlottetown to remember this date, and keep it clear for this greatest of Scottish events.

IMMEDIATE ASSISTANCE IS NEEDED

When you get troubled with cramps and stomach pains, and in such cases nothing can beat a few drops of Polson's Nervine taken in some sweetened water. Mrs. E. Van Wormer of Trout River says:—'I have found Nervine a reliable cure for internal pains, disordered stomach and sick headache. It's a good household article and when used externally soon cures lame back, sprains, neuralgia and rheumatism.' No house can afford to be without Polson's Nervine. A GREAT SCOTCH ATTRACTION COMING.

F. G. Spencer the well known concert promoter arrived in town Thursday evening, to arrange details in connection with the great Scottish attraction which he will have in the Opera House here, Nov. 12. It is claimed that this aggregation of artists which includes the great tenor Geo. Neil is the strongest which ever left Scotland and its reception here needless to say will probably be on a par with that accorded Jessie MacLachlan. Mr. Spencer returns to St. John today.
