Kensington Dairying Co-op. Ass. Meeting

—A special general meeting of the shareholders and patrons of Kensington Dairying Co-operative Association, Limited, was held in the King George Hall, Kensington, on Tuesday, July 13, 1948. The president, Mr. Louis O'Connor presided, and addressed the meeting. He briefly reviewed the beginning of the Co-operative, now in its fourth year, which, instead of being organized in the accepted manner of such bodies, after thorough study, grew from an organization already formed and instead of starting at the bottom, "we started at the top trying to work down." "Each year," he said, "6% is set aside for the purpose of an educational fund."

This year, 400 copies of the booklet, Co-operation, the Plan for Tomorrow, which Works Today, had been mailed to the patrons, and Mr. O'Connor urged that study groups be formed to study this booklet, on Co-operation, which, "after all, is exactly what the term implies, co-operating with one another, or working together for our own common good. The success of any enterprise ultimately depends on the individual efforts of each member."

He gave a brief summary of the business since the annual meeting in March when the financial statement showed a profit for the year of $4602.80, to be returned to the shareholders and patrons in the form of patronage dividends, and it was unanimously decided by the meeting that this patronage dividend be left in the business, and taken up in the form of shares to help finance the business.

Of the 485 sharing in the patronage dividend to an amount over 50 cents, 273 have consented to leave that dividend in the form of shares. So far $4,461.26 has been received, $3,058.86 from the divi-

—TIGNISH GIRLS ATTENDED S. S. C. A. — Returning to Tignish from Montreal after spending a week attending the Summer School of Catholic Action, which was held in Layola College in the city of Montreal from June 27th to July 3rd were the Misses Thelma Gaudet, Marie Gaudet and Margery MacDonald. The girls were driven to Summerside by Mr. Joseph MacDonald on June 24th and then flew from there to Moncton in order to get connections with the Montreal train. Miss Thelma Gaudet was a delegate from the Parish Sodality of the Blessed Virgin Mary and Miss Marie Gaudet a delegate from the School Sodality. The young ladies found the schedule for the week's work well planned and they brought home to their sister members of the Sodality a most interesting and instructive account of the happenings of the seven days. The girls considered it most fortunate that they were privileged to have Rev. Daniel A. Lord, S.J., preach a good number of sermons and give instruction periods to the attending delegates. One day during the week a bus was furnished by the College and the delegates taken on a sight-seeing trip through the City of Montreal where historic Catholic places were visited and an instructor explained the different objects of interest as the bus rode along on its way.

—W. A. MEETING — The members of St. Mark's and St. Stephen's Women's Auxiliary of New London Parish, met at the home of Mrs. Atwood Blakeney, Sea View on Friday, July 9th., 1948. Mrs. Lloyd Howard of St. Mark's, Kensington presided and opened the meeting with the hymn, Soldiers of the Cross, Arise! The 5th. Chapter of St. Luke, verses 1 to 11 were read responsively and Mrs. G. J. Davies pointed out some of the "thoughts" contained in this passage. The Litany and members prayer was followed by the roll call, answered by each member with a verse of scripture. The minutes and discussion following revealed that the bale valued at $92.00 had been shipped to the Indian Mission School at Fort George. Three food parcels had been packed for England, one at Kensington, one by Burlington and Spring Valley and one at Sea View. Only one member from New London Girls' Auxiliary was present, but the group was commended on their initiative, in providing funds, so that one of the younger girls can go to camp at the Church Centre, Crapaud. The program included several readings, "Prayer", by Mrs. W. J. Paynter, "Justice and Law for Mankind." by Mrs. Hiram Harrington and "The Tapestry Weaver" by Mrs. Leigh Paynter, also a Bible Quiz, True or False, by Mrs. J. G. Townsend. A chapter from the Study Book was read by Mrs. Elmer Moase. Greetings from Darnley and Sea View W. M. S. of Malpeque Church were brought by Mrs. Colin Donald. Mrs. Blakeney reported on her work with the juniors. She said that lack of leadership retarded the work as many of the older members were no longer with the group and she herself now only lived part of the year in Sea View. Mrs. Donald paid warm tribute to Mrs. Blakeney's work with the Juniors, to her painstaking labour and her boundless patience. The meeting closed with the hymn, "More Love to Thee" and the benediction. The members of St. Mark's were guests of St. Stephen's at the tea hour, when tea, sandwiches and cake were served by the hostess, assisted by her daughters, Mrs. Reg. Mountain and Mrs. Gordon Cousins, and several of the members. For this pleasant part of the program, the members and visitors (about 35) repaired to Mrs. Blakeney's well kept lawn with its view of the countryside and the blue waters of the gulf beyond. A vote of thanks was tendered Mrs. Blakeney and the entertaining groups by Mrs. J. Bradford Millman, Kensington, and replied to by Mrs. Blakeney. —Bur.

Mrs. Farrell was born at Norway, the daughter of the late Mr. and Mrs. Martin Ready and has a great number of friends here who will enjoy visiting with her. A sister of Mrs. Farrell, Mrs. F. J. Shea, resides in St. Louis.

Mr. Phileaus Perry, Palmer Road, had the great misfortune to have his barn completely destroyed by fire a few mornings ago. The barn, of large structure, had recently received extensive repairs to the exterior and was in splendid condition. The men of the household were away from home at the time, and the fire was not discovered until it was too late to have it extinguished by a bucket brigade. There is no telephones in the Palmer Road district and therefore no word could be sent to the Tignish fire department for aid. The only animal in the barn at the time of the fire was a hog who was being finished for market, and the flames had enveloped the part of the barn where the hog was housed and it was found impossible to rescue him and he perished in the flames and added to the great loss. Cause of the fire is unknown.

—Mr. and Mrs. Louis Pineau of Natuck, Mass., who are vacationing at Rustico with relatives and friends, motored to Tignish on Tuesday of last week and were calling on friends in this neighborhood. It has been twenty-five years since Mr. and Mrs. Pineau last visited the home of their birth, and they find many changes, and tell us the changes they see are improvements over the days of twenty-five years ago, and it is statements like this we enjoy hearing. Mrs. Pineau has many friends about here, for in by-gone days she taught school in Tignish and Ascension when she was Miss Lucy Blanchard of Rustico. It was a very pleasant surprise to have Mr. and Mrs. Pineau pay so many of us a visit. We regret their time to visit was so short, but as Mr Pineau is a contracting carpenter he felt he must limit his vacation to two weeks.

"sell my bonds..? don't be silly!"

"Sure, I need cash—but look . . .
"I didn't exactly go without bread and butter to buy those Bonds, but I did pass up a lot of things to get them, and I'm not going to let them go now.
"No sir, not when I can go to the B of M and get a loan against my Bonds. That way, I'll keep them intact and have the ready cash I want. And I'll pay back the loan out of my pay."

If *you* are faced with an emergency or opportunity, and are in urgent need of ready money, don't cash in your Bonds. You took pains to save up that nest-egg. Hold on to it. Go in to your nearest B of M branch and borrow on your Bonds. You can repay the loan in easy instalments, and you'll still have your savings in reserve.
