SIGNALERS.—Class will be held Friday evening in the Armouries from 7.30 to 8.30.

PAINTERS ATTENTION!—All master painters meet to-night at 7.30 p. m. in Offer's Hall, Queen St. Important business. 6063.

NO FURTHER ARMS.—It is understood that the Military Department at Ottawa has prohibited the issue of any small arm ammunition to any rifle club of association in future until the war is over.

ANOTHER ISLANDER.—Among the many Island boys who volunteered for the front was Corporal Walter McLean, son of Mr. James McLean, Georgetown, who has been in Winnipeg for several years and is now in England.

GOOD WEIGHT.—Mr. James Stevenson, Rustico, a progressive farmer, had thirteen spring pigs in Charlottetown last week, a weight of 1900 nineteen hundred lbs., which he sold for 1 1/2 cents per lb.

POTATO DIGGING.—Potato digging is the order of the day in Scotchfort, and most everyone reports having an excellent crop, both in quality and quantity. But the price paid for them is not as high as might be wished for, 25 cts. a bushel being what is paid at Mount Stewart.—S.

CHURCH OF SCOTLAND.—Rev. Ewen MacDougall cancels his appointments for week beginning Sabbath 11th. He will preach Sabbath 18th, at Brooklyn, Peters Road and Murray River at the usual hours. Also, Monday 19th, at Iris, Tuesday 20th at Belle River and Thursday 22nd at Point Prim at 7 p.m.

INSTITUTE MEETING.—The regular meeting of the Marshfield Women's Institute, Oct. 1, was well attended. Mrs. Dunbrack and Miss Sterna were present and helped to make an interesting afternoon. The Secretary reported that one dozen flannel shirts for the Red Cross Society had been finished, also the following cash contributions for the same society:—Mrs. William Bishop, \$1.50; Mrs. J. T. Ferguson, \$1.50; Mrs. Scott Cairns, \$1; Miss Lucy Lane, \$1; Mrs. Neil Stewart, \$2; Mrs. (Rev.) Coffin, \$2; total, \$9.

"FIRE ALARMS."—Two fire alarms were sounded in Summerside Tuesday. The first one, about 10 a.m., for a slight fire at the residence of Mr. William Sullivan, Granville Street. Some bedding had been put by the stove to dry and afterwards put out in the porch, where it smoldered for a few minutes and took fire. There was no damage. The second alarm was about 5.10 p.m., for a fire at the residence of Dr. A. A. McLellan. The firemen responded promptly and were on the spot in a minute. However, there was nothing more than smoke and a little excitement.—Y.

W. M. A. S.—The Baptist W. M. A. S. held their annual Thanksgiving service last night in the School Room of the church. A very interesting program was presented. Mrs. A. W. Storns presided. Several interesting selections were given on an Edison Amberola. Miss Edith Jenkins and Miss Davida Baker gave readings which were applauded. Miss Alma Yeo sang "Thy Will be Done" in fine voice. Mrs. Harold Jenkins read "Playing the Game" from Pollyanna. It was much appreciated. Mrs. J. P. King and Mrs. Kipling's "The Flag of England" and gave a decided patriotic turn to the service. A very liberal thank-offering was taken for the women's missionary work. The room was tastefully decorated.

KNIGHTS OF COLUMBUS.—The annual election of officers of the Charlottetown Council of the Knights of Columbus took place last night and resulted as follows:—G. K., Prof. J. A. Murphy, city; D. G. K., Lawrence Smith, city; Dr. J. C. McMillan, Cardigan; Rec. Peter, city; Pin. Secy, W. H. Kiggins, city; Treas. C. J. Moran, city; Add. Hon. Temple McDonald, Georgetown; Warden, A. A. Hennessey, city; I. G., Frank Hennessey, city; O. G., John Murnaghan, city; Trustees, Thomas Campbell, William Moran and L. B. McMillan.

POLICE COURT.—At the Police Court yesterday morning John R. Dinis, Fred Gaudet and George MacDougall were charged with having driven automobiles exceeding the time limit, 3 miles. These cases were adjourned for a week for judgment. The prohibition case against James Haynes was dismissed. A similar case against George J. McCormack was adjourned for one week. John Doyle, of Valley street, appeared on complaint of Henry Weeks, charged with using insulting and abusive language. The evidence which was of a "mixed-up" character showed that there was a "mix-up," or family feud in which it was alleged that the children had been ill-used. The Magistrate adjourned the case for a week, for further evidence.

THE PEOPLE'S.—The People's Theatre has a reputation for attracting bumper houses and last night's programme was no exception to the rule. "The All Red Weekly" was of immediate interest to Canadians and was alone worth all the other pictures put together. It showed the soldiers at Valcartier in all their routine military work and the Duke of Connaught reviewing it. "A Child of the Desert" was a stirring drama that appealed to the sympathy of the spectator and concluded with the indispensable scene of affection and happy reunion. Considerable interest is being taken in the "Chronicles of Cleek," a penetrating detective of the Sherlock Holmes type, who clarifies the "mysteries" that baffle the ordinary police officials. "Hickvilles Finest" and "Ring and Rubbers" were two "roaring" comedies, the latter being a very ingenious one. "Sacrifice" was a powerful Vitagraph featuring two of the best and most finished camera actors of America. The scenery throughout the film was magnificent.

CLASSIC DANCING.—A feature at Henry Lawrence Southwick's recital next Thursday evening will be classic dancing in costume by some of Miss Gorman's pupils. 6060.

HALLOWEEN TEA in aid of the Charlottetown Hospital will be held in Market Hall Building on Wednesday and Thursday, Oct. 23 and 29. 6040

SOLDIERS' MAIL.—The Post Office Department has issued a circular requesting that all correspondence for the Canadian Expeditionary Force be sent to Salisbury Plain, England, without delay.

W. M. S. MEETING.—The Thanksgiving meeting of the W. M. S. was held in Grace Church schoolroom last evening. A very large congregation gathered to hear an address by the American Consul, Dr. Mays. His address was greatly appreciated as was evidenced by the standing vote of thanks accorded him. Miss Millican gave an appropriate reading; Mrs. Andrew Ritchie sang a song and the Sunday School orchestra gave a selection, all of which were thoroughly enjoyed by the audience. A collection on behalf of the W. M. S. was taken up which, the Guardian understands, was very satisfactory.

SUDDEN DEATH.—The death occurred at Haverhill, Mass., on Oct. 14, 1914, of Mrs. William Daly, aged 22. The late Mrs. Daly was a daughter of Mr. and Mrs. Patrick Stewart of this city, who received a telegram yesterday announcing her unexpected death, but giving no particulars. Beside her husband and two small children, there are left to mourn her father and mother and six brothers and six sisters:—John Stewart, Daniel, William, Martin, James and Joe. The sisters are Mrs. James Gillan, Mount Stewart; Mrs. John McInnis, Mrs. Thos. Griffin, Charlottetown; Mrs. Clarence Stenfield, of Wolfhurry, and Florence at home and Mrs. Wallace McNeill of Haverhill, all of whom will have the sympathy of a wide circle of friends in this the first break in their family. The remains, accompanied by Mr. Daly, are expected to arrive in this city Friday night. Funeral notice later.

PRINCE EDWARD THEATRE.—The excellent programme at the Prince Edward last night was enjoyed by large audiences. The feature picture was a powerful story, "The Price Paid," in which a grafting politician pays the grim penalty. The dramatization was produced by an "all star" cast and commended itself to the hearty approval of the audience. "Shot Gun Jones" was a second excellent drama in which a wild Westerner reforms and becomes a useful citizen and restores a fortune to a fascinating girl and her brother, left orphaned and penniless. The encouragement and geniality of the audience in the westerner's life provided plenty of excitement. A splendid love plot runs through the play which makes it decidedly interesting. Much laughter was heard when "His Wife's Family" and "His Nephew's Scheme," two to-night new and exceptionally good feature pictures will be put on besides the regular programme, which will make to-night's show unusually interesting.

EGMONT BAY AND MT. CARMEL EXHIBITION

The Egmont Bay and Mount Carmel Exhibition, which was held yesterday, was a great success. The attendance was very large and the number of exhibits was greater than usual.

The judging was done by Prof. J. Ross, Reid and Tennant and Mr. J. A. Clark, Superintendent of the Experiment Station. The number of horses out was greater than usual, and some of them were of excellent quality. In cattle the Ayrshires were superior. In the class for aged bulls of this breed three extra good ones entered the ring. After considerable inspection the red tickler was awarded to the Club bull from St. Chrysostom, a large deep-bodied bull of excellent quality, six years old.

In the class for aged cattle a large and deep-bodied cow, owned by Stanislaus Gallant, of St. Chrysostom, came first. Mr. Gallant also showed a very fine heifer out of this cow. In Holsteins some fine cows, heifers and bulls were shown. Shorthorns were not up to the mark. A very excellent yearling bull, purchased last spring by the farmers club at Maximville from Professor Ross, came into the ring. It should make a great improvement in the shorthorn cattle of the district.

Both sheep and pigs were better than usual. Very little poultry was shown, and the quality was not extra. In the building the exhibits were excellent. There were eleven exhibits of large smooth-skinned turkeys, five of soft. The potatoes were large, some of them much too large. In two baskets every potato weighed over a lb. The pumpkins, too, were very large, and there were fourteen entries of beans. The women's department was also well filled, and some good samples of fruit were shown.

The Fair was formally opened by His Honour the Lieutenant-Governor at 2 p.m. He congratulated the people on their splendid exhibition and then addressed them on the needs of the war.

CATARRH LEADS TO CONSUMPTION

Catarrh is as much a blood disease as scrofula or rheumatism. It may be relieved, but it cannot be removed by simply local treatment. It breaks down the general health, weakens the lung tissues, and leads to consumption. Hood's Sarsaparilla is so successful in the treatment of catarrh that it is known as the best remedy for this disease. It purifies the blood. Ask your druggist for it.

BOARD OF TRADE MEETING

(Continued from Page One.)

and that there had not yet been any result of the representations of the Dominion Government and the British Consul at Washington to the U. S. Government in the matter. The Secretary also stated that in reply to a telegram by the Council of the Board to Ottawa two Potato Inspectors had come to the Island and had been carrying out a series of investigations, and that the first time they came to town the Council of the Board would consult with them.

A letter was read from the St. John Board of Trade, inquiring about the industries of the Province and the outlook for a continuance of business relations during the war. A committee of three, Messrs. Jenkins, Higgs and Hyndman, was appointed to look into the matter and report thereon.

A communication from the British Imperial Council of Commerce, appealing for unity in commerce during the present war, stated that a Congress of Chambers of Commerce would meet next autumn in Toronto to discuss questions of trade and commerce. Messrs. D. A. McKinnon, Buntain and J. P. Gordon were appointed a committee to deal with the communication.

Mr. D. A. McKinnon moved the following resolution: "Whereas the shipping interests of the city of Charlottetown, in order to further the equipment of this seaport for its increasing trade and for the safety of navigation, requires a pilotage to be constituted, with local pilotage authority;

"Resolved that this general meeting of the Board of Trade instruct the Council of this Board after consideration, if deemed advisable, to make application to His Excellency the Governor-General in Council to establish a new pilotage district and fix the limits thereof comprising the navigable rivers flowing into the harbour of Charlottetown, the harbour itself and Hillsborough Bay, extending from the harbour to an imaginary line to this bay, or such other limits as to His Excellency in Council may seem meet; and further, that the pilotage authority for such district be constituted by His Excellency in Council, composed of three pilotage commissioners, one to be appointed by His Excellency in Council, one to be appointed by the City Council of the said city, and one to be appointed by the Council of this Board of Trade."

The resolution having been discussed, it was decided to refer it to the Council of the Board for full consideration.

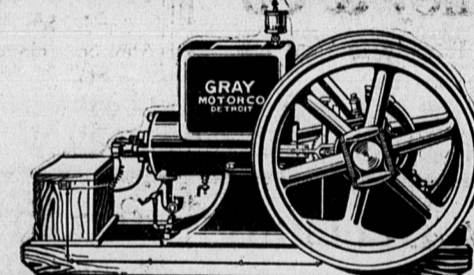

The Secretary announced that owing to the war it had been decided that there would be no meeting of the Maritime Board of Trade this year. This was all the business and the Council adjourned.

AUTHOR OF THE REPORTS

Col Swinton Writes Despatches Sent From Headquarters

LONDON, October 14.—The Express today announces that the Press Bureau's official descriptions of the fighting at the front are written by Col. Swinton, of the Intelligence Department of the General Staff.

There has been a good deal of favourable comment on the interesting manner in which the official reports from the front have been written. It had been believed generally that Field Marshal Sir John French, the British commander-in-chief, was the author.
