## AMHERST JUNIORS DRUB RANGERS 11 - 2

### Peters Brilliant In Defeat As Local Juniors Falter In Final Period Of Game

AMHERST, N. S., March 15—(CP)—Amherst St. Pats defeated Charlottetown Rangers 11-2 tonight in the first of a home-and-home series for the Maritime Junior hockey title and took a firm hold on the championship by virtue of the nine-goal lead they will carry into the second game.

St. Pats, last year's Maritime champions under the name of Amherst Canadiens, threw 77 shots at goalie Peters in Rangers nets. A big third period scoring spurge gained six of their 11 goals and Peters' sensational playing turned aside at least as many almost certain counters.

#### TWO RANGER REGULARS OUT

Rangers, who won their Prince Edward Island title when Charlottetown Abegweits were disqualified for playing a man over age held their own in the initial period but St. Pats began to ride through their defence in the second. At that Rangers finished the game without two regulars, Jay and McEachern. The former took ill on the way to Amherst and did not start the game while McEachern was injured in the second period.

Wallie MacCallum scored the first St. Pats goal at 2:00 but Rangers tied it up after the midway mark, Worth and Whitlock working a pretty, short passing but that the former shot in. Estabrooks gave St. Pats a lead never again threatened at 18:50 on a solo rush.

#### FOUGHT DESPERATELY

Rangers, fighting desperately, held the favored Amherst team off until more than half the second period had gone. Estabrooks got his second unassisted tally at the minute mark and MacCallum followed two minutes later with another. Bob Copp's shot through a maze of players just before the period ended gave Amherst a 5-1 lead.

Rangers came back with their second and final goal at 3:30 of the third period, Worth getting the counter on a pass from Whitlock. From then on, St. Pats raced all most at will through a tired but game Charlottetown team.

Lowther slipped one home at 6:30 on an assist from Carl Ripley. Frank Ripley scored another three minutes later and Estabrooks followed with their eighth goal when he picked up Copp's pass. Copp, Neal and Estabrooks, St. Pats second line, clicked perfectly to ring up three more before the period ended, Copp getting one and Neal two after passing bouts with teammates.

### Cowley Still Top Scoring Down Easter

(CP. By Guardian's Special Wire) MONTREAL, March 15—The last week of the National Hockey League schedule finds the battle for the Maritimes scoring championship wide open with any one of four players in position to end on top.

Though out of action most of the week, Bill Cowley of Boston held his first place spot with 31 points, but right behind him came Montreal's Gordie Drillon, now starring for Toronto, with 30, Eddie Wiseman of New York Americans with 29, and Cowley's team-mate Ray Getliffe, with 28.

For the second week in succession Wiseman, a Newcastle boy, made the biggest gain. He had five points during the week, three goals and two assists. Getliffe, former Saint John Beaver, added three points and Drillon one. Cowley, once with Halifax Wolverines, went scoreless. Joe Lamb of Sussex, showing improvement as the season wanes, was another big gainer with three points. The New York Amerk now has 10.

### Suspend Winner And Jockey

LINCOLN, England, March 15—(CP. Cable)—Stewards disqualified D. Crossman's Parkin today when the colt won the Canwick Maiden Plate, one of the features of the opening of the 1937 flat racing season.

The stewards acted of their own free will, which is most unusual procedure, and then proceeded to suspend jockey Sammy Wragg for the remainder of the meeting, which means Wragg will be unable to ride the quietly fancied Bone in the Lincolnshire handicap, first of the season's important races, on Wednesday.

It was understood the stewards attributed the falling of two horses during the race to Wragg's riding. The jockeys of the fallen horses were thrown but were unhurt.

The P. W. C. squad took a 3-2 lead in the opening period, outscored their opponents two-one in the second session and held the Saints to one goal in the final frame for victory.

The draw will be resumed tomorrow morning with 10 residual cash prizes of \$31,000 each and 1,600 other awards of \$500 each awaiting holders of the lucky tickets.

Canadians held three tickets on favorites. "Optimist" drew Golden Miller, the 9-1 favorite. "A Straight" drew Royal Mail and "Lucky Nuts" came up with Ego. Ego and Royal Mail are joint second favorites.

Twenty-six of the Canadians drew horses already scratched. They are assured of \$3,070. The remainder have a chance of winning \$150,000 for first place, \$75,000 for second and \$50,000 for third. In any event they will receive \$3,070, making the minimum to Canada \$199,550.

### Three Scorers Blanketed For N. H. L. Leadership

#### Sport Forum

##### AN OPEN LETTER TO THE SPORTING PUBLIC

Sir,—After operating at considerable expense in the City Hockey League and advancing to the play downs and fully expecting some financial help from gate receipts the L. P. U. Hockey Team received nothing and found themselves facing a considerable deficit.

From the first we had to pay for the rink for all league games played as well as for practices. After winning the City League Championship the Forum officials offered the following—the first \$25.00 to go to the Forum, 10 per cent of the gross gate to the M. A. H. A. and the remainder was to be split 50-50 with however the L. P. U. paying \$5.00 for the band, \$10 for the two referees and also paying for advertising and printing of tickets.

With a gross gate of \$85.00 the Union found themselves enriched by about \$40.00.

The last game between Junior Abbes and Rangers grossed \$185.00 and the teams made \$32.00 each clear money towards their clubs.

This \$9.40 cents was to go towards the previous trip to Montague costing \$37.00 and also to defray the expenses of the proposed trip to Victoria which cost \$33.50. These trips involving the moving and feeding of a complete hockey team at this season is very reasonable.

On completion of the first game in Victoria we were offered a \$50.00 guarantee with all expenses to play the second game in Victoria, however we felt that we owed something to our loyal supporters in Charlottetown and half-expecting a little better consideration, from the Forum officials we elected to play the second game here with the result that we received nothing.

If we won the game, we were to'd we would get the same consideration we received for our Montague game \$9.40 cents?

Now Sport Fans as you all know the L. P. U. Hockey Team is not a white collared aggregation. Of the fifteen in the squad, 2 are working and it was humanly impossible in the event of our winning to finance a trip to Pictou facing a \$70.00 deficit, not counting the cost of equipment which is a large item for any hockey team going through towards a championship.

Facing these disadvantages it is any wonder that all branches of sport in Charlottetown are steadily on the decline.

A new deal is necessary for all up and coming athletes that they be given support and encouragement if Charlottetown is ever again to regain its lost laurels in Maritime Sportedom.

### Tommy Farr Wins British Heavy Title

(A. P. by Guardian's Special Wire) LONDON, March 15—Tommy Farr, clever, cool-headed Welshman, outboxed Ben Foord, wild-swinging South African, in a slow 15-round bout at Harringay tonight and won the British Empire heavyweight championship.

With the victory went the right for Farr to battle Max Baer, former world's heavyweight champion, here April 15 in the second of a series of elimination bouts leading to a match for the ultimate survivor with Joe Louis, Detroit's brown bomber.

Farr clearly outpointed Foord whose face was a bloody smear at the finish.

There was a shadow of a log deep down in the amber-coloured water. Do you remember? And he took it!—The Big One under there! Geel What a strain for a light roll... And at last—you GOT him!

Do you remember how pleased you were—and how you pulled out your pipe and filled it with fresh, fragrant Old Chum before you did another thing? Boy, oh boy!
