At the regular meeting of the Summerside Town Council held Monday evening W. A. Cunningham, engineer at the Electric Light Station, was appointed engineer of the steam fire engine Beaver, and Thos. Bishop was appointed as assistant. Councilor Morris gave notice that at next regular meeting he would make a motion to have the lower part of Market Hall heated by a hot air system. A new sidewalk was ordered to be built on the south side of Convent street from Summer street to the Convent, and it was decided to reconsider a motion made at a former meeting to build a sidewalk on Notre Dame St. from Northumberland St. to the western town limits. The Council informally discussed the matter of a letter published in one of our town newspapers relative to boys making disturbances in Market Hall during entertainments, and also the matter of dilatoriness in the collection of C. T. A. fines. As usual the Board deliberated for some time on the matter of improvements to streets.

### Fall Goods Have Arrived.

Drops and examine the lovely patterns and excellent grades. No clothes or earth crowds so much value in suits at the prices as we do in ours. We use better linings and better trimmings—give the greatest care to the small details—and we get results which are only to be seen in custom-tailored productions. That is why our business is growing and we have so many pleased customers.

# Fresh From the World's Fashion Centres

Where the brightest brains and nimblest fingers have been at work come our NEW FALL JACKETS for Ladies and Children. We have'tnt been saying very much about them up to the present, because we had so many nice new things to tell you of, in this small space, that we couldn't find room, but if we have'tnt the Ladies—(bless their hearts—or their tongues) have been doing it for us, so that it is now a pretty well known fact that, for quality, style, fit and price, ours take the palm. We could take two ciphers and put any figure from 1 to 9 before them to convey the number of jackets in stock, but we do not mean to build up our jacket trade at the expense of our veracity, but rather on our veracity itself. The simple fact remains, the jackets are here, hundreds of them, and to any lady who can honestly say, she has seen a prettier, more stylish or more moderate priced assortment in Charlottetown we will give a jacket free—and we do not figure on having to bestow many either. We invite comparisons, as we know they will prove complimentary to our stock.

A radical change in styles, is one of the features to be noted in the jackets this season, and withal the styles are so varied, that each individual taste can be gratified, and you can choose a loose, a semi-fitted or a fitted coat and still be in accord with Dame Fashion. However, almost all kinds show shoulder capes of some design. We specify just a few:

- Nice grey Freize, velvet collar, \$5.50
- Grey Freize, strapped with silk, semi-fitted, fancy cape, \$6.75
- Handsome fawn coat, fancy cape collar, self strapping, gilt buttons, \$11.25
- Very handsome coat, strapped with satin, fancy bretelles over camels hair effect, red plush collar and cuffs, very nobby, \$14.25
- Navy coat, trimmed with gold and black braid, fitted, \$16.75
- Navy military Coat, lined with satin, gilt buttons, \$19.25
- Beautiful fawn Military Coat, collar and cuffs inlaid with velvet, satin lined, \$20.00

and so on. But if you really want to see the latest coats with the last lingering touches of Dame Fashion on them, come in and let us show you ours.
