Start Working for Your Favorite Candidate Today

This is a direct signal for you to immediately start working for your favorite candidate, the results depend as much on your ability as a worker as on the candidates themselves.

Pick out your favorite candidate and you'll be rewarded for any effort you make by seeing the name going higher and higher on the honor roll.

Candidates should take this chance to organize their forces. The race has just started and no one knows who'll win out. Get your friends and acquaintances to organize and club together, so that all votes will be credited to you. Do not let a chance slip to add to your score and you'll see your name passing all others rivals and have a clear field to breast the tape—a winner.

All intending candidates should send in their nominations promptly as the first standing will appear next week, so that they can make a good showing on the appearance of the first score.

MAYOR OR ROME REPLIES.

MONTREAL, Nov. 8.—Mayor Nathan of Rome, has promptly sent a reply to the Montreal City Council in response to a recent vote of censure on account of his speech against the Pope. Mayor Nathan strongly repudiates the charge that he insulted religion and has been guilty of blasphemy, and declares that his criticisms do not effect the facts but "Treat of a Political Organization waging war in Faith's name against my country, striving to undermine Italian unity, to repress and condemn liberty of conscience, power of research, modern science and civil progress."

LIQUID CURES ECZEMA WHERE SALVES FAIL

In regard to skin diseases, medical authorities are now agreed on this: Don't imprison the disease germs in your skin by the use of greasy salves, and thus encourage them to multiply. A true cure of all eczematous diseases can be brought about only by using the healing agents in the form of a liquid WASH THE GERMS OUT.

A simple wash: A compound of Oil of Wintergreen, Thymol, and other ingredients as combined in the D. D. Prescription. This penetrates to the disease germs and destroys them, then soothes and heals the skin as nothing else has ever done. A trial bottle will start the cure, and give you instant relief. Write for it today to the D. D. Laboratories Dept. C. G., 49 Colborne St., Toronto.

HORSE NOTES OF LOCAL INTEREST

And now there are 56 new 210 trotters for 1910.

Five yearling trotters entered the standard list in 1910 also two others taking records of 2.30 1/4.

If Brazilian 2.19 could be resurrected he would be an excellent money making proposition for years to come.

Sonoma Girl 2.04 1/4 has gone lame.

To date there is two two-minute trotting geldings and one mare, the Harvester 2.01 nodded his head and remarked "I'll be with you next year."

Mamie P., and Queen Marie are said to be wintering well at the Tunnel Track.

Brazilian filleys which have good dams and can step some are in good demand, there should be an odd one on the Island.

General Watts 206 1/2 at three years stepped a mile for Mike Bowerman recently in 2.08 1/4 last quarter in the sensational time of 28 1/2 seconds. Watts has just finished a heavy stud season and untrained. Should be returned to the turf next year Ed Geers will not require to carry a running mate to accompany the Harvester as was the case in 1910.

The American Horse Breeder speaking of Achilles the Great (2) 230 that holds the Maritime record for that age is of the opinion that the blood of Miss Russell and that of her son Nutwood 2.18 1/4 are largely responsible for so great a feat. On the Island we see strong evidence of Nutwood's good qualities through his son Preceptor. Brazilian nicked well with Preceptor mares as for instance Dr Johnston's great trotter, Baby Logan by Brazilian, had for a first dam Preceptor mare. Provider by Preceptor possessed sensational speed and his top left excellent brood mares behind him, such as Carrie Nation dam of Israel Tarte 2.25 at 4 years and many others.

Charlottetown can certainly boast of well bred and fashionable trotting stallions viz Princeton Kalol, Oakley Baron, George Cresus, Commodore Ledyard and Aquiri. If "Jack" would don that yellow coat we think Aquiri can step right up with the bunch. Leave your measure early Johnny and get stepping in high society. Good Luck to you.

THE Royalty HAT

"The Home of Good Hats"

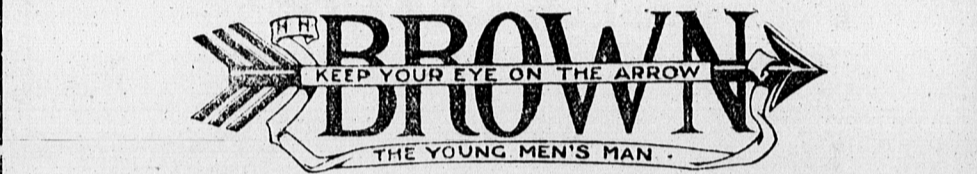

A Chat on Hats

DON'T BE CONTENT WITH A HAND out hat—lots of stores sell hats—many different kinds of hats too. If you are not particular about appearance they're all right. But after all what's the use—when you buy a hat it doesn't cost one cent more to select a fashionable hat—especially when you buy here.

Selling hats is a hobby with us—we've studied all the little points that others have overlooked and as a consequence this store is recognized as "The Home of Good Hats."

When you ask for a hat here, you enlist our assistance, and we go about pleasing you as if you were the only customer we had. We consider your height, features, complexion, and then hunt until we get a hat that will suit you—not only in size but right down to the smallest detail that characterizes scientific hat selling.

Now this service don't have to cost you one cent more than the "dished out idea." When you buy once we book you for a permanent customer—when we buy we have you in mind and as a consequence the greatest hat department in the province is becoming greater.

more fair and impartial to all. Quite a few young ladies who are thinking of sending in their names will be sorry for their tardiness as we are sure they would get a big vote. Next week some will ask why isn't Miss So and So in the race? We can only say that the girls nominate themselves or their friends do so for them. We have nothing to do with it. The Guardian has no choice as to who will win the tours. Every contestant will get a square deal and a fair count.

If there is anything you do not understand come to the Guardian office, ask for the contest manager and he will be glad to explain it all and help you get started. If you can't come personally telephone or write. We cannot urge enough on every eligible lady to grasp this opportunity of securing a tour which is at one time an exquisite pleasure and extensive education. The prizes are good enough for anybody to enter the contest. Don't let anybody tell you that she will be lowering her dignity by entering a contest of this kind; nobody is handing you any money by helping you out in this contest, every body receives full value for whatever they contribute to your success and everyone will admire you for your pluck and business ability if you make a good showing. Therefore, anybody who would appreciate a tour of this kind is advised to send in their name right now, this does not obligate her to anything, and gives her at least a chance to get full particulars regarding this great contest. The Guardian has no favorites, one

girl's chances are as good as another's. Salesladies, stenographers, society buds, milliners, telephone girls, school teachers, girls who do nothing but just look nice and girls who are handsome and hustlers too, and girls who help mothers at home, girls of financial prestige, the girls who are not so fortunately endowed with worldly goods, the favorite candidate of lodges and societies, the popular young lady of the different churches, all are welcome, and the trip to Bermuda is the prize at the end of this friendly contest—Beautiful Bermuda—the garden spot of the world, the grandest tour a girl could ask for. Don't be faint hearted. Go in and win. As the winners bid adieu to the admiring friends at their departure, it will mark the beginning of a journey never to be forgotten by the lucky winners. Why don't you call in or phone or write to the Contest Manager? Reach out and grasp the opportunity to be one of The Guardian party. Let us have your nomination and applications now.

Our beautiful district prizes which will be awarded to the contestants polling the highest number of votes in each district (one piano for each district) after the tours have been awarded, are on exhibition at the following places and the contestants and their friends are earnestly requested to call in at any of the named places and inspect the magnificent prizes which are awaiting your approval: The "Willis" Pianos will be seen at A. E. Toombs, Queen St., and Montague Furnishing Co., Montague, and the "Mendelshon" Piano at Miller Bros., Kent St.

Without doubt there will be a number of contestants in the contest territory who will not find it convenient to visit the office during the day. To accommodate these the Contest Department will be open each evening

Do Away With Home Washing

Have you ever lost patience over the disorderly appearance of the home on wash day? Have you ever lost your appetite from the odor of boiling soap and clothes? Do you like walking out in the dirty, muddy yard to hang up the clothes, with bare arms, whilst the cold wind blows around you?

If you don't, why not send your washing to us. We can do it better, quicker and cheaper than you can and remove all trouble and worry besides. Phone 175 for our wagon.
