Dr. Taylor's phonograph was very entertaining, while the operatic songs of Mrs. Matheson who is visiting friends on the Island were greatly appreciated. Mr. Grant, teacher of St. Peter's Road School gave some humorous readings. Pie and ice cream made from cream generously contributed by the farmers was particularly good.

YACHT RACE.—On Wednesday last a Yacht Race between the two boats Clown, owned by Taylor Bro. and Dialetris owned by D. N. Taylor, took place. As this was a challenge race and the boats being about equal, great interest was taken by the many spectators who assembled at the starting point. The course, which was twelve miles, started from Nine Mile Creek wharf to the Bell Buoy and return. At 11.30 the boats were started, Dialetris slightly in the lead. So closely were the boats matched that there was no perceptible change of position from start to finish. The course was run in 2 1/2 hours, the Dialetris finishing 20 minutes ahead of her worthy rival. The purse was \$50.00.

Much interest is being centred in the Exhibition Races at Halifax this year. Since the construction of the track in 1897, and the race meet in connection with the Exhibition of that year, the horsemen of the Maritime Provinces have looked forward to the fall races at Halifax, as the big meeting to which all others are secondary. Whatever may be done in the way of clipping records at the smaller meetings, it is expected that at Halifax they will go one lower. The track is in better shape this year than ever before and the aggregate purse is the largest offered to date, in the Maritime Provinces. \$3000 is offered for Trotters and Pacers, as follows: Free-for-all Trot, Wednesday, Sept. 10th \$300.00

Hot Weather Ailments. More Little Ones Die During Hot Weather Months than at Any Other Season.

It is a lamentable fact that thousands of little ones die from hot weather ailments, whose lives might be spared if mothers had at hand the proper remedy to administer promptly. Hot weather ailments come suddenly, and unless promptly treated, a precious little life may be lost in a few hours. Baby's Own Tablets promptly check and cure diarrhoea, stomach trouble, cholera infantum and other hot weather ailments. They also give relief to teething troubles, and prevent the ailments that come at this period. Every prudent mother should keep a box of Baby's Own Tablets in the house at all times. No other medicine acts so promptly and so surely, and the Tablets are guaranteed to contain no opiate or opiate or harmful drug. They always do good and cannot possibly do harm, and crushed to a powder you can give them to the smallest, sickliest infant. Mrs. Geo. Feole, St. Thomas, Ont., says: "My baby was troubled with diarrhoea and was very cross and restless, and got so little sleep I hardly knew what to do with her. I got a box of Baby's Own Tablets and after giving her some her bowels became regular and she could sleep well. I think the tablets a splendid medicine. You can get the Tablets at any drug store or by mail post paid at 25 cents a box by writing to the Dr. Williams' Medicine Co., Brockville, Ont., or Schenectady N. Y."
