THE CHARLOTTETOWN GUARDIAN

TUESDAY MORNING JUNE 26, 1906.

"THE ASSYRIAN CAME DOWN LIKE THE WOLF ON THE FOLD."

The question of patronage is a difficult and troublesome one for those who have it in charge. There are many applicants and few vacancies. That is a matter within the common knowledge of all. But "Fair Play", writes The Guardian of a new and extraordinary competition. An Assyrian is now employed, he says, as news agent on the P. E. I. Railway and has the promise of being made brakeman when next vacancy occurs. Fair Play says this man has been put on the road and promised promotion by a defeated candidate for federal election, who has the disposal of patronage in such matters. He intimates that the Assyrian vote has hitherto gone Conservative and that this appointment is being promised with a view to capture that vote for said candidate. Beyond what is contained in Fair Play's letter The Guardian knows nothing of the facts but we are very strongly of opinion that young men born on the Island should have the preference for appointments on the railway. Old time natives and suppporters of the party will not submit very cheerfully to have their sons forced to wait while Asiatics are appointed to office over their heads.

DEPUTY BUTLER COMING.

Mr. Butler, the capable and efficient Deputy Minister of Railways, has written Mr. Hughes, M. P. that he will visit this Province shortly after prorogation and will look carefully into the matter of a second, or express train on the railway from Charlottetown to Murray Harbor. When he comes he would like to meet a few of the business men of Charlottetown, Summerside and Sonris, to discuss this and other matters that are in need of readjustment. It is pointed out that it would facilitate matters if those having representations to make would put them in writing in brief and concise shape for Mr. Butler to refer to afterwards, if necessary.

We are glad that Mr. Butler is coming and trust that good may come of his visit. Our people are not unreasonable. They would like to see the railway pay its way and the deficits becomes things of the past, but they also believe that by providing accommodation for the people is the best way to satisfy the people, popularise the road and make it pay. They naturally think that the policy pursued by many railway companies of providing every accommodation for travel would be found a good plan for the Government Railway as well.

An eminent French scientist has discovered that baldness is more common among intellectual persons than among those who do but little thinking. Every man whose hirsute thatch is thin at the top will endorse the scientist's wisdom.

It has been thousands of years since the prophet Ezekiel complained of those that "daubed with untempered mortar," but the world still suffers from that sort of thing. Bad mortar, according to the Japanese expert, was the cause of half the ruin wrought in San Francisco by the earthquake. Bad mortar was the cause of the downfall of the Laurier tower at Ottawa, without any earthquake.

To Cleanse and Purify the Blood

AND INVIGORATE THE ACTION OF LIVER, KIDNEYS AND BOWELS YOU MUST USE

DR. CHASE'S KIDNEY-LIVER PILLS.

In calling your attention to Dr. Chase's Kidney Liver Pills it is only necessary to point to their success in the past, far they are known in nearly every home.

By means of their direct and specific action on the liver—causing a healthful flow of bile—they regulate and enliven the action of the bowels and insure good digestion in the intestines. At the same time they stimulate the kidneys in their work of filtering poisons from the blood.

This cleansing process set in action by Dr. Chase's Kidney Liver-Pills means a thorough cure of biliousness intestinal indigestion, torpid liver, kidney derangements and constipation.

It means a restoration of health, strength and comfort where there have been pain, weakness and suffering. It means a removal of the conditions which lead to backache, rheumatism, lumbago, Bright's disease, appendicitis and diabetes.

Mr. Wm. G. Purdy, Bridgetown, N. S., writes:—"When I wrote to you for Dr. Chase's Kidney Liver Pills I was a sufferer from kidney disease, stomach trouble and liver and bowel disorders. By using one pill at bed time every night my health has gradually improved until I can say that I am in better health than I have been for twenty five years. All other medicines failed but Dr. Chase's Kidney Liver Pills have cured me."

Captain John T. Theiro, Meteghan River, Digby Co., N. S., writes:—"I have used Dr. Chase's Kidney Liver Pills to keep the bowels regular and as a cure for kidney trouble and can recommend them most highly.

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, at all dealers or Edmanson Bates & Co., Toronto.

FOR BETTER ROADS.

Elsewhere in this issue an account is given of Hon. J. H. Cummiskey's visit to Ontario in the interest of the road service. In no part of Canada has the science of road making been so far developed as in Ontario, and it seems a good plan for the Chief Commissioner to go thither and learn the latest improvements at first hand. Among these late improvements is the concrete tile pipe culvert. He has secured moulds for producing these and a full knowledge of the materials and methods of manufacturing.

There are many thousands of road culverts in this Province, nearly all made of wood, and a very large proportion of them requiring renewal, or extensive repairs every spring. It will be quite a new industry to make concrete culverts at home, giving employment to native labor, and at the same time giving better roads, with greatly diminished cost of repairs from year to year. As in the matter of steel bridges, so in the substitution of concrete for wood in culverts, we believe the change to permanent structures will prove decidedly advantageous and economical. The Guardian heartily commends the Commissioner's enterprise.

The Charlottetown jail, which serves for all Queen's County, is empty now. Can any other provincial capital in Canada claim as much? Score one for prohibition.

PAINS

FOR SOCIETY FOLK

People of fashion do things sometimes that cause pains in the stomach and aches in the kidneys. Hard work and hard pleasure have pretty nearly the same results. A sour stomach, a bad breath and pains about the heart and head are caused by gasses from the stomach Hutch cures them quickly. You take one when you feel badly. Three at night to move the bowels next morning, then one after each meal and your trouble will go away. It is nature's own remedy for pain.

They are chocolate coated and contain nothing that is injurious. There is nothing like Hutch in the world. It's a doctor for ten cents. At your druggists. For sale by all druggists.

TRADE AND SHIPPING.
