## LOOKING 'EM OVER

**Sharkey-Schmeling**  
Tomorrow night the heavyweight boxing title, which has been a matter of considerable debate and much discussion ever since Schmeling was awarded it on a foul in his fight with Jack Sharkey will be definitely decided. In that first engagement Sharkey, according to press reports, was naving everything his own way until he hit the German low and removed himself from the picture.

Since that time the records of both fighters offer little that leads fans to a conclusion about the coming battle. Schmeling easily beat Young Stribling, over whom Sharkey had difficulty winning a decision, but the Boston Gob disposed of the huge hulk of Carnera in a decidedly impressive manner.

The sailor has been going about his training in a manner in which he never approached it before. He has been unmerciful in the way that he has treated his sparring partners and has left nothing undone in his road work. If reports can be believed he thinks more of defeating Schmeling than the purse at stake and if that is true the foreigner is in for one tough evening, durable as he may be.

**New Ball Records**  
The Yankees and the Athletics are making brave attempts to set new records in the American League, both in the batting and fielding divisions. Two great individual competitions lie between "Lefty" Grove of the A's and Gomez of the Yanks. So far Gomez, the Yankees' 22-year-old left hander, has won 12 victories and suffered one defeat while Grove, last year halled king of the southpaws because he won 31 games, has sustained only four losses while winning 12 triumphs. Gomez only began to come into his own in 1931 when he finished the campaign with 21 victories and nine upsets. At the rate he is now travelling, the youthful Californian may finish higher in the racing than Grove.

The struggle between Foxx and Babe Ruth for batting honors is occupying the attention of the fans. To date the youthful Foxx, who is but 25 years of age, has cracked out the same number of home runs, while Ruth is next in line with 21. Weight and height are on the side of the famed Ruth, but the zest of ambition burns more keenly in the breast of the aspiring Foxx. Who will win the verdict cannot yet be prophesied, but the majority of the baseball fans will be pulling for the great George Herman.

## BOUT IS NOT EXPECTED TO GO THE LIMIT

**Sharkey And Schmeling Reported In Perfect Condition For World Championship Fight.**

(By Herbert W. Barker, Associated Press Sports Writer)

NEW YORK, June 19 — Max Schmeling defends his heavyweight championship against Jack Sharkey in Madison Square Garden's new outdoor arena on Long Island Tuesday night in a 15 round match that renews a fistic feud of two years' standing.

Schmeling, who won their first meeting, back in 1930 on a foul and with it the heavyweight title is a slight favorite in the light betting so far reported. Current quotations of 6 to 5 place the rugged German in the long end. While some experts predicted a "gate" of probably less than \$300,000, William F. Carey, President of the Garden, insisted his estimate of a gross of \$400,000 would not be far out of the way. He said the Garden already had \$125,000 cash in hand and that much more in reservations. Even should receipts be no more than \$100,000, the Garden still would break even, he declared. Estimates of the probable attendance varied from 40,000 to 60,000. The new stadium, built in six weeks, will seat just short of 72,000 persons.

The fighters themselves have paid little or no attention to the controversy over receipts. Sharkey, as a matter of fact is not much concerned over that angle. His share, 10 per cent, will hardly cover training expenses under any circumstances.

If newspaper critics and Garden officials cannot get together over the probable receipts, they are in agreement that both Schmeling and Sharkey are in prime condition for the big test. Sharkey gave Der Maxie a bad beating for nearly four rounds of their first meeting but the Boston "Tar" will find the Teuton a vastly improved fighter this time. Schmeling has made amazing strides in boxing ability and punching power in the last two years. He demonstrated that beyond a question of a doubt when he battered down Young Stribling in the 15th and last round of their championship match in Cleveland a year ago. That was the first time the Georgian ever had been stopped. And Max has learned many a boxing lesson since then. No longer is he so easy to hit; no longer is he a strictly one-hand fighter. He has learned defense and he has learned how to use his left offensively.

Sharkey, at 26, apparently is in the best condition of his career. A superb boxer and a damaging puncher with either hand, Sharkey's inconsistent performances have been an inexplicable mystery. Time and again he has fought his way to

## RECORDS GO BY BOARD

**CAMBRIDGE, Mass., June 19**—Two world records were broken, two more were equalled, a pair of United States marks fell and four Olympic record performances were bettered during the American Olympic committee's semi-final track and field tryouts which closed Saturday at the Harvard Stadium.

Leo J. Sexton, New York A. C. shotputter, had a winning toss that measured 52 feet 8 1/2 inches, one and an eighth inches better than the world record set by E. Hirschfeld of Germany in 1928. The other international mark was established by George Lermond, Sexton's team mate, in the 3,000 metre steeplechase. Lermond ran and jumped the distance in 9 minutes, 8.4 seconds, which shaded the Olympic record of T. A. Loukila, Finland, generally accepted as the world mark, by almost 13 seconds.

Tom McDonigh of the Boston A. A. bettered the U. S. record for the 10,000 metres and Gene Venke of the New York A. C. erased Jay Conger's four year old domestic mark for the 1,500 metres race.

The Olympic events to be improved were: John Waybright's 21.3 final in the 200 metres; J. F. Healey's 53 second victory in the 400 metres hurdles; John F. Anderson's heave of 163 feet, 5 1/2 inches with the discus, and Keith Brown's 13 feet 10 inches vault in the pole competition.

Emmett Toppino, the New Orleans flash, matched the world's best figures for the 100 metres dash with his winning time of 10.4 seconds and Percy Beard of the New York A. A. won the 110 metre hurdles in 14.4 seconds, to match the mark set by E. Wennstrom of Sweden, three years ago.

## AN OUTSIDER AGAIN TURNS THE TABLES

**CHICAGO, June 18** — (A. P.) — Gusto, an outsider, won the \$50,000 added American derby today, beating Osculator the favorite, by two lengths, with Prince Holspur third at Washington Park.

Gusto, a grandson of Man-o-war, ridden by jockey S. Coucci, nipped Osculator in a sensational finish as the field of eleven thoroughbreds charged to the wire. Gusto is owned by M. L. Schwartz of New York.

The winner ran the mile and a quarter over a heavy, holding the top only to muff his best opportunities through an uncontrollable hysteria or sheer indifference. He was out, in front, all by himself, when he fouled Schmeling into the title two years ago. That famous episode resulted in the New York State Athletic commission's "no foul" rule. Low punches, now, simply cost the guilty boxer the round in which the foul occurred.

Most fistic followers expect the bout to go the full 15 rounds for both Sharkey and Schmeling have demonstrated their ability to "take it." Both have been knocked out twice, however, Schmeling by Larry Gains in 1925 and by Gypsy Daniels in 1928; Sharkey by Romero Rojas in 1924 and Jack Dempsey in 1927.

Tuesday's main bout is to begin about 8.50 or 9 p. m.

On the supporting card to the title bout will be Charlie Belanger, light heavyweight champion of Canada. The Winnipeg battler will meet Jack McCarthy of Boston over the five round route.

## GIANTS SUFFER 2ND SHUTOUT

**NEW YORK, June 19**—Tex Carleton won his first big league game today, holding the Giants to two hits to give the St. Louis Cardinals a 7 to 0 victory. It was the second straight shutout for the Giants who had scored in every game before yesterday. Jim Bottomley, out since April 30, celebrated his return to the regular lineup by hitting two homers and a single and driving in four runs. Gus Mancuso's homer with two on in the second accounted for the rest.

Cinci Trounes Braves  
St Johnson held the Braves to five hits as Cincinnati shut out Boston, 5 to 0, in a series opener at Boston. Catcher Bob Asby's Concord, Mass., friends presented him a check for \$1,000 and Bob obliged with a home run to score the first run of the game. Grantham also hit for the circuit with one or base.

Pirates Now In Third Place  
The Pittsburgh Pirates turned back Brooklyn's threat to snatch third place in the National League standing when they came from behind to win a thrilling pitching duel between Heinie Meine and Watson Clark, 2 to 1 at Brooklyn. Meine gave only five hits in the seven innings he worked, going out for a pinch hitter when the Pirates rallied to score both their runs in the eighth. Bill Swift finished the contest in fine style. Clark granted nine blows, three of them in Pittsburgh's big inning. Clark received spectacular support in the field but lost through his own weakness and clean Pirate hitting.

## Wins Free-For-All At Glace Bay

**GLACE BAY, N. S., June 19**—(By the Canadian Press)—Hell Frisco, 2:03 1/4, a pacer bought by Charlie Ballard of North Sydney at the Old Glory Sale in New York last November, yesterday won the free-for-all in three straight heats on the Black Diamond track. It was a great comeback for Frisco after a poor showing in his first Canadian start at North Sydney on Victoria Day. He did the first mile in 2:13.

Trampsmug finished second, Lambert Todd third. Aaron A. won the 2:21 trot, Waltz the 2:24 pace and Katie Aubrey the green race.

**CLEVELAND, June 19**—John "Shano" Collins resigned as manager of the tall-end Boston Red Sox and President Bob Quinn immediately announced Marty Manus, second baseman, would succeed him.

## Bettors Mark Of Paavo Nurmi

**HELSINKI, Finland, June 19**—(A.P.)—Lauri Lehtinen, 23 year-old Finnish distance ace, bettered Paavo Nurmi's world records for the 5,000 metres and three miles in the Olympic trials here today.

Lehtinen, chief hope of Finland for the 5,000 and 10,000 metres championships in the Olympic Games at Los Angeles this summer, was clocked in 14 minutes, 16.9 seconds for the 5,000 metres, compared with Nurmi's listed mark of 14:28.2 set in 1924. At three miles, Lehtinen was timed in 13:50.6, compared with Nurmi's outdoor record of 14:11.2, set in 1923.
