ARMISTICE DAY

Sir.—Soon Armistice Day will remind us all of the cessation of slaughter in the World War. While it does not necessarily require any special day or event, to keep that terrible nightmare of brutality vividly in our mind, yet, the day on which a truce was declared, with its subsequent peace treaty, brings more forcibly to our memory, that eventful day.

Nine years ago, at this time of year, the news from the battle front was filled with expectancy and anxiety. One was almost afraid to read the papers or answer the door bell, or telephone, lest the message be one of injury or death of a loved one on the battle front.

Now, after a decade, we are no longer fearful of any such message. The full story has been told. The wounds of death have been partially healed. The broken hearts and saddened souls are lighter with time and erased memories. Bands will play, speeches will be made, soldiers will parade, guns will boom, flags will fly: All will be truly fitting and proper. But back of it all will be the terrible tragedy of mankind. Back of it all will be the wounds of separation, injury, death and tender memories.

Children longing for a missing father; wives recalling lost husbands; fathers and mothers mourning lost sons; sisters weeping for lost and loved brothers; brothers recalling past incidents and memories of their departed kin.

While this will mark the living, what shall mark the dead? O! How can this question be answered without the immortal words of the immortal Lieut.-Colonel, John R. MacRae, of Toronto, who so eloquently said:

"In Flanders Fields where poppies blow,
Between the crosses, row on row—
They mark our place.
The lark still singing, bravely flies
Scarce heard above the guns below,
We are the dead.
Short days ago—we lived—felt
dawn—saw sunset's glow,
Loved and were loved, but now we lie
In Flanders Fields.
Take up our quarrel with the foe,
To you, from falling hands we throw
the torch—
Be yours to hold it high.
If ye break faith, with us who died,
We shall not sleep, though poppies grow—
In Flanders Fields.

To attempt to add to this would be sacrilegious and treason against human nature and our noble dead, whose spirits ride on the wings of glory, through the starry realms of immortality, headed by the trumpets of victory and undying fame.

Mr. Claude Bearisto, Boston, Mass is spending his holiday with his parents Mr. and Mrs. Daniel Bearisto, Malpeque.

Mr. Howard Court, Inspector of Schools, was a visitor here on Monday.

The Halloween Party under the auspices of the Malpeque Women's Institute was held in the Institute room on Tuesday evening. This social evening is now an annual occurrence and the intercourse thus enjoyed by the members and their families is looked forward to with much pleasure.

The room, with its Halloween decorations, presented a cheerful appearance. The company was divided into groups and each was assigned some special sport. Mr. Charles Woodside followed with violin selections accompanied on the organ, first by Miss Elizabeth Bearisto and later by Miss Annie Champion. The members and their friends enjoyed several hours of dancing. Later lunch was served and the meeting was closed by the singing of the National Anthem.

The entertainers, namely: Mrs. Ralph Bearisto, Mrs. Ralph Ramsay, Mrs. L. D. MacNutt, Mrs. Clark Woodside and the Misses Muriel MacNutt and Marjorie Peake afforded the young people an enjoyable evening.

MALPEQUE

A class in music, under the direction of Mrs. Jas. A. Campbell, Burlington, who is also the efficient organist of Princetown United Church was organized in this place during the early summer. The recital in Malpeque Hall on Monday evening was the outcome of the season's training, and Mrs. Campbell and her pupils are to be congratulated on the success of the entertainment.

ment. A large number of parents and friends manifested their interest by their presence.

Rev. D. M. Grant presided and interspersed the announcements of the different numbers with humorous anecdotes, thus adding his part to the interest of the entertainment.

Mrs. Campbell possesses in a marked degree the gift of imparting her knowledge in music to those in training, and it was evident by the manner in which the members of her class acquitted themselves that she had found in them apt scholars.

The vocal selections given by several members of the choir and the readings by Mrs. Clark Woodside and Miss Thelma Woodside all contributed to the success of the programme. A vote of thanks moved by Mr. John Simpson and seconded by Mr. William Woodside was conveyed by the chairman to Mrs. Campbell, her pupils, and to those who so kindly assisted and the approval of the audience was expressed by hearty applause. These tokens of appreciation were appropriately acknowledged by Mrs. Campbell and

New Dirigible For Canada

(Canadian press)
OTTAWA, Oct. 31.—The first of the two huge five million cubic feet Dirigibles now being built in England for use in the plan for Inter-Imperial commercial communication will be completed in about two years, and it is hoped that she will make her maiden trip to Canada. So stated Sir Philip Sassoon, British under-secretary for air, in an interview at Government House with a group of Newspaper correspondents shortly before his departure today for New York. Recently a site was selected at Montreal for the erection of a mooring mast for the landing of Dirigibles in the scheme of Inter-Imperial communication approved at the last Imperial conferences.

Why Hobble Along On Sore Corns?

Don't cut corns with an old razor. Infection followed often by death may result from paring corns with an infected knife. Quick, safe relief comes from using Putnam's Corn Extractor. If afflicted with corns, calluses or sore footlumps, use "Putnam's"—it's reliable and sure to shrivel up the corns so they drop right off. No pain, no soreness, but quick relief from sore corns comes to all who use Putnam's Corn Extractor. 25c at all dealers.

The Navy League's Aims

Is Prince Edward Island interested In a Sea Cadet Corps?
In a School of Navigation?
In the great sport of Yachting?
In having Canadian Ships manned by Canadians?

To Help all to realize how essential a Navy is, and how Honorable a part Canada must take in the Naval Defence of the Empire for the maintenance of World Peace and Freedom, and to convince all Canadians of our vital dependence on the Sea as a Nation, and of the Interdependence of Canadian Industry and Naval Defence.

To have Canadian goods carried on Canadian Railroads, shipped in Canadian Ships manned by Canadian Officers and Men.

Our trade routes being protected by the Navy, the safety of our lives and goods when at sea is thus dependent on the Captain, Officers and Men; therefore, the Navy League raises from a willing and grateful Public contributions for all seamen and their dependents.

The adjourned annual meeting of the P. E. I. Division of the Navy League of Canada will be held in the Navy League Building, Charlottetown, on Tuesday, the 1st November, 1927 at 8 p. m., when Officers will be elected and general business pertaining to the Island Division will be dealt with.

Capt. G. F. Morris, the Dominion Organizer from Headquarters will be in attendance and address the meeting.

It is the desire of both the Dominion and Local Executives that a Sea Cadet Corps be revived in Prince Edward Island. Every Province in Canada today, except Prince Edward Island, has such a Corps and our Island Boys are therefore handicapped to a very considerable extent in entering the Merchant Marine. Each Province, however, is expected to provide sufficient encouragement and support as a result of the enthusiasm engendered by their own citizens, to insure the success of such an organization.

All members of the Navy League, as well as all citizens of our Province who are interested in helping our Boys, who are desirous of following the sea, are very cordially invited to attend and participate in our proceedings.
