JOINS 105TH REGIMENT.—Yesterday the following young men enlisted with the 105th Highland Regiment:-Thomas Buchannan, Charlottetown Royalty; James A. Ahearn Summerside; Jas. H. Boates Charlottetown; Ernest Dickieson Howlain; Charles A. Carr Charlottetown; Ernest A. Carr Charlottetown; Melbourn Crockett, Pleasant Grove.

—RECRUITING MEETINGS.—A series of recruiting meetings will be held Friday evening at Kensington, Spring Valley, Freetown, Emerald, Kinkora and Cape Traverse. A special train will leave Summerside at 5 o'clock taking a number of speakers and soloists and the Band. Excellent programmes have been arranged for all the meetings.—C.

Several votes of thanks were heartily tendered at the annual meeting of the local Driving Club Saturday evening to the Driving Park Association, who so generously gave the club the free use of their track for Matinee races during the summer, Mr. James Arbing the care taker of same, Mr. Wedlock for the use of his rooms for the Club's meetings and The Hon. John Richards. A check for a substantial sum was voted Mr. Arbing for his help during the summer. The Island Bred Stakes were also discussed by the different members, and by request the classes have again been changed, this time to the original 2.30 pace. The 2 yr. old class to be for trotters only, and a 2.40 trot stake for the same amount as the former will be opened the first payment of $2 to be made May 8th. Now that such good purses have been offered the horsemen of the Island, it behooves every one of them to see they are well filled and carried out successfully all those who have made payments in the 2.30 trot which was declared off will be transferred to the new 2.40 stake and the nominators in the 2.30 pace will have their pacing stake all by themselves.

THURSDAY

—HOLY NAME SOCIETY.—The Holy Name Society of St Paul's Church, Summerside, at their last regular meeting took in fifty-six new members, fifty of them being members of the 105th Regiment. After the ceremony the Rev. J. J. McDonald of Kinkora addressed the new members, fully explaining the object of the Society.—X.

SUPREME COURT—In the Supreme Court yesterday before His Lordship the Chief Justice, Sir W. W. Sullivan and a jury, the case was resumed of John Stewart, Fox Co. Ltd., v. Whelan and others, action for recovery of $2562.00 amount of promissory note on interest thereon. At 5 o'clock when the Court adjourned Major John Stewart was on the stand under cross-examination. The case will be resumed this morning at 10.30. Counsel for Plaintiffs Messrs Martin and Bentley, for defendants, Messrs Johnston and Duffy.

—WEDDING BELLS.—A quiet and pretty wedding took place on Wednesday January 5th at the home of Mr. and Mrs. William T. Waite when their eldest daughter Miss Geneva B. was united in marriage to Mr. William R. MacKinnon son of Mr. John D. MacKinnon. The ceremony was performed by Rev. Geo. Sellar in the presence of the immediate relatives of the contracting parties. The bride looked charming in a gown of Copenhagen Pailette silk, while the groom wore tht conventional black. Miss Annie MacKinnon, sister of the groom acted as bridesmaid and Mr. Lester Waite brother of the bride supported the groom. As the young couple are among the most popular residents of the community they have the best wishes of a large circle of friends. Mr. and Mrs. MacKinnon will reside at Locke Road Lot 7. .—com.

—105TH BATTALION.— C. Co. of the 105th Batt. at present billited at Summerside was recruted up to full strength on Monday last and a good start made on the second company. Those who form the strength of C. Co., are a fine orderly crowd of men, mostly young but with a good sprinkling of middle age able bodied men. Those who are in Summerside are evidently very much pleased with the life of a soldier. As a visit to either the drilling grounds during drill hours, or to the pleasant recreation rooms in the Y. M. C. A., building and St. Paul's Hall will fully demonstrate, and when they move into their quarters which will be ready very shortly, they will enjoy every comfort possible. However unpleasant the life in the trenches may be, yet those who are there would not return under any consideration, as is demonstrated by the letters they write home, yet the soldiers life in Summerside has the aspect to a looker on as the only life. The hours of drill are not long, a couple of hours in the morning about the same in the afternoon, then with the exception of the few on guard duty, they are off for the balance of the day and if one visits the rooms mentioned above they will find a jolly crowd gathered there, some writing letters, others reading or enjoying the pleasures of life either in singing, dancing or other amusements, and if those who have any intention of answering the call of their country would spend a day watching the life of a soldier. The writer is sure they would not think of returning home without first enrolling.The officers are jolly, good natured body and their best efforts are given in the welfare of those serving under them.—C.

USE "TIZ" FOR SORE, TIRED, ACHING FEET

NO MORE PUFFED-UP, BURNING, SWEATY, CALLOUSED FEET OR CORNS.

Just take your shoes off and then put those weary, shoe-crinkled, aching, burning, corn-pestered, bunion-tortured feet of yours in a "Tiz" bath. Your toes will wriggle with joy; they'll look up at you and almost talk and then they'll take another dive in that "Tiz" bath.

When your feet feel like lumps of lead—all tired out—just try "Tiz." It's grand—it's glorious. Your feet will dance with joy; also you will find all pain gone from corns, callouses and bunions.

There's nothing like "Tiz." It's the only remedy that draws out all the poisonous exudations which puff up your feet and cause foot torture.

Get a 25 cent box of "Tiz" at any drug or department store—don't wait. Ah! how glad your feet get; how comfortable your shoes feel. You can wear shoes a size smaller if you desire.

—S.D.C. As there is considerable speed in Summerside and vicinity this winter, some interesting racing is looked forward to by the members of the club.—X.

WEDDING BELLS.— A very quiet and pretty wedding took place at the home of Mr. and Mrs. James Lidstone Knutsford, on Wednesday, January the twelfth, when their youngest daughter Miss Winnie May became the happy bride of Mr. Harold Ramsay of th same place. The bride unattended looked charming gowned in blue silk as she entered the room of about sixty guests while Rev. A. G. Sellar pasture of the Methodist Church performed the ceremony after which supper was served in Mrs. Lidstone's best style which left nothing to be desired. The evening was very pleasantly spent in music and dancing and as the night advanced the invited guests began to take their departure thanking Mr. and Mrs. Lidstone for the way they had been entertained. The presents which they were the recipients of showed the high esteem in which they are held. The bride went to her new home the following day and all joined in wishing them a happy wedded life.

HOW FAT FOLKS MAY BECOME THIN

BY ELIZABETH THOMAS.

Perhaps you are suddenly becoming stout, or it may be that you have been putting on weight for years. In either er case the cause is the same—lack of oxygen-carrying power of the blood. This trouble occurs in adults of both sexes and all ages, but it may be overcome very easily and without any of the privations that most people imagine necessary to reduce their weight.

Simply go to your druggist and get some oil of oriline capsules. Take one after each meal and one before going to bed. Weign yourself so as to know just how fast you are losing weight. Wonderful results have been accomplished by this inexpensive recipe, but be sure to get the genuine oil of orilene in capsule form. It is sold only in original sealed packages. Any large druggist can supply you, or a large size box will be sent on receipt of $1.00. Address D. J. Little Drug Co., Box 1240 Montreal, Can.

ICE CONDITIONS.—The cold snap of the past week has formed a considerable thickness of ice and yesterday teams were crossing from above the old Southport Ferry to Charlottetown. Teams are also crossing to the North River but from Rocky Point to Charlottetown only pedestrians have ventured on the ice but no doubt teams will cross safely within a few days.

IN COUNTY COURT. — Another interesting judgment was delivered by His Honor Judge Stewart in the County Court in a case wehere H. Swan was plaintiff and the P. E. I. Telephone Co., defendant. This was an action for damages for cutting ornamental trees growing in the garden of the plaintiff and overhanging the highway where the telephone lines were run. Judgment for the plaintiff. Mackinnon & McNeill counsel for the plaintiff H. J. Palmer, K. C. Gaudet & Haszard counsel for the defendant.

FRIDAY

KINDLY REMEMBERED. — On Monday evening last about twenty of the friends and neighbors of Mrs. George H. M. Carver, of Pownal called at her home to spend a social evening and wish her many happy returns of the day, it being her birthday. They also took the opportunity to present her with a handsome parlor clock which was a pleasant surprise.

WEDDING BELLS.— A very pretty wedding took place early Tuesday morning at the Cathedral, St. John, when Rev. Father Bourgaois united in marriage, Mildred Hughes, daughter of Mr. James F. Hughes, formerly of P. E. I., to Joseph C. Comeau, son of Chas. C. Comeau. The bride looked charming in a travelling suit of blue with white hat. Mr. Walter Rowe was the best man and Mrs. Rowe the matron of honor.

A STRANGE MEETING. — Miss Evelyn Arsenault received last week a letter from her cousin, Augustin, who is at the front. Mr. Arsenault had been on a furlough in England and while there had the honour to attend a grand dinner given in honour of the Canadians. A singular coincidence happened on this occasion, when he happened to meet Ernest Gaudet, whom at first he didn't recognize. Mr. Gaudet then informed him that his (Augustine's) brother Theophilus was in the battalion. Augustin at once requested to have Theophilus brought to him. One might better imagine than describe the pathetic scene that followed when these two brothers who had been separated for about nine years, met so far away and under such touching circumstances. Only for a small scar which Augustin has on his forehead and which he finally displayed to his brother, Theophilus would never have known him. The two brothers had then a long chat about home and other matters. It is worthy of mention, that besides these two brave sons now at the front, another brother Aubin, has enlisted in Summerside, and a fourth, (Alphonse) who is away wrote to home of his intention of coming home to enlist.—M.
