FRENCH PAPER.—The Guardian has received a copy of "La France" a weekly French newspaper published in England by Evans Brothers, Educational Publishers. La France is designed for schools and colleges, each number being a review of the French daily, weekly and monthly press with all the news deliberately selected to present to the student

some aspect of contemporary life, customs and institutions in France. It is edited by a staff of French teachers in co-operation with a staff of eminent educationists. It is offered at a special price to schools of 50 cents for the next seven weeks. It will be found a great help in the study of French. Minard's Liniment for Colds Etc.
