A Cure For Rose Cold Hay Fever and ASTHMA

A prominent New York lawyer in an unsolicited testimonial says: "HIMROD'S ASTHMA CURE cured me when all other remedies failed. Physicians' prescriptions did not even relieve. For years I have been a sufferer of Rose Cold with all of its annoying symptoms, such as constant sneezing and itching watery eyes. Himrod's Asthma Cure in one week totally eradicated a Rose Cold of years standing. No words can express my appreciation of its effectiveness." The late (Dr.) Oliver Wencoll Holmes in his book "One Hundred Days in Europe" says: "I have used all remedies—Himrod's Cure is the best. It never failed." Send for a generous free sample today and try it. It will not disappoint you.

SEEN HERE AND THERE.

Some Dainty Toilets For Street and Country Wear.

A most exquisite toilet recently seen in Paris was of cream sole de chine made with a cape collar of Irish point mixed with black chantilly lace and further decorated with Louis XV. bows of silver sequins and edged with a green and white fringe. The waist was encircled with a soft band of green peau de sole caught with Louis XV. clasps. The skirt was accorcion plaited and dec-

orated on the hips with the same Irish crochet and black chantilly lace, which also inserted the very full hem. The sleeves consisted of the material and two laces, disclosing the most attractive undersleeve of finely accorcion plaited cream chiffon.

The hats of the autumn promise to be larger than ever.

An exceedingly smart tennis gown is of white linen with the skirt clearing the ground all around and box plaited from the waist. It is finished at the lower edge with three straight ruffles of different widths. The bodice is arranged in three large box plaits back and front, each plait terminating in a large embroidered motif below a shaped yoke piece of stitched linen. It was finished with a high collar and a chic stock.

The cut shows a bathing suit of embroidered red brillantine.

FASHION NOTES.

Skirts More Voluminous—The Fashionable Coats of the Moment.

There is no doubt that skirts are becoming more voluminous and sleeves fuller than ever before, while dress is becoming more and more complicated with its insertions, incrustations and bands of muslin, chiffon and lace.

Half the coats are cut bolero fashion and the other half three-quarter length with snugly fitting waist lines. The long shoulders and pelrine collars are more popular than ever.

The accorcion plaited skirts are very smart and are becoming to both tall and short people, if they have slender figures.

Although the hairdressers are trying to introduce the smoothly parted hair with the simple coil at the back of the

INSTANT RELIEF.

Mr. Robt. Jennings, Mansfield, Ont., writes: "I have used one bottle of Dr. Low's Toothache Gum for severe toothache, and received instant relief. Besides this, it acted as a splendid temporary filling. Price 10c."

A married man says his home is run by the rule of "three—baby, wife and mother-in-law."

Laxa-Liver Pills are the ladies' favorite cathartic, as they do not gripe or pain, sicken or weaken or cause the slightest inconvenience. Price 25c., all druggists.

neck, the styles demand a more fluffy type of hairdressing, and the loose wave and general fullness will be with us some time longer. The wreath is again revived especially for the debutante, whose favorite colors are white and rose pink.

Dead white Irish point lace is singularly heavy and hot in appearance, and the eye turns in pleasant relief to some tinted lace of filmy kind, which reminds one that the feeling for French blond lace is very much on the increase, as also is the furor for the loose lace palette. It is the very daintiest, quaintest and most adorable thought La Mode has permitted us to entertain for some time.

The illustration shows a pin spotted muslin gown.

It is Not the Brain

But the Stomach that is Responsible for that Depressing Headache—Dodd's Dyspepsia Tablets Will Cure it and cure it Permanently.

"He hasn't enough brains to have a headache" is a term so often used that one might be led to believe headaches were caused by the brain. But any physician will tell you that headaches—the dull depressing kind that are worst of all—come from the stomach. Headaches are one of the symptoms of Indigestion, and Dodd's Dyspepsia Tablets drive them away once and for all.

This is not an idle statement, but something that has been proved thousands of times. Here is one of the proofs. Juliana Samsburg, of 221 John St., Hamilton, says:

"For over six years I had been troubled with Dyspepsia and Headaches. Nothing I ate would agree with me and nothing I tried would cure me.

"Acting on the advice of others I began to use Dodd's Dyspepsia Tablets. I got relief almost at once and was soon completely cured."

Reading of Dodd's Dyspepsia Tablets won't cure Dyspepsia or Headaches. You must use Dodd's Dyspepsia Tablets has never failed to do it.

C. P. R. ADVANCE GRAIN RATES.

MONTREAL, Sept 30—The C. P. R. to day announced that the tariff on grain from points in Ontario to the maritime provinces will be advanced from one-half cent to two cents per 100 pounds on October 8th.

HE LEARNED A GREAT TRUTH.

It is said of John Wesley that he once said to Mistress Wesley, "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for this same reason that you are told again and again that Chamberlain's Cough Remedy cures colds, and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. For sale by all druggists.

EARACHE CURED.

Miss J. J. Johnson, Innesfall, Alta., says: "I was troubled with Earache for a long time, and nothing helped me until I used Hagyard's Yellow Oil, which cured me completely."

Likely Sir Tommy thinks it better to have raced and lost than never to have raced at all.

Minzard's Liniment Cures Dandruff.

"Sir—Tommy, you're really too bad! It's a hole in your trousers that wasn't there this morning."

Tommy—Where do you suppose it was, then?
