Mrs. Peter Goodman, Quilley, Mass., has arrived in this City.

It is expected that the repairs to the A. W. Perry, on the slip at Dartmouth, N. S., will not be completed before the end of the month. There is considerably more work to be done than was first anticipated.

Tickets are on sale at the following places for the moon light excursion this evening on the Str. Harland under the auspices of the Sons of England: Jamison's, Johnson & Johnson, A. W. Reddin, J. D. Taylor's, Beer & Goff's, Prowse Bros.

The Government cruiser, Princess formerly owned by the Charlottetown Steam Navigation Company was at Dalhousie N. B., on Friday. She was under orders to leave there for Charlottetown where she is due on Wednesday to meet Rear-Admiral Kingsmill.

There is considerable speculation as to the time that the winners of the Marathon race tonight will cover the course in. The race starts at 6.45 and will finish in less than an hour, so that all those who wish to see the finish and also enjoy the moonlight excursion will have ample time to do so.

Mrs. George F. Uring of Boston arrived on the Island last week, having lately returned from Florida, where she has been spending the winter on account of ill-health. She will be joined later on by Mr. Uring, who is again visiting the Island this Summer. Mr. Uring in speaking of this Province says—"as for scenery, air, hospitality and rest, it is hard to find a better place than Prince Edward Island and I am looking forward to the visit."

This month six clergymen in the Nova Scotia Methodist Conference and two in the New Brunswick and Prince Edward Island Conference, will celebrate the jubilee of their entry to the Christian ministry. S. Tuttle, 32 years. This week's edition of The Wesleyan contains a photo and biography of these gentlemen.

The following complimentary criticism of the Huntley Stock Company, the splendid dramatic organization which is to appear in this city Thursday June 18, is from the Scranton, Pa. Times. "From the viewpoint of the critic at least The Huntley Stock Company, which opened a week's engagement at the Academy last night, is the best one that has appeared in this popular playhouse this season. It is a remarkably well balanced organization; almost every member possessing more than the average histrionic ability. The artists are real people on the stage, not dummies, and yet rapt and there is that atmosphere about them that would bespeak \$1.00 and \$1.50 rather than the popular prices they are playing at. The women are all handsome, clever and well gowned, while the men have evidently been very well chosen for ability and stage presence."

In response to an invitation from the Lawrencetown Baptist Church a council convened, Tuesday the 9th of June at 2.30 p.m. to consider the advisability of ordaining to the gospel ministry Bro. H. S. After the usual examination, the council retired and unanimously decided that the church proceed with the ordination. The ordination services were very largely attended, and the exercises were as follows:—

I., who has just returned from St. Paul and Minneapolis where he went as a special representative from the Board for the purpose of interesting American capitalists and farmers in the Saskatoon district, gave an address, during which he published the fact that James J. I am Grateful

to the Independent Order of Foresters especially to the members of Court Minnewawa, Bedeque, for their kindness to me during the long illness of my husband the late Leslie Gould. While he was in the Hospital for the insane the dues were paid by the members. At the funeral everything that a society could do for a member was done and soon after the amount for insurance was promptly paid, and I here tender my sincere thanks to the Foresters for their kindness.
