ZAM-BUK QUICKLY CURES

Chaps, Cold Sores and Rough Red Skin

Joy winds often make ladies' faces rough, red and blotchy. Apply a little Zam-Buk, and this will smoothen the skin and end the soreness. It also takes away that coarse, red, rough look and "feel" which are so unpleasant. For more serious cases of chaps and cold sores apply Zam-Buk at night liberally.

Miss Hattie Bertrand, Galesburg, says: "I am troubled every year with cracked, chapped hands and arms, and nothing ever seemed able to prevent this until I found Zam-Buk. It healed the chaps and cracks, and occasional applications keep my hands and arms perfectly smooth."

Zam-Buk is not only a healer, but it is a skin food. Frequent use of it develops that soft, velvety skin which is so pleasant to see and which is the expression of perfect skin health. Remember Zam-Buk is unique in containing no animal fat! For a balm this is peculiar; but just there lies Zam-Buk's superiority. Made purely of herbal extracts and juices. 50c. a box. All druggists and stores, or Zam-Buk Co., Toronto, for price. Don't take any substitutes.

SPLENDID GIFT FOR HEROISM

PARIS, Jan. 4.—A Special from Madrid says that Eugene Higgins has made a present of \$5,000 to the man who rescued him when his yacht the Varauva went on the rocks on the northwest coast of Maderia.

An Awful Fear Caused Nervous Breakdown

LIKED THE FIGHTING APOSTLE.

Name of St. Peter Appealed to Heart of Soldier.

It is well known that Elias Howe, the inventor of the sewing machine, not only enlisted as a common soldier in the ranks of the Seventeenth Connecticut regiment, carried a musket, and did full military duty during the war, but at a certain juncture, when national finances were at a low ebb, he paid soldiers out of his own pocket. Relative to this incident, P. T. Barnum used to tell this story:

"While Mr. Howe was counting out the money referred to, a stranger, who was a clergyman, entered the tent and said he had heard of Mr. Howe's liberality and had called to ask him to contribute toward building a church for his congregation.

"Church, church," said Mr. Howe without looking up from his bills he was counting—building churches in war times, when so much is needed to save our country! What church is it?"

"St. Peter's church," replied the clergyman.

"Oh, St. Peter's," said Mr. Howe; "well, St. Peter was the only fighting apostle—he cut a man's ear off. I'll go \$500 on St. Peter, but I am spending most of my money on saltpeter now."

She Got the Letter.

The post office official put on his severest manner.

"You say you mailed the letter about half an hour ago at a window in the east corridor?" he asked.

The beautiful woman dabbed a handkerchief at her soulful eyes and at the tip of her classic nose.

"Yes, yes," she said. "To whom was it addressed?" She told him.

"And now you want to stop that letter?" he went on, still more sternly. "You want to get it back? Why?"

"Because," said the woman with unpremeditated frankness. "I am afraid his wife will get it."

"Oh," said the stern official. She got the letter.

The Psychology of the Badge.

"I've always noticed," spoke up Old Jim, "that us farmers, when we get on a billed shirt and a derby hat, feel about the same as a city fellow wearin' a soft shirt and a slouch hat. We sort of believe that it's our duty to over-indulge. In the old days I wuz one o' them kind what couldn't even pin a badge on my coat without

Balsamic Essences

Made Wonderful Cure for Catarrh, Colds, Bronchitis, Throat Weakness

To cure an ailment in the throat or chest, to rout out Catarrh or Asthma, it is essential that the medicine conveyed direct to the affected parts. This is why no other success has achieved such world-wide success as Catarrhoxone, which alone can be breathed in one second to every air cell in the breathing organs. The healing vapors of Catarrhoxone mix with the breath and descend through the throat, down the bronchial tubes, to the deepest air cells in the lungs—all parts are saturated with the rich piney essences that ease, heal and cure.

Catarrhoxone has entirely displaced the old-fashioned remedies, such as cough syrups, sprays, tablets and sedative powders. It contains none of the opium, chlora and drowsy narcotics, so commonly found in liquid cough and catarrh remedies.

The extraordinary curative power of Catarrhoxone is well explained in a letter from A. B. Cowan, the well known restaurateur of Carleton, who writes: "Some time ago I suffered severely from a frightful cold in the head and chest. It was nothing but one continual cough, hawk, headache from morning till night. My nose and throat were so completely stuffed up that I could scarcely breathe. Catarrhoxone eased the cough instantly, that would not yield even to the doctor's medicines. Hour by hour Catarrhoxone relieved and by pursuing its treatment I have been permanently cured of all trace of Asthma, Catarrh and Bronchial Irritation."

Once you try Catarrhoxone you'll realize how indispensable it is—the large dollar size contains an indestructible and rubber inhaler and sufficient medication to last two months. Smaller trial sizes 25c. and 50c. Beware of the substitutor and imitators of Catarrhoxone—use the genuine and you'll get cured. By mail from the Catarrhoxone Company, Kingston, Ont.

A. T. McDonald, Souris, West, is in the City.

POSTMAN INJURED IN RIOT DIES AT LEEDS.

LEEDS, Jan. 5.—The first fatality to result from the suffragette disturbances occurred here when Alfred Hudson, a postman died from the injuries received during a riot on August 19th last. Sir Edward Grey was addressing the meeting inside the building. An attempt on the part of a force of suffragettes to enter precipitated a riot in which Hudson was injured.

SIGNALS OF DISTRESS

Charlottetown People Should Know How to Read and Heed Them.

Sick kidneys give many signals of distress. The secretions are dark, contain a sediment. Passages are frequent, scanty, painful.

Backache is constant day and night. Headaches and dizzy spells are frequent. The weakened kidneys need quick help.

Don't delay! Use a special kidney remedy.

Booth's Kidney Pills are sick kidneys, backache, and urinary disorders. Charlottetown evidence proves this statement.

Mrs. Kate McCarthy of 128 Hillsborough St., Charlottetown, P.E.I. says:

"I am very much pleased to recommend Booth's Kidney Pills as they cured me after all other remedies I had tried, failed. I had been troubled for months with a very weak and sore back and at times I could hardly straighten myself up. My stomach also was very weak which brought on severe headaches and dizzy spells and I would become completely prostrated. Through an advertisement I learned of Booth's Kidney Pills and procured a box at Geo. E. Hughes' Apothecaries Hall. I have only used one box and feel like a different being with no signs of my trouble returning. My back is as strong as ever and I feel better generally. I will always have a good word for Booth's Kidney Pills in return for what they have done for me."

Of course it costs us more—double—but our customers pay the same price. 12c a pound "The Best Drug Store," The MacKinnon Drug Co., Druggists, Cor. Gt. Geo. & Kt. Sts.

HURT BY FALL FROM HIS HORSE

ROBERT BACON

HAMSTEAD, L. I., Jan. 4.—Robert Bacon, who soon will succeed Henry White as Ambassador to France, broke his collarbone and suffered severe bruises when a favorite hunter on which he was riding over his Westbury estate slipped and fell, pinning Mr. Bacon underneath.

Mr. Bacon took the accident quite calmly. Much concern was expressed by members of the Meadow Brook Hunt Club who had come out for many house parties being held over Thanksgiving in the Westbury and Wheatley sections. It was stated, however, that no serious results are apprehended from the injury and Mr. Bacon's trip to Paris probably will not be declared.
