G. H. KENT'S CASE AGAIN

He was Cured of Bright's Disease in its Worst Form by Dodd's Kidney Pills. OTTAWA, Ont., Nov. 2nd.—(Special)—Death of prominent people from Bright's Disease have been so numerous during the past few months that the case of G. H. Kent is again talked of here. Mr. Kent who still lives at 408 Gilmour Street, this city, was dying of Bright's Disease. He had lost the use of his limbs and his whole body was swollen to a terrible size. Three doctors were positive that he must die. While watching at his bedside his wife read that Dodd's Kidney Pills would cure Bright's Disease. They were sent for as a last resort. From almost the first dose, Mr. Kent says, he felt benefitted by them. After taking four boxes he was able to sit up. Seventeen boxes cured him completely. He has been a healthy man ever since.

THE BULGARIAN ELECTIONS

SOFIA Bulgaria, November 3.—The triumph of the government in the elections is not complete. M. Seankoff has failed to secure re-election and his party has been utterly routed. This indicates that the country does not desire Russian influence and condemns the anti-dynastic tactics of the opposition.
