Looking Forward To Canadian Visit

(Special to the Guardian) HAVANA, Jan. 16.—"I look forward to my visit to Canada," Secretary of State Frank B. Kellogg said tonight. "I want to see your parliament in action" he added, "and to renew acquaintance with the Governor-General and Lady Willingdon and with Premier King."

Nova Scotia Govt. to Take Steps to Relieve Situation if Early Improvement Not Effected—C. N. R. Criticised for Purchasing American Coal.

GLACE BAY, Jan. 16.—J. E. McLurg, Vice President of the British Empire Steel Corporation left today for Montreal where he will consult with the corporation's executive with reference to labor conditions at the Cape Breton collieries and the matter of relief. Beginning yesterday the miners at Nos. 2 and 4 collieries were temporarily relieved of the company's outlay including such items as coal and mining supplies, in order to help the situation. Ratings were issued to a number of families by the labor unions. It is expected that Mr. McLurg will take up the question of providing more work for the miners.

Norman MacKenzie, Deputy Minister of Mines for Nova Scotia, who has been here attending an employment conference, informed that the provincial government would take steps to relieve the short time situation if early improvement was not effected.

During the conference, district President J. W. McLeod, of the United Mine Workers expressed himself regarding the failure of the Canadian National Railway to take more Nova Scotia coal. He was unable, he said, to understand why a railway owned by the Canadian people should purchase millions of tons of American coal while Canadian miners were in distress owing to the lack of orders. He stated that less than one fifth of the Canadian National Railway fuel requirements came from Nova Scotia.

Newspaper Predicts Disestablishment Of English Church

(Canadian Press) LONDON, Jan. 16.—The Daily News, one of the chief organs of non-conformity in Great Britain, which showed a favorable attitude toward the New Book of common prayer of the Church of England before its rejection by the House of Commons following its adoption by the House of Lords, says it is steadily growing more evident that the factious vote of the House of Commons has raised an issue far wider than the merits or demerits of the new book.

The newspaper adds: "The bishops are caught between Sir Thomas Inskip, M. P., who is credited with having helped considerably towards the rejection of the new prayer book by the House of Commons, and the Anglo-Catholics, both evidently sincere, and it is doubtful now whether any middle path is open between them. Even if the Church Assembly can be persuaded to accept an amended prayer book, the result in the House of Commons is almost certain to be a second rebuff, which must entail disestablishment. Scarcely could it be more so, for the leaders of the established Church today."

Strike Settled

(Canadian Press) LONDON, Ont., Jan. 16.—The strike of the printers of the Free Press and the Advertiser was settled this evening and the men returned to work at ten o'clock. Both papers will be published in their own offices and with their own staffs tomorrow morning.

MONCTON AND VICS TONIGHT

Tonight the youthful Victorias are scheduled to meet Moncton. The boys from the railway town with whom the Vics clashed twice in 1927 will endeavor to wipe out the sting of dropping two decisions to the island team.

The flashing locals hint that this is a man-sized proposition and are not pessimistic about grabbing a decision.

Moncton it is true succeeded in grabbing off a decision from the railway shops, but our hockeyists won't admit that the Monctonians can leave town with anything else.

With cold weather guaranteeing the fast ice, the game should be one for the record book. The Moncton team has been stepping along at a fast clip and the Vics in their work-outs have shown as senior calibre.

The local lineup remains intact as to regulars and there is but one change in the substitute material. On the offensive line, D. Gillis will occupy his old position at left wing, the other wing position will be well the latter by Frank Doucette. Middle ice will be patrolled by that fine poke-checking centre Frank Doucette. The defence forces will consist of Reg Dillon, youthful and colorful goalie. In front of Reg, Con Campbell will form one buttress with Roddie McDonald acting as another.

Elmer Murley and Bus Peake will relieve the wings and Ivan Nicholson will do a like job in centre. Gus Rush will be the relieving defense substitute material looms as exceptionally strong. All in all last season's Intermediate Maritime C-Champs can see nothing but victory in tonight's fixture.

CANADA MAKING WONDERFUL PROGRESS

Hon. Vincent Massey Tells New York Audience He Has Great Faith in Future of Dominion.

NEW YORK, Jan. 16.—"I believe to you all that I have heard and believe to be true regarding the progress of Canada you would believe me to be a liar."

Thus spoke in humorous vein the Hon. Vincent Massey, Canadian Minister to the United States, who was addressing the Canadian Society of New York at a dinner in his honor Saturday evening. "The visitor as there was, 'cannot help but come back from Canada spiritually intoxicated with what he has seen.'"

Mr. Massey said that never before had there been reason to have such faith in the future of the Dominion as there was at the present. Turning to statistics to support his optimism, Mr. Massey said that within the last twelve years bank deposits in Canada had increased by \$800,000,000. Eighty per cent of the current Dominion Government loan of \$2,400,000,000 was raised in Canada, he said, although in 1915 not a dollar of the Government loan was held by a Canadian. A billion of dollars of insurance was written in 1926, an amount equal to two-thirds of that extent in Canada in 1916.

Mr. Justice Riddell of the Ontario Court of Appeals, was another speaker.

"There is no more reason," he said "for rancor between the Canadian and the American or the American and the Britisher than there is between two sons of the same mother."

Police Court Yesterday

At the Police Court this morning one drunk appeared. He was awarded \$10.00 or thirty days. A revenue case was adjourned till the 21st.

A young man also appeared, charged with assault causing grievous bodily harm on his wife, and assault and battery on his wife's grandfather. It is alleged that about 11 o'clock last Saturday night the accused, who seemed to be somewhat the worse for liquor, drove up to the house of his wife's mother, with whom she is living, and asked her to come with him for a car ride. She refused his invitation, and, after arguing with her in the face and otherwise mistreated her. Her grandfather appeared and attempted to defend her, and he also, it is said, received a blow from the assailant.

The hearing was not completed yesterday, and the accused will appear before the court again this morning.

Jury Reaches Verdict After Fifteen Minutes Deliberation.

"Guilty—with a strong recommendation for mercy," was the verdict brought in by the jury yesterday evening at 5:30 in the case of Joseph Matthews charged with prison breach. "MY FRIEND FROM INDIA" HAS SPLENDID PREMIERE

Play In Aid Of P. E. Island Hospital Given Last Night To Crowded House Under The Distinguished Patronage Of His Honor The Lieutenant Governor And Mrs. Heartz.

The premiere of "My Friend from India"—a play given for the Ladies Aid of the Prince Edward Island Hospital—took place last night before a crowded house. The performance, which was under the distinguished patronage of His Honor the Lieutenant Governor in every respect, very great success in every respect. As to the characters, and sees that most of those who played their parts in so distinguished a manner in "Sonny" are to be found here too. He realizes that the play could hardly fail of receiving a very distinguished reading.

In brief, then, and without going far into detail, the story is something like this:

A wealthy cattle dealer, Erastus Underholt, accompanied by his two charming daughters, Gertie and Bernice, his son, Charlie, and his wife married but now widowed Barbara MacNeill as Marian Hayste and Miss Margaret Collings and sister Mrs. Beckman Streete, takes up his residence in New York City. Here one night the son, Charlie, goes out on a "fringe" and is assisted home by a barber by profession as indeed his name would seem to indicate. On the way home, Charlie has kicked out a plate glass window and done other things, but that is merely incidental to the story.

From his father, Charlie hides Mr. Shaver's clothes, and the latter of the family, Mr. Erastus Underholt, who has the greatest distinction, while Mr. Will Schofield's reading of the part of Tilly, the little German maid, wonderfully well. Mr. Leigh Dingwell, as might be expected from one of his experience in theatrical work, played the father in a manner so excellent as to be better than any other actor who has ever seen. Mr. Sid Fielding, as Jennings the family butler, like his foil "Tilly" carried off his difficult character role splendidly.

A list of the musical numbers follows:

MUSICAL NUMBERS
Overture—"Barber of Seville" (Rossini)—P. E. Orchestra
"When You and I Were Young"—Miss Margaret Collings and Mr. Leigh V. Dingwell
Selection—Miss Lucy Blanchard
Selection—Mr. Albert Blanchard
"Tales of Hoffman"—P. E. Orchestra
Selection—Mr. Raoul Raymond, accompanist, Mrs. R. Raymond
Selection—"Kalinka"—P. E. Orchestra
"To Climb the Highest Mountain"—Miss Barbara MacNeill, accompanist, Miss Roberta Spencer
March—"National Emblem"—P. E. Orchestra

With regard to these it is sufficient to say that all the artists sang in a manner which was anything beyond the very high standard of performance which their audiences have learned to expect of them. This was borne witness to by the hearty encore which were demanded of them all.

Mention should also be made of the excellent work in which the Prince Edward Orchestra, under the capable direction of Mr. Ben Wagner rendered his selections. Though small in number, this orchestra which might well be the envy of much larger organizations.

IS OPPOSED TO CAPITAL PUNISHMENT

Head of Sing Sing Annoyed Because Reporter Took Photo of Recent Executions.

NEW YORK, Jan. 16.—Warden Lewis E. Lawes of Sing Sing prison was on his way to Palm Beach for a ten days rest, his nerves shattered by the ordeal of the execution of Mrs. Ruth Snyder and Henry Judd Gray, Thursday night. He went on the advice of his physician his secretary said. The Warden has long been opposed to capital punishment.

His friends said he was also exasperated because some one in the execution chamber took a photograph of Mrs. Snyder as she was in the electric chair. The photograph was prominently displayed in a New York tabloid newspaper.

He was quoted as saying: "In the future there will be only one man from the press in the death chamber during executions. And he'll be a man I know. I trusted reporters that night and one of them was unworthy of the trust. Naturally, I did not search the men for cameras."

It was said the camera was strapped to the leg of one of the witnesses and the bulb was pressed from a coat pocket.

The executioner, Robert Elliott, admitted he had called upon a physician, but denied he was ill.

DARING ROBBERY

Suspicion fell on two young Indians, Rufus Copage of Lennox Island and Patrick Sark, of Scotch Lake, aged about sixteen and nineteen years respectively.

It was known that they had left for the city on the early train from Tignish, so, on the arrival of this train in the city at 12:45 they were held by C. N. R. Constable, George Melnikin, who was warned of the coming of the telephone message from Mr. McGrath of Conway.

They were handed over to Constable Higgins, of the City Police Force who took them, together with their luggage, consisting of two suitcases and a club bag which was opened and was found to be filled with such merchandise as boots, socks, shirts, sweaters, cigarettes, cigars, etc., answering to a description of that which had been removed from Mr. Ramsey's store. The value of the stolen property was about \$100.00 and some C. N. R. tickets.

They are being sent to Summerside this morning, where the preliminary investigation will be conducted by the Stipendiary Magistrate for Prince County.
