SUPREME COURT AT SUMMERSIDE

Camille Perry Found Guilty and Sentenced to Ten Years in Penitentiary. Roy Morell for Housebreaking Received Two Years.

In the Supreme Court, at Summerside, yesterday, the case of the King vs. Camille Perry, indictment for burglary and the theft of \$140, was called and after a brief trial lasting only a couple of hours, the jury found the prisoner guilty. The evidence disclosed the fact that the accused, on the 29th, October last, entered the house of John Champion, at St. Louis, through a window, and stole from his trouser pocket the amount above mentioned, extracting it from a wallet. He then took it to Jerry Perry, his brother-in-law, with whom he left a considerable portion. The money was afterwards found on him and he was arrested. His Lordship, addressing the prisoner, observed that burglary was a crime which should not be tolerated and it was his duty in the interests of the public to impose such a sentence as to indicate, in an unmistakable manner, that no offence of this nature could be permitted with impunity. He sentenced the accused to ten years' imprisonment in the penitentiary at Dorchester. In the case of the King vs. Roy Morell for house-breaking, the accused pleaded guilty and was sentenced to two years. The case of the King vs. Jerry Perry, indictment for receiving stolen goods was postponed for trial at the next term of the Court and the prisoner was allowed to go out on his own recognisance. Mr. Heath Strong represented all three accused. This concluded the criminal docket, and the case of Martha A. J. Campbell vs. Storey and others, was begun. At 5.15 the Court adjourned until 10 o'clock this morning.

LONDON, Nov. 28.—The destruction of two of the Zeppelins that participated in last night's air raid caused great enthusiasm in the north-east coast towns, which had suffered so often in previous air raids. This morning the naval airmen, who arrived to report the success of the British in their fight against the airship which was making her way home ward when she was brought down, were given a tremendous ovation by the townspeople, who carried him shoulder high through streets crowded with cheering people, while the strains of the shipping shrieked triumphantly.

CONFIDENCE IN SIR DOUGLAS HAIG

(Canadian Press Despatch.) LONDON, Nov. 29.—In the House of Lords last night the Earl of Derby, under secretary of war, set at rest rumors in circulation that there was friction between General Sir Douglas Haig, the British commander-in-chief in France, and the home authorities. Alluding to Lieut. General Sir Frederick Clayton relinquishing of the post of Inspector General of Lines of Communication in France, the Earl of Derby said there was no connection between his retirement and the appointment of Sir Eric Geddes to superintend all questions of all railway docks and inland transport.
