BALLIN SAYS THE CRISIS IS OVER

BERLIN, March 20—Alfred Ballin, general manager of the Hamburg-American line, who returned from a visit to America this week, was particularly struck with the completeness with which the aristocratic society world of the United States appears to have recovered from the effects of last year's financial crisis.

"The society life of New York," he said, "is at a height it has never experienced before. One fails to detect the slightest indication that the wealthy classes have just emerged from a period of unparalleled disaster.

"I am convinced that the American crisis is thoroughly at an end, although there is still some reluctance to engage in new ventures on a comprehensive scale. Expectations in this direction which were cherished in connection with the election of a new president have not yet been fully realized and are not likely to be until definite action has been taken in the matter of tariff revision. Caution will be the watchword of the business classes until that burning issue is settled."

Herr Ballin returned to his post in Hamburg to find the tide of European emigration to America gradually assuming its old-time proportions. Hundreds of emigrants who fled from the bad times are now returning.

"WOMEN!" "Are Your Nervous?"

The results of modern civilization are evidenced in an increase of nervous disorders. It could not be otherwise with the way we eat, drink, lose sleep, and keep up a continual round of excitement. The work, the worry, the excitement, all tell upon the nerves till they cry out in revolt, and will not be placated till a remedy such as

MILBURN'S HEART AND NERVE PILLS

come along with their nerve-strengthening and energizing properties, and restore them to their normal condition.

Mrs. Wm. Levi, Markdale, Ont., writes: "I had for several years been troubled with nervousness, and, like many others, spent lots of money on medicine that did me no good. I was so bad that the least noise would make me jump and my heart would thump so you could hear it plainly and I could not lie on my left side at night. I saw a few testimonials of others and decided to try Milburn's Heart and Nerve Pills, and to my great joy and surprise they completely cured me and it only took six boxes to do it. I have a neighbor, Mrs. Rickett, and I induced her to try them and they effected a cure. I can endorse their use for anyone afflicted as I was."

Price, 50 cents a box, 3 boxes for $1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

WAS IN BED FOR THREE MONTHS.

PEOPLE SAID SHE HAD CONSUMPTION.

Read how Mrs. T. G. Buck, Bracebridge, Ont., was cured (and also her little boy) by the use of Dr. Wood's Norway Pine Syrup.

She writes: "I thought I would write and let you know the benefit I have received through the use of your Dr. Wood's Norway Pine Syrup. A few years ago I was so badly troubled with my lungs people said I had Consumption and that I would not live through the Fall. I had two doctors attending me and they were very much alarmed about me. I was in bed three months and when I got up I could not walk, so had to go on my hands and knees for three weeks, and my limbs seemed of no use to me. I gave up all hopes of ever getting better when I happened to see in B.B.B. Almanac that Dr. Wood's Norway Pine Syrup was good for weak lungs. I thought I would try a bottle and by the time I had used it I was a lot better, so got more and it made a complete cure. My little boy was also troubled with weak lungs and it cured him. I keep it in the house all the time and would not be without it for anything."

Price 25 cents at all dealers. Beware of imitations of Dr. Wood's Norway Pine Syrup. Ask for it and insist on getting the original. Put up in a yellow wrapper and three pine trees the trade mark.

QUICK WORK BY PARIS HOUSE

PARIS, March 20—(By wireless to Clifden, Ireland, thence by wireless)—A famous courtier in the Rue de la Paix set an example of business enterprise this week which has seldom been equalled.

A dress had been ordered by cable by a wealthy Cuban with specific instructions to despatch it by a certain ship. Almost at the last moment a serious flaw was discovered in the gown. It was quite impossible to send it. Without a moment's hesitation the head of the shop ordered a duplicate dress made in time to catch the steamer.

At noon twenty-five work girls were set to work, but it was found impossible even by working all night to finish the gown to go by the boat train in the morning. However, by 10 o'clock the gown was completed and sent by a special automobile to catch the liner. The car reached the landing stage just ten minutes before the boat sailed.

The dress was priced at $600 and the extra cost in material and work people's time and for the motor was $250. However, rather than disappoint a valued customer, the dressmaker submitted cheerfully to this loss.
