

IN MEMORIAM

ANITA JEAN MOORE

A feeling of sadness pervaded St. Catherine's and surrounding districts on Monday, February 28th when it became known that Anita Jean only daughter of Mr. and Mrs. Earl Moore had passed away at the P. E. I. Hospital, at the tender age of 3 years and 11 months. Anita had not been of such a robust nature and on December 29th, New Year's Eve became ill, so on the following Thursday on the advice of her Doctor was taken to the Hospital, where all medical skill and attention possible was given towards her recovery. But God willed otherwise and called her home to join his angels around the heavenly throne. Little Anita will be greatly missed by the many friends and relatives, but most of all she will be missed in the home, where her gentle disposition and cheerful smile, had won the hearts of those who were near and dear to her, for to know her was to love her. Deepest sympathy is extended especially to her sorrowing parents and one brother Ernest aged 7 years. Also the grand parents, Mr. and Mrs. Seymour Scott, Cornwall, to whom she was greatly attached and Mrs. Agnes Moore, Toronto. They shall ever cherish her memory until that happy reunion when they shall meet their loved one in a better happier land. The funeral service was largely attended and was held on Tuesday afternoon with a short service at the home of the grand parents Mr. and Mrs. Seymour Scott, Cornwall, thence to Cornwall United Church, where the service was held at 3 P. M. Rev. M. K. Charman, spoke messages of comfort to the bereaved. Taking as his text "And Jesus called a little child unto him." The hymns sung were "When He Cometh" and "Jesus Loves Me."

The many floral tributes were beautiful reminders of love and affection and sympathy felt for the bereaved family that has already been called on to part with three infant sons. The pallbearers were four uncles, Messrs. John Moore, Herbert, Hector and Harold Scott and the flower bearers were Leonard MacNevin, Sandy MacIsaac, Leonard Willis and Seldon Drake. The remains were tenderly laid to rest in Cornwall Cemetery.

"I cannot say, and I will not say that she is dead. She is just away with a cheery smile and a wave of the hand. She wandered into an unknown land. And left us dreaming how very fair it needs must be since she lingers there. And you—oh you who the wildest yearn for the old time step and the glad return. Think of her faring on as dear in the love of There as the love of Here. Think of her still as the same I say. She is not dead. She is just away."
