DR. ALLISON, who occupied the pulpit of the Methodist church Sunday morning gave a very able address on the proposed Union of the Methodist, Presbyterian and Congregational churches. While he favored the idea of union, yet he recognized the difficulties to be overcome, two of the greatest being the question of doctrine and the matter of itineracy. The doctor thought the proposed union should be broad enough to include both Calvinist and Arminian.—Sackville Tribune.

WHAT was one of the most interesting lectures of the season was delivered by Rev. G. M. Campbell in the school room of Centenary church last evening when he re-told the story of the Crimea. The room was well filled and as the reverend gentleman told of the unflinching courage displayed by the allied forces of England, France and Turkey in fighting against overwhelming odds and wresting victory from what seemed inevitable defeat, he was interrupted again and again by bursts of applause. There were many magnificent views of the battles of the Crimea, as well as of the wooden walls of old England and, by contrast, pictures of her modern fleet were thrown on the screen. The lecture was thoroughly enjoyed by all present.—St. John Telegraph.

The death took place at his home Gladstone, Lot 64, on May 11th, of Captain John W. Horton, aged 81 years, 4 months and 14 days. Deceased was a native of Guysborough County, Nova Scotia, and came to Gladstone (then part of Murray River School District) from Cape Canso in 1832. He was well and favorably known in all this section of country. For a number of years his health has been poorly and during the winter months was confined to the house but few thought the end so near till a short time before his death. He was a good man and an earnest friend of temperance, and has gone to his reward. He leaves to mourn his wife, five daughters and three sons. The daughters are: Mrs. George Mabey, Gladstone; Mrs. Archie McDonald, Murray Harbor South; Mrs. W. H. Potter, Fioley, North Dakota; Mrs. Fred O. Hanson, Flaxton, North Dakota; Adella E. at home. The sons are: Daniel A., on the homestead; William A., Captain of schooner B. S. Keeper; John A., in the employ of Wansganset Machine Co, New York. He also leaves 14 grand-children.

**ADDRESS AND PRESENTATION.**

George Burgess of Crapaud left Saturday morning for Cherry Valley to take charge of the cheese factory in that place. On the eve of his departure he was waited upon by a number of his friends and presented with the following address accompanied by a beautiful and substantial token of their esteem. The presentation was made by Dr. Robertson in his usual pleasing and affable manner.

**ADDRESS**  
DEAR MR. BURGESS:—It is with feelings of deep regret that we have learned of your intended departure from our midst. During your sojourn here you have shown yourself to be, both in your professional capacity and in your social intercourse with us, in every way worthy of our confidence and esteem; and we cannot allow you to depart without conveying to you some expression of our attachment and regard. We wish you to know, as for a time our paths are about to separate, that the influence of your life among us has been duly felt and appreciated. As a workman you have proved yourself skilful and capable in the highest degree; as a citizen you were ever ready to lend a helping hand in promoting the general good; and as a friend and neighbour you were always kind, courteous, and obliging. Rest assured that we shall greatly miss your genial presence and also that of your amiable wife of whose kindness of heart and rare social virtues we have had so many pleasing and convincing proofs.

We kindly ask you to accept the accompanying gift as a slight memento of our friendship and regard.

That every happiness and prosperity may attend you in your new home is the sincere wish and prayer of your many friends.

DR. ROBERTSON,  
D. McLEAN,  
ISAAC BEER,  
R. R. REID,  
CHAS. McDONALD,  
ARCH. McKINNON,  
REV. A. D. McDONALD,  
and others.

Mr. Burgess made a suitable reply thanking his friends for the generous, and altogether unexpected expression of their regard which they had given him. Luncheon having been served, the company joined in singing "Blest be the tie that binds," after which Rev. A. D. McDonald led in prayer, thus bringing to a close a most interesting and impressive social gathering.

**Are You Troubled by Sleeplessness?**

Over-wrought Nerves Cause the Trouble—Build Up, Fortify the Nervous System with Ferrozone—Then You Will Sleep Soundly.

There is probably no remedy that soothes the nerves and drives away those long nights of wakefulness like Ferrozone. Every person whose sleep is restless should use Ferrozone like Mr. J. H. McGaw, who writes from Saskatoon as follows:—  
"I was bothered with insomnia last summer to such an extent that my health almost broke down. I was frightfully nervous. If it had gone on much longer I would have been a physical wreck. I read about Ferrozone and concluded it was the sort I needed. I bought six boxes and took one tablet with every meal. A change was at once noticeable. I no longer lingered under such great mental excitement and was able to take things more quietly. Ferrozone improved my digestion, I picked up in spirits and strength, and in a comparatively short time sleep came the minutes my head touched the pillow. Ferrozone completely rehabilitated my system and has made me a different sort of man altogether.  
Don't wait until your condition becomes nervous prostration. It's hard to cure. Take Ferrozone regularly and the cause of your sleepless nights will be removed. Ferrozone is the greatest health-giver, the most valuable tonic, that money can buy. It will bring you lasting strength, vigor and health, at small cost. Only Ferrozone can do this so be sure that no dishonest dealer substitutes something represented "just as good." No other remedy is so good as Ferrozone, price 50c per box or six boxes for \$2.50 at all druggists or N.C. Polson & Co., Kingston, Ont."
