MOUNT ALLISON HOOPSTERS TO MEET TROJANS

(Canadian Press)

SACKVILLE, N. B., March 21—Mount Allison University's senior basketball team will face Saint John Trojans for the Brunswick championship as a result of defeating the Carleton Light Infantry Senators of Woodstock 49-37 in a hard, fast game here tonight.

Mount Allison won its semi-final round by a total score of 79-67.

There was plenty of fine passing and excellent shooting tonight, with Woodstock resorting to long range shooting. Mount Allison ran riot through their opponents' defence and sank shot after shot from points near the basket.

NOVA SCOTIA

(Continued from Page 1)

studied, promised that operation of the Land Settlement scheme, under which miners are placed on the land, would be extended, and that means further to assist development of the coal and gold mining industries would be considered.

Benefits of the Nova Scotia Power Commission's services would be extended, wherever possible, additional sections of trunk roads would be brought up to present standard.

The campaign to increase the volume of tourist traffic would be continued.

The Speech declared that "every economy compatible with efficient administration will be exercised."

The past year had been a difficult one, Mr. MacKenzie said in moving the address in reply. "Yet today Nova Scotia finds herself in a very favorable position compared to other parts of the world. The present session was the eighth under a Conservative administration, and these years had been marked by progress. Probably the most striking feature was the social legislation which had been passed—mothers allowances, minimum wage act, establishment of a department of health.

"May I express the hope that out of the present proceedings there may arise a new Nova Scotia steel which can still carry on the business of coal mining and steel production in a way that will be satisfactory to the people," said Mr. Douglas.

Mining events of the past few months had been disquieting, said one member.

WRY AGAIN IS SLATED FOR PRESIDENCY

Increased Registration Of Players Over Last Year Is Seen. Finances Will Show Surplus.

(Canadian Press)

AMHERST, N. S., March 21—Despite a poor season, the annual financial statement of the Maritime Amateur Hockey Association to be presented at the annual meeting in Moncton on Monday, will show a surplus of at least \$1,000.

Officials of the Association state that the surplus has been effected through stringent economy in a winter which witnessed greatly decreased gate receipts. Sectional play-offs especially provided extremely poor receipts in comparison with those of former years.

The annual report will show a registration of 1,183 players during the playing season, a large increase over last year's 800 registrations. The increase is accounted for chiefly through the swelling of the junior ranks.

The annual meeting is expected again to place the name of James Wry in nomination for the presidency. Mr. Wry said tonight he had not yet decided whether to offer for re-election.

Strict Training Brought Success

STOCKFOLM, Sweden, March 21—A gold medal for the best athletic achievement of 1932 and national fame, has fallen to the lot of the young Swedish wrestler, Ivar Johansson, who won two of Sweden's eight Olympic gold medals in Los Angeles this summer.

The medal is given by the leading Stockholm daily, Svenska Dagska Dagbladet, after careful selection amongst the outstanding sportsmen of the year.

In this case it was his indomitable fighting spirit and the fine sportsmanship that won him the prize. Ivar, the son of a small farmer near the Swedish town of Norrkoeping, lost his first Olympic match in free wrestling in Los Angeles on what was unanimously pronounced to be a glaringly unfair verdict. All the members of the Swedish group were discouraged and grumbled against what they considered to be a down right injustice—except Ivar himself, who never protests or loses his nerve.

Several urged that he should be withdrawn from the line of wrestling. But Ivar Johansson stubbornly continued threw all his opponents and won the competition.

He then hurried into the steam-baths and in 12 hours brought down his weight by four kilos so as to be qualified for the welter-weight competition, an almost unbelievable achievement in such a short time. In the next competition he won his second gold medal.

Captain Einar Raaberg, the leader of the Swedish wrestlers, said that Ivar Johansson's behaviour after being defeated gave his comrades their moral force and firmness of purpose. "Ivar Johansson," he said, "stands as a model sportsman in every respect." He is known to take victory and failure with the same modesty and self control, and, if defeated, never utters a word of regret or pleads injustice or bad luck. Evidently Ivar Johansson inherited his composure from his father. When the old farmer came into the local shop to buy his modest provisions he was told about his son's victories at Los Angeles. "The boy seems to have done well," the old man replied without the least excitement, made his purchases and quietly returned to his little farmstead.

Resembling a fountain pen, a pencil has been invented that applies iodine to wounds in single drops.

The second, declaring, in reference to the Nova Scotia Steel and Coal receivership, that "the final result of legislation passed by a former Government has now been made apparent."

Timely Tips On Sport

The Montreal Royals and the Moncton Hawks battle tonight in the final game of the two game series for the right to meet the Ontario champions on March 29th, either at Ottawa or Toronto. If arrangements in process at the present time are adhered to, and the Hawks eliminate the Royals, they will meet the Ontario winners on Ontario ice, March 29th, and will play the final game at the Montreal Forum.

If the Montrealers succeed in downing the Hawks, the final tilt between Ontario and Quebec will also be played at the Montreal Forum. The Eastern winners from this series, Ontario-Quebec-Maritimes, will then proceed west for the Allan Cup games, which will be played at Vancouver. The first game is to be played on April 8th, the second on the 10th, and the final, if necessary, on the 12th.

The following, taken from a Halifax paper, speaks for itself: "Big Three" clubs await the outcome of the season but the result will not likely affect their plans for next year to any great extent. Later on Moncton, Halifax and Charlottetown officials will gather for their own personal pow-wow and then the future of the M. H. L. will be determined. It is understood that the "Big Three" moguls are planning some drastic changes in their own ranks in an effort to bolster the foundation of the league. Such a move has been needed ever since the Eastern circuit came into being. It may not come even now but each season brings the paymasters nearer the point and who knows, 1934 may see them operating on a real business-like basis.

WOLVES BEAT BEAVERS 3-1

(Canadian Press)

SAINT JOHN, N. B., March 21—Halifax Wolverines, runners-up to Moncton Hawks for the Maritime Hockey League championship, and Saint John Beavers, eliminated by Hawks in the Maritime senior finals, engaged in an exhibition match here tonight, Halifax winning 3-1.

The exceptionally strong Wolverine defence withstood all assaults until the last minute of the third period, when Estabrooks scored on Joe Beaton's pass after Saint John took off its two defencemen and played five forwards in a final effort to score. Five seconds before the game ended Lawlor caught the opposing squad up the ice and had only the Saint John goalie to beat. He scored from near the corner.

Mosher, assisted by Lennon and Beazley, counted for Halifax in the first period and McNeill made a successful solo dash in the second session.

The Beavers' line-up included Joe Beaton and Hymie McArthur, with Charlottetown Abegweits this season, and Bobbie Beaton, promising Halifax junior.

Wolverines will play an exhibition match with Fredericton Capitals tomorrow night, and Beavers may play at Fredericton on Friday.

SAYS AARON TO ISAAC

"Vot's the matter with it?" asked the other

S'SIDE SCOUTS HOLD ANNUAL MEETING

Mr. R. C. Parent Of Charlottetown Gives Interesting Talk On Scout Movement.

The annual meeting of the Summerside Group of Boy Scouts was held on Monday evening in the Town Hall, Mr. Lidstone, president.

Mr. R. C. Parent, of Charlottetown, Provincial Secretary and treasurer, was present and gave a most interesting talk on the work of Scouts on the Island and all over the world. It was much regretted that so few citizens and parents were present, but the clubs were nearly all there, besides a number of Scouts, which was pleasing to Mr. Parent as he said "he always liked to speak to the boys."

Mr. Lidstone opened the meeting with some well timed remarks, on the usefulness of Scouting in training boys to be practical, and in his opinion more attention should be paid to the movement by citizens in general. He was pleased to see the clubs so well represented.

Mr. J. J. Enman, secretary for the group committee reported that during the year six meetings were held and a number of matters requiring attention attended to.

Mr. E. J. Hallett, Scout Master for the 1st Summerside Troop gave his report. He reported that he had taken over the troop from Mr. J. J. Morris in February of last year and that the boys had progressed very well. They, with the 2nd troop had done several good turns and the greatest of these was the Santa Pal fund, which provided fruit, toys, etc. for the poor children. The boys had been to camp last July on the farm of Mr. Harris McFarlane of Fernwood and he wished to express thanks to Mr. and Mrs. MacFarlane for the use of their grounds. Mr. McFarlane has told him that the boys can have the use of his farm as long as he owns it. Thanks was also due to the local I. O. E. for a grant to help with the expenses of the camp. This was in recognition of a good turn. Mr. Hallett also wished to thank Mr. Warren and Stewart Leigh of Charlottetown for their helpful instruction during camp week. There were 28 scouts and 3 from Alberton at the camp.

Mrs. J. J. Gaudet had done much valuable work among the boys in giving lessons in First Aid.

Mr. W. W. Mutart had given the boys timely instruction during fire prevention week. The Wolf Cub pack in charge of Mr. Pond are progressing.

Mr. Hallett wished to express his appreciation of his appointment as Assistant Commissioner for the Province, an honour recently conferred upon him. He also wished to express his thanks to the Mayor and Town Council for the use of the Town Hall for their meetings.

Mr. Harold Arsenault reported for the second group and stated that they held their first meeting last February and had made good progress. A charter had been granted them and he had also received his warrant as Scout Master. There were thirteen tender foot Scouts and one second class scout, besides, six recruits on patrol. Five boys attended the Provincial camp last summer and he had been able to attend the Gilwell Camp at Sussex, N. B.

Mr. Stephen Pond, Cub Master, submitted his report. The Cubs had attended the weekly meetings regularly since he had taken them over in October from Miss McQuarrie. Eleven had recently been invested with the Cub Badge and there were one or two probationers. The Cubs had assisted with the distribution of toys and fruit at Christmas time, besides giving clothes to a needy family.

Mr. Parent then addressed the meeting on the merits of Scouting and congratulated the Summerside group on their advancement since the group was organized two years ago. He was particularly pleased with the interest the Cubs were taking in Scouting as the Cubs were a very necessary part of Scouting. He described the different Badges to the boys. He was pleased to say that on the Island

LOOT DISCOVERED—Cached beneath an overturned boat beside the Prince Street Wharf, almost a dozen plush cushions from a C. N. R. passenger car were found a few days ago by Sergeant Dominic Doyle. The railway authorities were notified of the discovery. The goods had evidently been stolen, and placed under the boat until an opportunity should arrive for their removal.

SEASIDE and Prince County

FUNERAL OF PROSPER P. DESROCHES—The funeral of Prosper P. DesRoches was held on Tuesday morning at eight o'clock from his late residence in Miscouche to St. John the Baptist Church. Requiem High Mass was celebrated by Rev. Martin Monaghan, D.D., P.P. The funeral was very largely attended, many from the surrounding districts being present. The pallbearers were—Messrs. D. F. McNeill and Mosey Blacquer of Summerside; Stanley C. Polier, Hubert J. DesRoches, Louis McMillan and Fred DesRoches—S

DEATH OF MRS. CHARLES MAYNARD—Many friends will regret to learn of the death on Saturday last of Mary Deiores, beloved wife of Charles Maynard of Port Hill. The deceased had been ill for about twelve months, but had borne her illness with Christian fortitude. She was a devout member of the Anglican Church at Port

there were now 150 Scouts, 60 Cubs, 26 active leaders and 100 associate members of the Provincial Council. The greatest difficulty they are facing is the lack of leaders. The committee for the 1st troop were re-appointed with two new members, Mr. Robert Mollison and Mr. George Key.

Some discussion took place on a concert by the Scouts to raise funds for camp equipment and also on having an apple day during apple week.

Rev. Bennett McDonald in a few remarks assured the committee of the whole hearted support of the 2nd troop in anything that is undertaken for the advancement of Scouting.

Mr. J. J. Enman moved a vote of thanks to Mr. Parent for his address. The motion was seconded by Mr. P. G. Clark and supported by Scout Master Hallett.

The meeting closed with the King

SPECIAL IS CANCELLED

Insufficient number of fans necessitates cancelling of special train to Moncton.

Hill and had been the organist for many years. She was prominent in the activities of the church and was a member of the Women's Auxiliary. She will be missed by the congregation and her place among her loved ones at home will be sorely missed. There are left to mourn besides her sorrowing husband, three children, Mrs. Carl Williams of Tyne Valley, Herman and William at home. Mrs. Maynard was the daughter of the late Williams Andrews of North St. Eleanors and of her family, four sisters and three brothers are left to mourn namely: Mrs. Ernest Secker of Omaha, Nebraska; Mrs. Irvin Johnson of Winnipeg; Mrs. R. R. Hunt and Mrs. F. F. May wife of Major May of St. Eleanors Rev. A. E. Andrews of Pictou, N.S. Harry C. Andrews and Horace Andrews of St. Eleanors, to all of whom sympathy is extended. Rev. Mr. Andrews arrived from Pictou on Monday for the funeral which took place yesterday afternoon.—S
