Why and How THE GUARDIAN Can Do It

The GUARDIAN will actually give away the above named prizes to the ones receiving the highest number of votes in this Campaign. Subscriptions are collected that would cost large sums to secure in the regular course of work. The money the Guardian would spend, with some added, is put into prizes so-called for the work that is done, and the paper is advertised in thousands of homes, its popularity spreads and the subscription list increases. True some get the big rewards and some the smaller ones. The rewards given are as represented. The Guardian adopts this plan to increase its business. Everybody is invited to take part.
