**"Racket Busters" With Humphrey Bogart
And George Brent At the Capitol**

This grim and exciting film lays
here all the horrible consequences
that can follow from the spineless
surrender of the citizens of any
community to the ruthless and rap-
acious operations of a racket leader.

In the true Warner tradition, the
picture speaks boldly, forcibly and
to the point. There is no concession
of the tender sensibilities of the
viewer. Truth allows for no such
concessions and this production is
a vividly true depiction of precisely
what is going on in too many Amer-
ican cities today.

The plot is, of course, fiction, the
picture having been filmed from an
original story made up by a collection
of all the knowledge brought to

**"Thanks For
Everything" At
Prince Edward**

Expounding the droll idea that
there is such a thing as a Mister
Average Man in this country of
ours, and that he would be worth a
fortune to any promoter who knew
how to handle him, "Thanks for
Everything," opened yesterday at
the Prince Edward theatre, and
kept a delighted audience on the
edge of their seats one minute, and
howling with laughter the next.

With a great cast of light and low
comedy experts, the picture merrily
proceeds to probe and explore this
happiest common denominator of
the American male to see what
makes him tick, and the process
gets more hilarious as each layer is
exposed. But when the probes reach
Mister Average Man's heart and
meddle with his Miss America — he
collects himself and establishes a
new high average in the behavior of
an American in love.

Wide-eyed Jack Haley was a
happy choice for the role of Mister
Average Man and he plays it for
all it is worth, which is to say, a
Haley's tormentors, satirizing Adol-
phe Menjou and doakish Jack Oakie
were never better, while lovely
blonde Arlene Whelan represents
the emotion in the life of Mister
Average Man—who therefore proves
himself a rare plover of feminine
charm.

Binnie Barnes, Tony Martin,
George Barber and Warren Hymer
are as expertly funny as ever, and
Gordon and Revel have written
some rollicking comedy tunes which
Haley and Martin sing.

"Thanks for Everything" is just
the thing for what ails you!

will be presented to the Provincial
Government at a later date.

FREAKISH WEATHER—The
weather man did a right-about-
face in the province yesterday. Last
night the mercury stood at five
degrees above zero, a fall of 35 de-
grees from the 40 above mark reg-
istered early yesterday. The wind
of gale proportions blew at a steady
35-40 mile clip last night from the
north west. A warm rain drizzled
over the province early in the day
but last night the gale piled up
drifts of light snowfall of less than
one inch that fell at noon.

Province. Mr. Shaw, H. H. Cox,
member of the Provincial Legisla-
ture, and W. A. Gaudet, Char-
lottetown, President of the Prince
Edward Island Fish and Game As-
sociation, attended a migratory
bird convention at the Dominion
Hotel. They said that their
presentations for a longer open
season on migratory birds were re-
ceived sympathetically at the con-
vention.

MacLaren and Whitey Gillis for
contributions providing recrea-
tional activities. The meeting was
presided over by Chairman Roy
McGillivray.

**FORT AUGUSTUS CREDIT
UNION**

The third annual
meeting of the Fort Augustus Credit
Union, Ltd., was held at Web-
ster's Corner on January sixteen
with over 200 in attendance. Mr.
John A. MacDonald, president,
the treasurer's report revealed
assets of \$800 and loans during
1938 of more than \$1000. The
president, John A. MacDonald,
spoke on the part played by a
credit union in the cooperative
movement and Miss Mary Slavin
read papers on the purpose of
the Prince Edward Island Credit
Union League. The guest speaker
of the evening, Jerome O'Brien of
Morell, stressed the importance of
the study club. At the conclusion
of his address he called on repre-
sentatives of the district clubs
and plans were formed for the
organization of an associated
club, with monthly meetings.
Peter Holland, John O'Connell
and Mark Brazil acted on the
nominating committee. Officers
elected to serve during 1939 are:

Nally, M. J. Murnaghan, Wallace
Callaghan and Ernest Hughes.

**RESIGNS FROM HOSPITAL
BOARD**

Miss Florence Lavers,
Superintendent of the Prince County
Hospital, has resigned her position,
her resignation to take effect on the
24th instant. At a special meeting
of the Hospital Board held last
night, Miss Lavers' resignation was
regretfully accepted and a resolu-
tion was passed expressing
the regret of the board of her de-
parture and extending their best
wishes for her future welfare and
success in her chosen profession.
Miss Lavers succeeded Miss Pid-
gion as superintendent of the
hospital about four years ago and
was assistant superintendent be-
fore that. During her term of of-
fice Miss Lavers has given un-
tiringly of her time and talent to
her hospital and her resignation will
be learned with much regret by
the general public.

AT ROTARY

"City Home
Beautification" was the subject of
an interesting and practical ad-
dress given at the Rotary luncheon
yesterday by Gordon Warren,
graduate assistant of the Experi-
mental Farm, Mr. Warren said that
the first thing to consider in
landscape gardening is the lawn.
He told the club how to lay out
the proper soil to be used, the
kind and quantity of seed to be
sown, described how the trees,
shrubs and flowers are to be
planted, and gave valuable advice
with regard to pruning watering,
etc. He stated that the Experi-
mental Farm would be glad at any
time to advise home owners with
regard to home beautification.
Past District Governor Walter S.
Grant, General Chairman of the
Conference Committee, stated that
the district conference would be
held in Charlottetown the latter
part of May or the first part of
June. He announced the personnel
of the various committees. A letter
was read from R. H. Johnson,
Executive Field Man of the
Boy Scouts, acknowledging a gift
from the Rotary Club of \$25 to
buy tools for the toy shop. He
said that 650 toys were made last
Christmas. Rotarian Stuart Irvine
presided.

Last Evening**

At the annual meeting of the
Young Men's Christian Association
last evening a resolution was passed
calling upon the new board of di-
rectors to appoint a special com-
mittee consisting of representatives
of the present trends in the work
of the "Y" and to report to the As-
sociation on its findings which
would involve the question of a new
building (if public opinion was
found to be favorable a new build-
ing for the Association would be
recommended. The resolution was
passed by Judge H. L. Palmer and
seconded by Mr. P. J. Holman.

The 32nd annual meeting was in
the form of a banquet, provided
for the Ladies' Auxiliary of the Y. M.
C. A. under the direction of Presi-
dent Mrs. Mary MacLean. Dr. J. A.
Clark, president of the local associa-
tion, presided.

The devotional period was con-
ducted by Rev. H. L. Denton and
Rev. G. Currie Webster. A cer-
emony was held in which the
reports were adopted on motion of
Mr. Frank Stacey were seconded by
Mr. F. M. Stewart.

The following were elected to the
directorate for a three-year term,
expiring in 1941:

Dr. J. A. Clark, Messrs. J. E. Har-
ris, Edwin Johnson, W. M. Rowe,
L. J. Stacey, Messrs. K. M. Martin
and J. A. Stewart were elected to
fill unexpired terms in the di-
rectorate until the annual meeting
in 1940.

Report of the nominating com-
mittee was adopted on the motion
of A. R. Belcher and Clifford Mac-
Donald.

Officers of the Association will be
elected at a later date.

The gathering was favored by
solo selections from Mr. Jack Mac-
Kenzie and recitations by Mrs. Ar-
thur Roper. Professor A. R. Kendall
presided at the piano.

Over 60 guests attended and
showed keen interest in the reports
presented by the various organi-
zations. The reports were attractively
and compactly got up and dis-
tributed in booklet form for more
exhaustive study by members.

**Sees World Fair
As Factor In
Business Pick-up**

The silver fox industry in the
United States is at present going
through a leveling out process,
with a good demand for furs but
with price levels below the cost of
production, states Mr. J. B. Lewis,
of Michigan International Fox
and Furs, Inc., one of the largest
ranchers in the United States, who
is visiting Charlottetown. Mr.
Lewis's company operates large
silver fox ranches at Saginaw and
Fenton, in Michigan, and has also
a ranch at Mansfield, in this Pro-
vince.

Loath to make any prediction
with regard to future prices, Mr.
Lewis pointed out that the indus-
try is dependent on general busi-
ness conditions, which he was
hopeful of seeing improved with-
in the next few years. The pro-
duction this year in the United
States will be about 225,000 skins.
This represented a decrease over
the preceding year, though there
has been a larger percentage of
adult fexes pelts.

The World Fair at New York,
which is expected to draw some

600,000,000 visitors

will have a
good effect on business generally,
in which the fur industry will
share, Mr. Lewis believed.

He emphasized the basic impor-
tance of the industry by pointing
out that of the \$90,000,000 esti-
mated production of raw furs last
year in the United States, silver
fox accounted for about one-third.
This amount could be multiplied
many times in estimating the
value of the finished product.

**Gives Outline
Of Discussion
Club Procedure**

"How to Conduct a Discussion
Club" was the subject discussed by
Dr. John P. Croteau, guest speaker
last evening at the Gyro Club din-
ner.

Dr. Croteau opened his address
by tracing the history of men's
clubs and emphasized that the club
had a glorious tradition. The mo-
tives which inspire it lie deep in
human nature and its possibilities
along educational lines are great.
He went on to explain the nature
of discussion and some of the
possibilities of action open to an
organization such as the Gyro
Club. There were, he said, three
kinds of discussion groups, name-
ly, social, action and educational.
A social group is assembled for
purposes of pleasure and enter-
tainment; an action group for the
definite purpose of deciding upon
a plan of action and perhaps of
putting this plan into effect. The
educational group differs from the
others in the fact that its purpose
is to explore, to find out, to under-
stand.

Dr. Croteau spoke on how to
carry on a discussion in a men's
club for members only and then
in general. He pointed out that the
greatest weakness in service dis-
cussions is when the guest speak-
er does not encourage questions to be
asked.

The Forum, the Symposium, and
the Panel, other types of discus-
sion techniques were next review-
ed. The forum has only one
speaker during the evening, while
the symposium has three or four.
In both there is open for all or
questions. The panel discussion is
a little different. Here six or
eight people sit around a table on
the stage facing the audience.
They propose to discuss a certain
question; the chairman introduces
the subject and then the discus-
sion is carried on without any
order, each man presenting his
views as in ordinary conversation,
the audience, as it were, sitting in
on the conversation. After a cer-
tain period has expired the audi-
ence is permitted to ask questions
of any of those on the panel. Dr.
Croteau said it would be a wonder-
ful thing if a forum could be or-
ganized in Charlottetown and ex-
plained the opportunity for the
Gyro to contribute to public en-
lightenment in this matter.

In conclusion he pointed out
that the service club and adult
education have much in common
and that it is desirable for all to
get together and help to build a
more enlightened society.

Routine business was trans-
acted after the discussion. Mrs. A.
Elliott, Russell was the chairman.

In Memoriam

FOLEY—In Loving Memory of
Daniel Foley who passed away
January 24, 1919.

I am sad within my memory,
Lonely is my heart today,
For the one I love so dearly
Has forever been called away.
I think of him in silence,
No eyes may see me weep
But many silent tears are shed
When others are asleep.
Inserted by His Daughter Nell,

**Get Your Fox
Production Out
Of the Red**

Fox and Mink Ranchers! With pelts
prices at a low level it is of even
greater importance that maximum
production of pups be obtained.
Good feed ensuring high production
is cheaper than "cheap price tag"
feed with ensuing poor production.

When you feed so little cereal and
Ross-Miller food costs only a few
cents more per 100 lbs., why risk
