JOHNSTONS RIVER W. I.
On March 5th the "Leaves of
Friendship" Women's Institute
Branch held their monthly meet-
ing at the home of Mrs. Walker.
Walker, the president, called the
meeting to order. The members re-
peated the creed in unison, and the
roll call was answered by an Irish
joke. For next month it was decid-
ed that the roll call be answered
by "A Housecleaning Hint."
Much time was then spent on
discussing preparations for a St.
Patrick's concert, and how we might
successfully stage it.
The sick committee reported no
activities. The school committee
gave a splendid report. It was decid-
ed that a stand be erected for the
globe and the water-container in
the school.

held yesterday morning from Frank

Father Douglas, who also conducted
the service at the grave. The pall-

The Saints hockey squad emerg-
ed victorious in the Western sec-
tion of the Maritime Intercollegiate
League by virtue of their 8-4 win
over Mt. Allison at the Forum on
Friday night. The game was very
fought one throughout, but the
Mounties were not match for the
fast skating Saints who piled up a
lead of four goals in the first per-
iod, scored three to the Mounties
on one in the second and were con-
tent to score one to their opponents
three in the final frame. The Saints'
first line of Grant, Steels and
Coyne figured in most of the scor-
ing, while the second line of
Trainer, Murnaghan and MacIn-
nis played a great defensive and
backchecking game. The defence
sparked by Chris Gallant turned in
a fine performance. The game was
capably handled by Walter Lawlor
and Pat Fowler.

On Tuesday night St. Dunstan's
scored 8-2 over Mt. Allison by the
score of 8-2. Because of their im-
portant game with Acadia on Thurs-
day night the Saints took things easy
until the last period when they
scored both goals. The result of
this game did not affect the stand-
ing of the first-place Saints.

said last night he would attend
joint political meetings called for
Murray Harbour South Tuesday af-

statement to clear up any misun-
derstanding that might exist as to
whether he would be present at both
meetings, the Doctor said, and
to clear up questions of time.

ICE CONDITIONS IMPROVED—
A shift of wind yesterday improved
ice conditions on the nine-mile
ferry route between Borden this
morning. The current on the
New Brunswick side. The powerful
icebreaking ferry Charlottetown
made good time on crossings. Thurs-
day last night the ice in the
channel between the mainland shore and
the boat was delayed hours on each trip.
Clear skies freed Canadian Airways
service from Charlottetown to
Thursday and normal traffic be-
tween this centre, Summerside and
Moncton was resumed yesterday.

The Saints, champions of New
Brunswick and Prince Edward
Island, lost to Acadia, Nova Scotia
champions, by the score of 3-0.
Because of this win Acadia are now
the Maritime Intercollegiate Cham-
pions. There was no score in the
first period, the Nova Scotia
champs banged in two in the sec-
ond and one in the final period.

THEVES BUSY—Thieves have
been active in the city during the
week and two breaks are being
reported. A shed at the rear of Mr. E. P.
Fanton's residence, Elm Ave. was en-
tered Thursday night and a 60-pound
box of business butter taken. En-
trance was gained by breaking a
glass in the door and reaching in
and turning the lock back. On
Wednesday night the rear porch of
an apartment on lower Grafton
Street was entered and a market
basket containing soap, butter and
other articles stolen. A raincoat
hanging in the entrance was also
stolen. Entries were gained by
pushing open the porch door.

The Maritime series is now history.
Why didn't the Saints win the
Maritime Intercollegiate Cham-
pionship? Without full particu-
lars of the game at time of
writing (Friday) we can only sur-
mise. Perhaps the extra ordinary
But, it does seem extraordinary
that our high-scoring first team
Coyne, Steels and Grant did not
break into the scoring column ac-
cording to a telephone message re-
ceived last night. The ice in Truro
was very soft. Perhaps this is the
explanation. Doesn't it seem to
be bad that the "powers that be" do
not arrange to have the Maritime
Intercollegiate Finals played in a
rink that has artificial ice? We ask
this question not as an alibi for
failure to win the Maritime title,
but rather as a suggestion for
other years.

TRINITY YOUNG PEOPLES
UNION—On Friday night,
Trinity Y. P. U. again held its week-
ly meeting. A paper, assisted by
David Mutton and some Fraser had
charge of the devotional period. The
theme for the evening was "Books."
David Mutton read an interesting
article on that subject. The busi-
ness period followed during which
the minutes were read and several
items of business discussed. The
clubs and some Fraser had charge
groups then met for classes, after
which the social part of the evening
was enjoyed. A rollicking sing-song
brought a thoroughly typical Y. P.
U. evening to a close.
