WELLINGTON, N. Z., Aug. 5.—A marked drop in both revenue and expenditure is disclosed in the New Zealand public account for the first quarter of the year, issued here today.

Seeks Fortune

SAINT JOHN, Aug. 5.—(By The Canadian Press)—Scouring Saint John and vicinity for the key he says will unlock legal gates guarding a fortune estimated at \$1,000,000, Wesley Shaw, 72 years old carpenter of Detroit, Mich., is here seeking documentary proof of the identity of Robert Purdy, 71, said to have died here a few years ago after the American revolution.

TO A FRIEND

Often I think of that beautiful Isle, Bathed and refreshed by a cool salt air; Where the moaning surf meets the rugged rock; Though by miles removed I am still dwelling there.

The rolling landscape, so wondrously charming, With meadows and orchards adorned like a bride; Bring me back to my boyhood with fond recollections, To my native Prince Edward, deep-skirted with tide.

There in the dim grey dawn of the morning, Also the lingering glow of the west; I received my early conception, Of a mission God has now richly blessed.

I am not come to paint a picture, As one who with paint and brush greatly skilled; I am come to bespeak my devotion To a people who with romance are filled.

There you find some who are lacking, In culture and refinement most rare; But by and large a people beloved By those who are just and play fair.

I am one of a type who dwell on that Island, Removed as it is by the briny deep; Its rock-ribbed shores are to me monumental.

Of a people, whose memory I shall always keep, There I have friends, some gallant and stately, There are those who are capricious, and those who are trim; There is one who is gentle, and in friendship most mighty, He's my ship-mate and partner, I mean "Hughie Jim."

P. E. I. Presbytery In Quarterly Session At Malpeque Church

The Presbytery of Prince Edward Island met in regular quarterly session on Tuesday, July 18th in the Keir Memorial Presbyterian Church, Malpeque, and was opened in due form by the Moderator Rev. Fred Williamson.

Those present were Rev. Fred Williamson, Moderator Rev. R. Hensley Staver, Clerk; Rev. Chas. J. St. Clair Jeans, Rev. Allister Murray, Rev. R. Moorhead Legate, Rev. Alex. R. Gibson, Rev. J. Keir Fraser, D.D., Rev. G. Carlyle Webster, and Rev. D. L. Griffiths and Messrs. Robert McNutt, Fred Clarke, Dr. A. J. Murchison and S. M. Hicks representative elders.

Others present not members of the Court were Rev. M. E. Genge, D.D., Rev. W. O. Rhoad, Rev. J. Keir Thompson D. D., Messrs. V. E. Osborne and John T. Fraser, Student Catechists, Messrs. Andrew McLeod, Angus Green, Hugh Corbett, Heath McLeod, Robert McKay, George Proffit and Colin Mountain, elders, and Messrs. John Anderson, Colin Smith, George Mountain, Dalvey Murchison and Garnet Campbell representative laymen.

From outside of Prince Edward Island there were also present Rev. F. Scott McKenzie, D. D., Principal of the Presbyterian College Montreal, Rev. A. S. Grant, D.D., Secretary of the General Board of Missions, Toronto, Rev. Geo. E. Ross D.D., Erskine Church, Ottawa and Rev. John McNeil, D. D., Principal of the Bible College, Toronto.

These gentlemen were all asked to sit and correspond. There were two business sessions with a public meeting in the evening.

Among the first items to be dealt with was the correspondence under this heading came four applications from ministers of other churches asking to be received into the Ministry of the Presbyterian Church in Canada.

The Presbytery of Victoria is making application to the commission on the Reception of Ministers for leave to receive Rev. Malcolm C. Martin of the Presbyterian Church, U. S. A., as a minister of the Presbyterian Church in Canada.

The Presbytery of Moose Jaw is making application to the General Assembly for permission to receive Rev. James Middleton recently of the Presbyterian Church, England, as a minister of the Presbyterian Church in Canada.

These applications were received and placed on file. The Clerk read a letter from the Clerk of the General Assembly giving information regarding a recent action taken by the Assembly making certain requirements of all ministers who are on the Presbytery Roll or on the appendix to Roll. All ministers are required to forward to the Clerk of the General Assembly a tabulated statement giving their full name, the date of their birth, the date of their ordination, the date of their reception into the church and a number of other necessary facts.

Blanks upon which this information is to be written out are being prepared by the Assembly. When these blanks arrive the clerk will have them sent to the different ministers so that the required information will be secured in the near future.

The Presbytery granted a Presbyterial certificate to Mr. John T. Fraser, B. A., who has been laboring since May with much acceptance in the congregation of Murray Harbor North and Peters Road.

A Presbyterial Certificate was also granted to Mr. Donald Campbell, Hestherdale, preparatory to his attending the Presbyterian College, Montreal, during the coming college year.

Rev. S. J. McArthur, M.A., B.D., Minister of the Presbyterian Church Moncton was unanimously nominated as a candidate for the Moderatorship of the Maritime Synod which is to meet in October next.

Rev. F. Scott McKenzie, D.D., was introduced to the Presbytery and spoke at some length regarding the work of the Presbyterian College Montreal. He showed how that church today needs more young men in the Ministry who have been reared in our Canadian homes and trained in our Canadian Schools

and Colleges. While the Presbyterian Church in Canada is grateful for the help received from the men who have come into the ministry from outside countries yet there are no men who understand our people and can minister to their needs so well as our own Canadian young men.

The outlook for a larger number of young men bettering the ministry is bright with hope. When the hour of three o'clock arrived some time was spent in waiting upon God in prayer in behalf of the Economic Conference to be held in Ottawa. This prayer service was led by Rev. Geo. E. Ross, D.D., and Rev. John Nichol, D. D.

The Home Mission report was presented by Rev. R. Moorhead Legate, Convener of the Home Mission Committee. Mr. Legate told of the work being carried on in the different fields and congregations under the care of the Home Mission Committee.

When he had given his report Mr. Legate asked the Presbytery to relieve him of the convener'ship of this committee: after considerable discussion over the matter the Presbytery very regretfully accepted Mr. Legate's resignation and appointed Rev. G. Carlyle Webster to take Mr. Legate's place as convener of the Home Mission committee.

In order that Mr. Webster might accept of this position he resigned his office as convener of the Budget Committee, Rev. Chas. J. St. Clair Jeans was then appointed Convener of the Budget Committee in place of Mr. Webster resigned.

Rev. G. Carlyle Webster then presented the report of the Budget Committee. While the amounts thus far received from the various congregations are not so large as they should be, yet they are somewhat in advance of what was paid in this time last year.

Rev. A. S. Grant, D. D. was then introduced to the Presbytery and spoke at considerable length regarding the Forward Financial movement recently inaugurated in the Presbyterian Church in Canada.

Dr. Grant spoke very enthusiastically of the splendid response being made to the appeal for money for the work of the Church and especially by the men of wealth. In making out the allocations for this Forward movement the sum of \$2,885.00 was allocated to the Presbytery of Prince Edward Island. All in the money that has thus far been raised for the One Step Forward movement will be counted as part of this allocation. A number of the congregations will thus already have raised the amount required of them.

The prospects for securing sufficient funds to carry on all of the work of the different departments of the Church are bright. The Presbytery then unanimously adopted the following resolutions:

1. That Presbytery having heard an outline of the plan as presented by the Secretary of the General Board of Missions for the raising of a sum of \$500,000.00 for the liquidating of the present Budget Deficit and for the Church Extension Fund approve of the same.

2. That Presbytery adopt the apportionment assigned to the Presbytery of Prince Edward Island in the terms set forth.

3. That Presbytery appoint the Budget committee and the Home Mission committee of Presbytery as the committee to follow up this matter and make any adjustments that may seem best to them.

The thanks of the Presbytery were extended by the Moderator Rev. Fred Williamson to Rev. A. S. Grant, D.D., for his inspiring address and by Dr. Grant suitably acknowledged.

Rev. Chas. J. St. Clair Jeans and Rev. Allister Murray the commissioners who had attended the meeting of the General Assembly held in London in June gave glowing reports of the work that is being done by the Presbyterian Church in Canada throughout the length and breadth of our Dominion. With the proper leadership the Church was undoubtedly a great future before her.

As Rev. M. E. Genge, D.D., is completing his work in the pastoral charge of Marshfield, Mt. Stewart and Highfield, at the end of July it was unanimously agreed that the Presbytery of Prince Edward Island place on record an expression of its appreciation of the good work done by Dr. Genge in the several congregations in which he has labored within its bounds.

It was agreed that all of the congregations within the Presbytery send in their Session Records at the time of the annual meeting in November to be examined by the

Peters Road

We are pleased to state that Mrs. Albert Horton, Peters Road, is now much improved in health after her recent illness.

A number of visitors from Abney, Mrs. William Jordan and her son Ivan and daughter Elsie with others visited at the home of Mr. David Horton and family, Peters Road, quite recently.

The general feeling among farmers is that this season's crop will be somewhat above the average if present appearances count. Haying is about completed and the result is most gratifying.

Mr. and Mrs. Earle Johnston of Fortuue, P. E. I., made a brief week-end motor trip to Peters Road where they were the guests of Mrs. Johnston's parents, Mr. and Mrs. S. S. Butler and family. Mr. Johnston with others of the family is a successful lobster packer, operating his factory at East Point.

A large and appreciative audience greeted the choir of the Peters Road Presbyterian Church on Sunday evening, July 31st, when an excellent musicale of the old familiar hymns was rendered. Much praise is due the pastor, Mr. Fraser, for the pleasing innovation and the members of the choir and others who took part in the service.

Mr. Fraser's address, based on one of the hymns "Lead Kindly Light," was also much appreciated.

Mr. John M. McFadyen of Sydney, N. S., after an absence of eighteen years, is now visiting his native province, and while here is the guest of his aunt Mrs. David MacDonald, Peters Road. Mr. McFadyen is a returned man, having seen service overseas in the Great War, and is a son of the late Angus McFadyen and Mrs. McFadyen, who were formerly residents of this vicinity, but who located in Sydney with their family at the time of the boom in the iron and steel industry there. Before making the trip Mr. McFadyen spent some time at Camp Hill Hospital, Halifax, for, like many others, he did not escape unscathed from the great conflict. The Guardian, with friends, extends greetings to Mr. McFadyen, and wish him a pleasant holiday trip in the scenes of his boyhood days.

Among others who attended the musicale in the Peters Road Presbyterian Church on Sunday, July 31st, were Miss Kathryn and Miss Margaret McLeod, Head of Montague, P.

committee appointed for that purpose.

Rev. R. Moorhead Legate was appointed to convey the thanks of the Presbytery to Rev. Fred Williamson and the other members of the Malpeque Session for the use of their Church and to Mrs. Robert McNutt and the other ladies of the congregation for the two very bounteous repasts served at noon and again in the evening at the spacious home of Mr. and Mrs. Robert McNutt, Rev. Robert Johnston D.D., Moderator of the General Assembly is expected to visit the Island in the near future. It was agreed that the arranging of his itinerary be left in the hands of Rev. R. Moorhead Legate and Rev. G. Carlyle Webster.

The Presbytery then adjourned to meet at the call of the Moderator and Clerk of which public intimation was given and the meeting was closed with the benediction by the Moderator Rev. Fred Williamson.

In the evening a public meeting was held at which Rev. Fred Williamson the Moderator of Presbytery presided. At this meeting Rev. R. Moorhead Legate took the opportunity of extending to Rev. William Legate and the other members of session the thanks of the Presbytery for the use of the Church building and also to Mrs. Robert McNutt and the other ladies of the congregation the thanks of the court for the splendid entertainment received from them during the day in Malpeque.

Rev. F. Scott McKenzie D. D., Principal of the Presbyterian College, Montreal was the speaker of the evening.

Dr. McKenzie gave a very thoughtful and inspiring address. Whenever Dr. McKenzie can find it convenient to return to Malpeque he will find a hearty welcome awaiting him.

The day thus ended was found by all who attended the several meetings a very pleasant and a very profitable one.

Tourists From Britain Will Arrive Saturday

MONTREAL, Aug. 5.—What may prove to be a considerable movement of tourists from Britain to Nova Scotia will be inaugurated next week-end by a party of British tourists, members of the overseas league, who are due to arrive at Quebec in the Anchor Donaldson liner Letitia on Saturday. This party, comprising members of the League are proceeding to the Maritimes to spend a holiday of three weeks in a tourist camp, which the overseas league has established at Kildog Cove, Sherbrook Lake, Lunenburg County.

"The idea of this camping project originated with Miss Winnifred Wrench," said Arthur Randies, general passenger manager of the Cunard and Anchor-Donaldson lines in Canada, and himself a member of the league, in discussing the subject. "Miss Wrench believes that the possibilities of holiday-making in Canada for people from Britain have been overlooked."

"It is thought that this first party will inaugurate what may prove to be an annual tourist movement from Britain to Canada."

Mrs. Wm. G. Amsey, Malpeque leaves Saturday morning for Revere Mass, with her niece Miss Blanche Hunter of that place who has been summering here for the past few weeks. Mrs. Ramsay will have an extended visit and all wish her a very pleasant time.

The W. M. S. of the Malpeque and Baltic Auxiliary met at the Mansie on Tuesday, Aug. 2nd. After the regular meeting was over, they had as their guests the children of the Baby Board with their mothers. A very pleasant hour was spent. Lunch was served on the front lawn, and the guests and members enjoyed the informal occasion very much.

Rev. J. A. Goudge, Murray Harbor, who with his family are summering at Sea View Beach, ad. dressed a large congregation in Princeton United Church on Sunday evening, July 31st. His text was taken from Matthew 5, 3rd verse. "Blessed are the poor in spirit: for theirs is the Kingdom of Heaven." The sermon was very earnest and convincing and much appreciated by the audience.

"Not So Good"

HALIFAX, N. S., Aug. 5.—(By The Canadian Press)—Isaac Walton Killam, one of Montreal's leading financiers, returned to his native Nova Scotia tonight "to look over the bond situation in this part of the country."

"What is the bond situation like in your part of the country?" he was asked.

"I wouldn't like to say," he replied, adding that he had spent a few days fishing on the Restigouche River, New Brunswick, before coming to Halifax.

"What was the fishing like?" "Not so good as last year—like the bond situation."

MALPEQUE

WELLAND CANAL IS COMPLETED

OTTAWA, Aug. 5.—(By The Canadian Press)—The opening of the new \$130,000,000 Welland Ship Canal on Saturday will complete the most gigantic all-Canadian navigation project. Connecting Port Colborne on Lake Erie with Port Weller on Lake Ontario it provides a lighted passageway—day and night—across the Niagara Peninsula. The canal parallels the Niagara River about 10 miles distant.

With a navigation minimum depth of 25 feet, any vessel afloat except the largest passenger liner and warships, could be accommodated in the locks. The freighter "Lemoyne," largest Canadian-bull vessel, easily passes through with a cargo of 600,000 bushels of grain, although she is 633 feet long with a 70 foot beam. Statistics show 65 per cent of vessels passing through the Panama Canal in 1930 had a draft of less than 25 feet and 95 per cent had a draft under 30 feet.

For more than 27 miles between Port Colborne and Port Weller, the canal follows an almost straight line. Ships will take about eight hours to pass the eight locks and 21 bridges, though the passage has been made in six hours and 10 minutes.

More than 100 years ago the original small canal was begun. Before that freight was taken overland from Queenston on the Niagara River to Chippewa Creek. In 1924 a cairn was unveiled at Allanburg to mark the spot where the first sod of the first canal was turned.

Nine railway and 12 highway bridges span the canal. They are of four kinds—vertical lift, single leaf rolling bascule, double leaf rolling bascule, and swing—but most are of the vertical lift type with a clearance of 120 feet above the water level when fully raised. All bridges are operated by electric motors and can be opened in one and a half minutes. There are auxiliary gasoline motors.

To provide the power required by lock and bridge machinery a Hydro-electric plant has been installed at the Flight Lock with three huge turbines. The canal is well lighted throughout the entire course, and a telephone system links all locks, bridges, sub-stations, power-houses and executive buildings.

Port Weller, an artificial harbor formed by the extension of two embankments into Lake Ontario for more than a mile, has been improved by dredging and is prepared already to accommodate ocean-going ships by the score. At Port Colborne the entrance has also been deepened and a new channel approach to lock No. 6 constructed.

This is the fourth Welland Canal. The first was completed by a private company in 1829. It was eight feet deep and had 40 wooden locks. It ran from Port Dalhousie on Lake Ontario to Port Robinson Chippewa Creek, thence by the Niagara River to Lake Erie. It was later extended from Port Robinson to Port Colborne on Lake Erie.

In 1841 the Legislature of Upper Canada voted to purchase the Canal and enlarge it. This second canal now with only 27 locks, was opened in to traffic in 1845.

Following recommendations by a Royal Commission in 1870 the Dominion government enlarged the locks and deepened the canal. Through this passed billions of bushels of grain outward bound for Montreal and the European market. The fourth and final canal has been built on such an elaborate scale that it will form a unit in the St. Lawrence Seaway project planned by the United States and Canada.

Elevators Are Razed

HIGH BLUFF, Man., Aug. 5.—(By The Canadian Press)—Three grain elevators were a roaring mass of flames here tonight as a bucket brigade fought valiantly to save the railroad station from destruction. The blaze started high up in a cleaning and drying elevator owned by the Forsythe Elevator Company and in a few minutes the whole building was on fire.
