DENTISTRY

BY SPECIALISTS.

As Viewed by Some o Ch'town's Prominent Visitors.

Proud of the fact that in addition to our extensive practice among the people of Prince Edward Island, the quality of our dental work brings to us many patients from outside places, we submit the following letters from men who are well known to the people of this Province. We have received numerous letters from prominent people, cordially praising our work in all its branches. The following coming from large cities in the United States, England, Canada amply prove the extent and quality of reputation enjoyed by the Berlin Dental Parlors of Charlottetown.

Mr. W. H. Tetlow, representative of Rylands & Sons, Manchester, England, one of the largest firms in England. Mr. Tetlow visits Canada twice each year, and is one of the best known of English travellers who come to Charlottetown.

Mr. Frank B. Street of Montreal, representative of the well known firm of Williams, Green & Rome Co. No commercial man in all Canada is more favorably known than Mr. Street.

The Portland Packing Company is known to all P. E. I., the head of this large firm Mr. Clinton L. Baxter is an annual and popular visitor to this Province.

Read what the above gentlemen think of the Berlin Dental Parlors or Charlottetown.

Drs. Maloney & Kennedy,
Charlottetown P. E. I.,

Gentlemen:—
It is a pleasure for me to testify to your ability and the scientific work done at your office. I am always sounding your praises to my friends and in every case advise them to wait till they go to Charlottetown to have their teeth "fixed" at the "Berlin Dental Parlors."

I only regret that I did not meet you sooner, had I done so I would have all my teeth now instead of a few. Whenever I had an aching tooth I thought the only relief was to have the offender out. No dentist ever advised me to have them filled till I met you. I called at your rooms to have two aching teeth extracted. You simply refused to do it, telling me at the time you could save them and make them last for many years, I doubted but thought there would be no harm in trying it. Time has proved you were right. I now have comfort with my teeth and expect to have for years to come. I wish you every success.

Sincerely yours,

Gentlemen:—
During a previous visit to Charlottetown I had occasion to require dental service. I was recommended to you, and I soon became interested in your system of an expert for each department.

After a consultation I sat in your chair with confidence, and the results are so eminently satisfactory, I feel I ought to let you know of my appreciation.

The replacing of teeth by Bridge Work was a revelation, and the filling of a tooth which had previously been condemned by an English dentist a work of art I am

Charlottetown, P. E. I.

Dear Sirs:—
It is now over five years since I first called at your office to get relief from a troublesome tooth. Having previously had considerable experience with dentists in different cities, I was at once impressed with your system of specialization, and your treatment of me at that time was so successful that on the occasion of my annual visits to the Island my first object is a visit to you for a general overlooking of my teeth. So successful have you been in keeping my teeth in good shape, that my brother, Mr. E. R. Baxter, has also given the care of his teeth into your hands. It is with pleasure I give you permission to use my name.

Wishing you all success, I remain
Very Truly Yours

That you may ascertain for yourself the difference between our practice and all others, and not rely on our statement simply is one reason for furnishing the above letters. We have many others in our office which we will be glad to show anyone who is interested.

We shall be glad to see you personally and talk with you face to face.

ONTARIO TEACHERS FOR WEST.

KINGSTON, Feb. 11—A citizen just returned from the Northwest Territories has a contract to send out twenty Ontario school teachers at salaries guaranteed at $600 per anum.

MANY WOMEN ARE NERVOUS.

Suffering from Severe Headaches, Dizzy Spells and Bodily Weakness.

Dr. Chase's Nerve Food

Is Especially Valuable to Women.

Woman's system demands a plentiful supply of blood—of pure, rich, life-sustaining, tissue-building blood. If the blood is lacking in quantity or quality the nervous system must suffer and the nerve cells dwindle and die for want of proper nourishment.

Then comes headache, dizzy spells, weakness and fainting derangements of the digestive sysmte, sleeplessness, discouragement and despondency.

Dr. Chase's Nerve food cures such ailments thoroughly and well by increasing the quantity and quality of the blood. You can depend on it absolutely as we shall endeavor to prove by quoting the opinions of residents of the city:—

Mrs J. McLeod. Chestnut Street, Charlottetown, P. E. I. states: "For some time time I have been troubled with attacks of nervous sick headache, accompanied by indigestion. I began to use Dr. Chase's Nerve Food some time ago, and have greatly benefited by it. My digestion has been improved; and headaches have disappeared, and I have gained in flesh and weight, I consider Dr. Chase's Nerve Food a splendid health builder.

Mrs. N. S. Ward, Douglas street Charlottetown, P. E. I. and whose husband is a carpenter, states: "I was all run down in health this spring, and felt I needed a tonic. I frequently had severe dizzy spells and headaches and my nerves were weak and unsteady.

The use of Dr. Chase's Nerve Food has proved of great benefit to me, and I can recommend it rs a great tonic. My whole system has been built up by using this prepaaation, my nerves are steady and the headache and dizzy spells have entirely disappeared.

THE ANARCHIST IS ON TRIAL

For Attempting to Assassimate King Leopold, Bitterly Assails Modern Society.

BRUSSELS, Feb. 11—The trials of Genuare Rubino, the Italian anarchist, on the charge of attempting to assassinate King Leopold, Nov. 15, by firing three shots at His Majesty while the latter was returning from the Cathedral here, after attending a Te Deum in memory of the late Queen Henrietta, is going on in the assize court. Large crowds gathered in the vicinity of the court to which only the witnesses, lawyers and reporters were allowed. A detachment of police of considerable strength maintained order.

Rubino replied volubly to all interrogations and whenever he uttered the word anarchy', he raised his voice as though exulting in his connection therewith. The prisoner bitterly assailed modern society as the cause of all evil, declaring he only attempted to take the life of the king because the latter was the highest representative of society. Rubino added that he intended going to Italy for the purpose of making an attempt on the life of the Italian monarch, but he did not have sufficient funds. During the course of the prisoner's examination it developed that he left the Italian army because his officers persecuted him.

Rubino posed as a hero throughout his examination. He declared he gloried in his crime and in the course of his denunciation of society said: "I am not the accused. It is you and and the whole of your

The prosecution included in the indictment a letter from Rubino to a Socialist newspaper published in London, justifying the murder of Senor Canovas Del Castillo, the Spanish premier, who was assassinated at Santa Agueda, August 8 1897, by an Italian anarchist, and stating that he, Rubino, had contemplated killing King Edward, Nov. 23.
