To the Electors of the City of Charlottetown

LADIES AND GENTLEMEN.—At the solicitation of a large number of electors of the city to offer for the Mayoralty, I have decided to be a candidate for that honorable position, believing that the position should be best filled by a member of the council.

I have served at the council board as representative of Ward 4 for four years, and for the past two years as chairman of the Street Committee, my record in that capacity is before you. I am in favor of still proceeding with permanent improvements as long as they can be made within our revenue without adding any more to our taxation. I am not in favor of selling debentures at less than Par, and may say, since I have been in the council it has never been done. If I am elected I shall do all in my power to justify your confidence in me. While retiring from my position at the Council Board, I wish to heartily thank my friends and supporters in Ward 4 for their past kindness, and to ask them to again exercise that same hearty support in my election to the new position. Always your servant. B. C. PROWSE 1-17d3tstf
