W. M. S. ENTERTAINED.—The ladies of the W. M. S. of Montague United Church were entertained at the home of Mrs. L. A. Johnston on Tuesday evening. The devotional service was led by Mrs. M. MacLean, and a very enjoyable Easter program was presented, with a number of members taking part in the Scripture reading and prayer. Two duets "The Arose" and "Out of the Ivory Palaces" were very sweetly sung by Mrs. D. M. MacDonald, and Mrs. H. L. MacGregor. During this service it was urged that the members make this an outstanding year. Cards were passed around with a list of ways to help, and each member was asked to mark the things she was willing to do to bring this to pass, such as more prayer and study of the scripture, reading missionary books, teaching the children about missions in the home and organizations, attending meetings regularly and helping to acquire new members. A circle of prayer closed this service, and the president, Mrs. Archie Hume, then took over. The minutes of the last meeting were read and approved, and the roll call was answered by something on China. Plans were made for the Easter Thankoffering service to be held in two weeks time. It was decided to leave it in the hands of the minister to arrange for and exchange with another minister if this were possible, or to take the service which is to be on missions. There will be special music with some outside talent if possible. Plans were also made for a work evening next week to finish work on the quilt for an overseas box. Announcements were to be made from the public in the box. Sixteen hospital, and twenty-four sick calls were reported, and also seventeen treats and eighteen cards sent to sick and shut-ins. As there was so much business at this meeting it was decided to leave the study book for the next meeting, with Mrs. George Nicholson as reviewer. With the conclusion of the business period the meeting closed with the Missal Benediction. Refreshments were served by the hostess and a pleasant half-hour enjoyed.
