Nineteen Quebec Firemen Injured. QUEBEC, Nov. 20 —(CP)—Nineteen firemen were hurt, two of them seriously enough as to require hospital treatment, in a fire which gutted several small buildings and storehouses in the lower part of the city today. Deputy Chief Napoleon Drolet and Capt. Denis Normile suffered lacerations which necessitated their removal to hospital. The firefighters were injured by boards falling from the flimsy structure and by jagged tin dangling from wrecked roofs. The outbreak which caused damage estimated at about \$20,000 is thought to have started in a warehouse. HOME FOR JEWS. LONDON, Nov. 21 —(AP)—The Jewish Agency for Palestine announced here today that homes for 10,000 German Jewish children would be found in the Holy Land. The immigration plans subject to approval of the British Government, it said, would be financed by World Jewry.
