SCORED ANOTHER WONDERFUL VICTORY

One More Added to the Long List of Cures Effected by Psychine.

This young lady, who lives in Brownsville, near Woodstock, Ont., tells her own story in a few effective words of how she obtained deliverance from the terrible grip of weakness and disease.

I have to thank Psychine for my present health. Two years ago I was going into a decline. I could hardly drag myself across the floor. I could not sweep the carpet. If I went for a drive I had to lie down when I came back. If I went for a mile on two on my wheel I was too weak to lift it through the gateway, and last time I came in from having a spin I dropped utterly helpless from fatigue. My father would give me no peace until I procured Psychine, knowing it was excellent for decline or weakness. I must say the results are wonderful, and people remarked my improvement. Instead of a little, pale, hollow checked, listless, melancholy girl, I am to-day full of life, ready for a sleigh-ride, a skating match, or an evening party with anyone, and a few months ago I could not struggle to church, 40 roads from my home. I have never had the slightest cause to fear any return of the disease.

ELLA MURIEL WOOD,
Brownsville, Ont.

Thousands of women are using PSYCHINE, because they know from experience that in it they have a safe friend and deliverer. Psychine is a wonderful tonic, purifying the blood, driving out disease germs, gives a ravenous appetite, aids digestion and assimilation of food, and is a positive and absolute cure for disease of throat, chest, lungs, stomach and other organs. It quickly builds up the entire system, making sick people well and weak people strong.

Next week there will be presented in Summerside, for the first time in its history, a high class comic opera by local talent exclusively. In the caste of characters there are about fifty voices that have been in constant training for the past three months. The leading roles will be taken by singers whose musical ability has almost placed them in the first rank among Island musicians, and it is safe to say that not only from the dramatic as well, the entertainment will be one of which Summerside will have just cause to feel proud. Professor Whitney who has spent months of study on this great effort, feels confident of success in his undertaking, and Summerside audiences know how high his ideals are, and what he means by a successful musical entertainment. Everything points to this as a great musical event in the history of Summerside. 3-27d1i.

An O'Leary correspondent writes: Mr. Tennyson Smith was here on Friday night but the audience was not very large on account of the bad roads and rainy evening. Everybody was well pleased with him.—H. W. Turner is in town.—Many are sorry to hear of the death of Mrs. Havelock Gibbs of this place which took place on Monday very suddenly.—The storm here last Wednesday did not do very much damage at O'Leary but a little way from here, Thos. Brown's, barn was unroofed, also Watson Silliker's and George Morehead's wind mill was badly damaged, and other smaller accidents happened.—Lamot Arsenaux, of Beaton Rd. Brae, Lot 9, a new settler to this new house he had not moved in as it was not quite completed. He places his loss at $160.—Miss Minnie M. Turner, of Taunton, Mass., came home on Saturday. She has been sick with typhoid fever but is getting around and no doubt when the warm weather arrives she will soon be well.—Miss Annie S. McFarlane, of Fernwood, Bedeque, arrived home on Saturday from Boston, where she had been visiting for the past three months.

The competition in judging at the Seed Fair will take place Thursday morning in the Parochial hall while the fair is being held.

The Doctor of Alcantara, comic opera, is overflowing with bright, catchy, brilliant music and is altogether free from cheap, trashy jingle. 3—27d1i

No one should miss seeing the special display of furniture being made by R. T. Holman, Ltd., in their newly filled up showroom, during the Provincial Seed Fair days, today and tomorrow. 3-27d1i.

Maurice Maynard who purposes opening a general store at Port Hill, went to Charlottetown yesterday to purchase goods. He was accompanied by H. B. S Birch who has had considerable experience in the mercantile life.

The entries for the Seed Fair which opens in Summerside today, came in thick and fast yesterday. Owing to the Market Hall being unsuitable the Fair will be held in the new Parochial Hall. The committee of management were in town yesterday working out the details and if the weather is fine it is safe to say that the Fair will be a grand success.

Death in one of its saddest forms visited the home of Charles R. and Mrs. Rogers, Summerside, yesterday afternoon, when after an illness of only two days and during the absence of both parents, their youngest son Jack, aged eleven years, was taken away. He was a bright, manly little fellow whom everybody loved, and the announcement of his almost sudden death, was received with surprise and sorrow by the whole community. Mrs. Rogers, who as announced in yesterday's morning's Guardian was in Montreal, left that city, yesterday for home. She is accompanied by her brother John Crosby of St. John's, Newfoundland, and cannot reach home before tomorrow when she will cross via the Capes. In response to her telegraphed request, she was kept informed en route, of her son's condition. The last sad message was forwarded to Campbellton, N. B. Mr. Rogers who was in Cape Breton, arrived at Cape Tormentine yesterday, too late to connect with the ice boats. He will reach home today. In their sad journey homeward and the heartbreaking delays that must be endured before they rejoin the broken family circle and look upon their dear dead, they have the heartfelt sympathy of all. Two other children, Miss Olga, and Master Graham, survive.

Coughs, colds, hoarseness, and other throat ailments are quickly relieved by Cresolene tablets, ten cents per box. All druggists.

The Company has decided to issue a stock bonus to shareholders of 50 p. c. from its present large surplus, making the paid up capital $300,000 purchasers of these shares now, get the benefit of this bonus. As the present market value of its assets is about $650,000 or 250 p. c. of the present capital stock, there is still an ample surplus to meet any contingency that may arise. In the near future the remaining uncalled capital will doubtless be paid up from profits.

Grand Spring Millinery Opening
On Wednesday and Thursday the 27th and 28th inst

commencing on Wednesday at 2 p. m. and continuing all day Thursday with store open each evening until 9.30.

No need to tell the ladies that our Millinery Show will be very superior. Our reputation as leaders in Millinery here is already well established and the display we have now prepared for you, will prove most conclusively that we mean to maintain that leadership.

Our head milliner, Miss West, was privileged to spend some time in one of the largest Millinery establishments in Toronto, where the very choicest gems from the world's Millinery Centres were shown in lavish profusion. Several of the most charming and appropriate specimens were purchased by her for this opening, while the best points of others were carefully noted, and brought out in the splendid display now prepared for you by Miss West and her capable assistants. The styles this season are altogether new, but are most bewitching. We extend a most cordial invitation to one and all to attend this grand exposition of Spring Styles in Millinery.

Besides the beautiful Millinery, we will have a general display of New Spring Goods, New Suitings, New Dress Goods, New Silks, New Gloves in elbow and shorter lengths, New Laces, New Veiling, New Ribbons, New Spring Jackets, New Skirts, New Gents' Furnishings of all kinds, all tastefully displayed for your inspection.

Come and enjoy a rare feast of things new and beautiful, in an artistically decorated store.

M. TRAINOR & CO.

Wall Papers on the Move

Our Wall Papers might well be characterized "moving pictures" for the simple reason that the papers themselves are as pretty as pictures, while they have been constantly moving out, at a rate which gives us boundless pleasure, in that it shows, that our venture has met with universal approval and support.

The quality, the beauty, and the cheapness of our Wall Papers is already a household word, not only in the City, but in the surrounding country as well, to which we have already sent many substantial bundles.

This is only as it should be, as the people realize that they can now procure the very cream of Wall Papers, at the prices they have been accustomed to pay for the buttermilk.

Remember we have upwards of 300 different designs, all new, and ranging in price from 6cts. per double roll up, with beautiful borders to match at the same price as the side wall papers.

We cordially invite all our customers and the public generally to give us a call when in need of Wall Papers of any kind. Your trade will be most thoroughly appreciated. Sets of sample books will be cheerfully sent out, and called for.
