The following is the report returned from a sample of Dearborn's Perfect Baking Powder sent to the American Journal of Health.

MESSRS DEARBORN & Co.,
 Gentlemen:—Re Dearborn's Perfect Baking Powder, would say that we have found this article to be absolutely pure and thoroughly wholesome. No better baking powder from the standpoint of chemical science has ever come before our notice. Its blend is as near perfection as has yet been attained, while its high order of leavening power singularly marks it off from the multi-farious baking powders of inferior grade, which is our misfortune to meet with so often.
