THE CATARRH CLUTCH!

This Disgusting Malady is at the Throat of Nine Hundred in Every Thousand of Our Country's Population.

This is Not Hysteria, it is Borne Out by Carefully Compiled Statistics of Diseases Most Prevalent - Its Development is Watched Carefully, Because it's so Sure a Forerunner of that Arch Molech of Disease - Consumption - if Neglected.

WILL I SUICIDE?

While There's Life and Dr. Chase's Catarrh Cure There's Hope.

I had suffered so many years from catarrh that I don't know that I will ever get it out of my remembrance. One day, when I took one of the endless prescriptions given me by the medical man to a druggist, I asked him bluntly, "Will this cure me, or will it not? Or will it be like the rest?" I was nearly desperate, I can tell you. The druggist said, "No, nothing can cure catarrh. I have it myself until I often think of suicide. I take opium usually to sleep it off." I took the prescription away unfilled and went home, thinking of what the druggist had said about suicide, and I was utterly disheartened. I have that prescription yet. One day my deliverance came. A lady told me she had suffered just as I had, and was nearly insane, and that a remedy known as Dr. Chase's Catarrh Cure had actually cured her. I had read a lot about Dr. Chase's Catarrh Cure, but I felt toward it as I did toward other medicines; had no faith. I tried it as a last resort. I used two boxes of Dr. Chase's Catarrh Cure, and found it a complete cure.

PRINCE EDWARD ISLAND

And Its Attractions to Tourists.

Prince Edward Island's summer climate is delightful, free alike from chilling fogs and excessive heat. The many bays and winding estuaries, together with the dark and bright green foliage, and the rich verdure of the meadows, make up a scenery which is beautiful and quietly picturesque. Surrounded by the Gulf of St. Lawrence, whose waters are almost as saline as those of the ocean itself, it enjoys all the coolness of the sea breeze, and the advantages that can only be derived from sea bathing. The average temperature of the water is about 65 degrees.

Charlottetown, the important city of the Island, has over 12,000 inhabitants, and is the capital. It is connected by rail, steamship and stage with all the important villages, towns and seaports, and an extra fine farming region. It has many great retail stores, besides a large wholesale trade. It has an enterprising Gas Light and Power Company, two Electric light plants, and a street railway will soon be an accomplished fact. It has a first class water works system supplying the city with as good if not the best water in America, and a complete modern system of sewerage is now being constructed. It is famed for its wide streets, many of which are shaded, its many pleasant drives, the principal of which is the new Park Roadway, its attractive surroundings, pure water, and clear, cool and bracing air. It is widely known as one of the healthiest cities in Canada. It has two hospitals, many churches and a large and elegant new Opera House. It also has several fine public buildings and a market which is one of the chief sources of the citizens' pride. It has one of the largest and best equipped pork-packing establishments in the Dominion. On its west side is Victoria Park - a favorite summer resort - while on the east are the magnificent new Exhibition Buildings and Driving Park. Chief among its public squares is Queen Square in the centre of the city, beautifully laid out with blooming plants of every description, fountains, and well arranged walks, and enlivened with a band of music during the summer evenings. The rural scenery in the vicinity of Charlottetown is charming, and horses for driving are abundant at very low prices. Boats can also be hired, and steamers run regularly on the bays and rivers, affording most pleasant excursions. The principal hotels are Davies, \$2.00 up per day, \$10.50 up per week; Queen, \$1.50 per day, \$6.00 up per week; Revere, \$1.00 to \$1.50 per day, \$4.00-\$5.00 per week.

Summerside is the next largest town in the Province, with about 4000 inhabitants. It is situated on beautiful Bedeque Bay and in the centre of a fine large farming region. It has the largest and finest departmental store in the Maritime Provinces, besides having other large retail stores. It has an Electric Light Plant, and a water works system and sewerage are being agitated for. Tourists are delighted with the beautiful scenery and the many pleasant drives in the immediate vicinity of Summerside. The hotels are - Clifton, \$2.00 per day, by agreement per week; Russ, \$1.50 per day, \$7.00 per week; Campbell, \$1.25 up per day, \$6.00 per week.

Georgetown and Souris are two important towns in the eastern part of the Island, with a population of about 1,000 each. In the former the Aitken, 1.50 per day, by agreement per week; Tapper, \$1.50 per day, \$5.00-\$6.00 per week, furnish good hotel accommodation, while in Souris the Sea View, \$1.50 per day, \$8.00 per week, affords exceedingly home-like quarters.

At Cape Traverse, a very pleasant summer resort, is the Lansdowne, a large, airy hotel at \$1.00 up per day \$4.00 to \$8.00 per week. In Alberton there is the Albion Terrace and Wiener, each \$1.50 per day, 5.00 per week. In Tignish Railway, 1.00 per day, 5.00 per week. In Kensington, Clark's 1.25 per day, 6.00 per week; Commercial 1.00 per day, 5.00 per week. In Montague, McDonald 1.00-1.50 per day, 6.00 per week. In Mount Stewart, Clark's and Manson, each 1.00 per day or 4.00 per week.

The following hotels open for the summer season: At Hampton, Pleasant View, \$1.00 pr. day, \$5.00 pr. week. At Stanhope, Mutch's \$1.30 pr. day, \$5-7 pr. week; Cliff \$1.00 pr. day, 5-6 pr. week. At Brackley Beach, Shaw's, \$1.30 pr. day, 6-8 pr. week; Sea View, \$1.00 pr. day, 5-6 pr. week. At Rustico, Seaside, \$1.75 pr. day, 7-10 pr. week. At Malpeque, North Shore, \$1.00 pr. day, \$6. up pr. week. At Tracadie Beach, Acadia \$2.00 pr. day, \$8.00-10.00 pr. week. At Alberton, Seaforth, \$1.50 pr. day, \$7.00 pr. week. At Pownal, Florida, \$1.52 pr. day, 5-7 pr. week. In addition to those already mentioned there are several other important and progressive towns and vil-

lages in the Province, all with ample Hotel accommodation, while the numerous comfortable farm houses prepare for the reception of tourists at moderate rates.

The rivers and streams teem with trout, the bays with mackerel, while game of almost every description abounds.

They lose interest in the active affairs of life, and may either become chronic complainers, burdening their friends, or they may, by using Dr. Ward's Blood and Nerve Pills be made bright, cheery, happy and healthy, as witness the following interesting example. The words of those who have lived many years carry wisdom with them. Why not profit by them?

WISE WORDS.

Nothing does a right-thinking man more good than helping his neighbors, especially the sick and weary. In recommending Dr. Ward's Blood and Nerve Pills, and helping to bring them before the public, I feel that I am truly helping my neighbors. My blood was thin and impoverished, and my wife was miserable with general debility, brought on by dyspepsia. We used many kinds of medicine, but nothing did so much good as the Dr. Ward's Blood and Nerve Pills.

Yours very truly, Signed, MR. & MRS. CLARK, Victoria St., Gloucester, Ont.
