

CHEESE BOARD

Held an Important Session Yesterday RESOLUTION PASSED Prohibiting the Supplying of Impure Milk to the Factories.

The regular meeting of the Cheese Board was held at 1.30 yesterday afternoon in the Legislative Chambers. The President intimated that before proceeding to the sale of cheese a few minutes would be devoted to the question of the supplying of milk with a foreign flavor to factories.

Mr. Arthur Simpson said that the cheese of this Province has secured a good name and that good name should be maintained. The Inspector had been informed that milk was being supplied to some of the factories which had a bad flavor.
