DOWN - THE - BACK STRETCH

George Reed, Fort Fairfield, Maine, who will be remembered as having raced Bonnie M. 2.02 1-4, and Mary Volo 2.03 1-4 in Monte Gerow's stable at the Provincial Exhibition some ten or more years ago, came back with a strong stable the past season. The two stars were Top Hat (4) 2.07 1-2 and Swing Time (3) 2.09, a pair of full brothers that went into winter quarters with an unusual record, that of not having met defeat in the 19 races in which they took part the past campaign. Top Hat came through with ten straight victories. They were trained and raced by Jimmy Jordan, now leading trainer of the Pine Tree State.

A new world's record for yearling pacers was set up at Indianapolis, Indiana, October 20th. It displaces the former record of 2.15 made by Frank Perry in 1911 and also the pacing filly performance of 2.16 1-4 by Helmet Queen in 1916. It was the yearling filly Royal Lady, bred, owned and driven by the veteran horseman, O. M. Powell of Rochester, Indiana, that did the trick, stepping the mile in 2.14 3-4. Her performance is all the more remarkable because she had only been in training about a month and had only four heats better than 2.30.

O. M. Powell is over seventy years of age and for the past thirty years he has been turning up at varying periods of time to startle the world with a phenomonal pacer. First it was The Farmer 2.08 1-2 then Colonel Strong 2.02 1-4, then Lady Patch that he drove to a world's record of 2.18 1-3 for a pacing filly over a half mile track. There were others, too, but we cannot recall them. In each case Palmer Powell sold while the selling was good, for a long price and retired into obscurity only to come back again with a still better prospect.

On the same day that Royal Lady took her record of 2.14 3-4 the yearling colt Jack Abbe by Abbe Guy 2.04, took a record of 2.22 3-4. Abbe Guy is a full brother of Abbe Worthy 2.05, owned by Frank McKay, East Royalty.

We note where Billy Keyes the well known New Brunswick horseman, won the classified trot at Lewiston, October 21st, with Sunnymeade, trotting in 2.12 3-4. He was one of the two horses that caught the daily double which paid $283.60 for a two dollar bill.

The world's trotting and pacing records for a half mile track are now identical—1.59 3-4— standing to the credit of the world's champion trotter, Greyhound, 1.55 1-4 and the world's champion pacer, Billy Direct 1.55, respectively.

Grattan Royal 2.06 1-4 that Charlie Barrett picked up at the Chicago sale of 1911 as a three-year-old for less than $200, developed and showed a mile better than 2.10 the next year selling him for $3,000, then bought back years afterwards when his few Canadian colts were showing extreme speed, has founded a pacing family that bids fair to give Ontario a reputation for high class pacers that will compare favorably with any state in the Union.

At the recent Smithfield, Ohio, race meet Carefree Grattan by Orcus Grattan, owned by William Fraser, won the 2.24 pace in straight heats, Sally Ann Grattan, owned and driven by Fraser the 2.18 pace in straight heats and Ryan Grattan by Orcus Grattan, owned by Fraser, the 2.14 pace in straight heats. Fraser raced at several other Ohio fairs and gave Ryan Grattan a record of 2.03 1-2 over a half milk track. Orcus Grattan has been in the stud for quite a number of years but his get were over-shadowed by his half brother, Grattan Direct 2.13 1-4 until recently. Now the Orcus Grattans have come into their own as will be noted by summaries of Ontario and other meetings this season.

Miss Rita Wengler of Chicago is the owner of the filly Ann Vonian (2) 2.02 1-2, world's champion two-year-old pacing filly. She was bred by the late J. E. Crosby of Tulsa, Oklahoma, a Canadian who made a fortune in the oil business then went into breeding and racing horses, buying Grattan-at-Law, a son of Grattan Royal 2.06 1-4, to head his farm. Grattan-at-Law sired Ann Vonian and others that took records of better than two minutes. Miss Wengler is a dyed-in-the-wool harness horse fan and has an excellent collection of pictures of famous horses such as Dan Patch 1.55 1-4, Star Pointer 1.59 1-4, Single G. 1.59 1-2 and other stars.

Charlie Crummer, who raced Guy the Tramp 2.02 3-4 at the Provincial Exhibition in 1934, is doing well in California, his name frequently appearing behind winning mounts. At the Fresno meeting, September 20th, he drove Kinabbe to a win and also repeated the next day.

The harness horse papers are full of ads offering horses for sale. No doubt it is a favorable year to purchase as worth-while racing material seems to be thrown on the market in quantity. They are not old worn out nags either, but mostly young and capable performers and have shown their class in tough races. With the Maine potato crop a good one and fair prices no doubt quite a number of fast ones will gravitate to that state.

At the Three Rivers, Que., race meeting Red Fern by Dillon Volo, the good trotter which Raoul Potvin brought out this season, won the 2.20 trot in straight heats, time 2.10 1-4, 2.12, 2.10 1-2. This horse was offered for sale in Montreal a year ago for a very reasonable price, was picked up by Potvin's patron and has won all along the line, taking a record of 2.07 1-2.

The ex-American trotter McLin Hanover by Mr. McElwyn, won the 40,000 marks Matadoran race at Berlin, Germany, August 27th, from a very high class field. It is one of the most valuable events raced in Germany and the American trotter showed complete superiority. A few days later McLee, also by Mr. McEwlyn, won a valuable trotting race at Rome, Italy, defeating among other stars Gaiety Mite 2.02 1-4 and Gunar 2.02 1-2. McLee is owned by the Belgian sportsman, Mr. R. Steyart. McLin Hanover followed up his German victory by winning a big purse at Rome on September 10th and beating out five ex-American trotters.

At the Pomona, California, race meet October 8th, Walter F., owned by Walter Found, formerly of New London, divided first money in the Free For All Pace with Bronco. The Horseman and Fair World says: "Walter F. is one of the fastest side-wheelers racing in California this year." The same day Miss Helen Davis, who drives her own horses, lost the first heat in the Free for All Trot, purse $1,000, with Palomin. She then took him to the blacksmith shop and had his shoes pulled off. The next heat he went out and won. Helen evidently knows her biz.

A reader has forwarded us a summary of the first three days' racing at the Provincal Exhibition, September 24th, 25th and 26th, 1916, the last year of the Great War. There were large fields and great racing. Noticeable among the winners was Brage by Baring, that won the last three heats and race in the 2.19 trot after a desperate contest with Brenton H., driven by the late H. C. Hooper. In the same race Devilish Dorothy was driven by George Hooper. Other good trotters that our public will recall that were in the same race include Colorado L. 2.13 1-4, Dunholm 2.14 1-4, The British Soldier 2.15 1-2 Crown Jay 2.14 1-4 and James W. McKinney 2.16 1-2.

Then there was that great race horse Bob Mac, by Commodore Ledyard, that was bred by the MacPherson boys, West Royalty. Bob Mac on finishing his career was the fastest pacer bred in the Maritimes. Then there was Peter Farren 2.07 1-4, a horse with unlimited speed but unsound, that came from the U.S.A. labelled a failure, was cured by liberal applications of iodine and went on to win many contests. On the third day of the meeting it will be noted that Brenton H. was the winner of the Free For All, although Colorado L. and Devilish Dorothy each accounted for a heat.

Bimelech Will Go After Sixth Victory

BALTIMORE, Nov. 3 —(AP) — Bimelech, Col. E. R. Bradley's undefeated two-year-old colt will go after his sixth victory in a row tomorrow in the 17th running of the $15,600-added Pimblico futurity over a mile and one-sixteenth.

Eight other juveniles were named to oppose the son of Black Toney-La Troienne in the race which may decide the winter book favorite for the 1940 Kentuck Derby. Challedon, the three-year-old champion and winner of the Pimlico special Wednesday, won the 1938 futurity.

Bimelich, off his record of five victories in five starts, including the Belmont futurity, probably will be the favorite to take the winner's share in Pimlico's richest fall stake. The purse will gross around $40,000.

Plenty of opposition appears in store, particularly from Mrs. Parker Corning's Straight Lead and Yancey Christmas's Rough Pass, the "Cinderella" horse that went for the bargain price of $275. at a yearling sale last fall.

Minard's kills pain.

Mounties And Saints Clash On S. D. U. Gridiron This Afternoon At 3:15

Still seeking a victory in the series a determined band of St. Dunstan University ruggers today take on a highly improved Mt. Allison team on the Saints gridiron in what may well be the final senior game of the season and is the final intercollegiate tussle the Saints will have this season.

Although defeated in their three starts Saints have been in the games every minute and on two occasions were just barely edgedout. With a little luck they might have two victories to their credit now instead of the games in question chalked up as defeats. But that is sport and notwithstanding the local team will take the field today determined to snap their losing streak.

Saints are probably in the best shape of the season. They came through that gruelling U. N. B. game without any serious injury and although out of the running—U. N. B. have already clinched the section championship —have been practising faithfully getting into the best possible condition for the game today. Coach Rev. Walter McGuigan stated yesterday he would send the same lineup against the Mounties as played in last Saturday's encounter.

Mounties come here today much improved since the start of the season. They beat Saints 5-3 on their home field but were licked 12-0 by U. N. B. However their improvement made itself known when on last Monday they blanked the Fredericton team 5-0 on the Mt. Allison field Mounties have always been popular performers hereabouts. They usually play a hard driving game with a never a letup and although there will be nothing at stake this afternoon nevertheless Mounties are also anxious to chalk up a victory over the local University squad.

The encounter promises to be another thriller. Given a dry field both squads are capable of turning on the heat with all sorts of plays. Long boots, long dribbles and spectacular runs can all become part and parcel of today's setto and rugby fans would be well-advised not to miss the encounter. Both squads are going out there seeking a victory for the University they represent and will give all the ability and energy they possess to bring this about.

Despite the rain last Saturday a large crowd of fans were on hand to watch the squads hammer away at each other through rain and mud. Given fine clear weather this afternoon it would not be surprising if the largest crowd to attend a football game in years would be on hand for the encounter.

The game will get underway at 3:15 sharp with Jim McCallum handling the whistle.

Ackman Released On $6,000 Bail

FREDERICTON, Nov. 3—(CP)—R. Kenneth Ackman, charged with manslaughter after the death of Myron Hazelwood, bicyclist struck by an alleged hit and run driver, was allowed his freedom on $6,000 bail after his preliminary hearing concluded today.

Because "the evidence does not raise a strong presumption of guilt," magistrate A. McF. Limerick did not commit Ackman to trial but granted him bail to appear and plead if the jury indicts" him. The next sitting of the grand jury here will be in January.

Following his arrest Ackman, then a constable in the Royal Canadian Mounted Police, was discharged from the force.

Two Canadiens Ill As Team Marshals For First Game Of Hockey Season

MONTREAL, Nov. 3—(CP)—Illness of two players marred an otherwise complete file as Montreal Canadiens, with all holdouts drawn into the fold, marshalled full forces today for their National Hockey League opening here Sunday night.

Announcement by manager Jules Dugal that Marty Barry has signed a contract left only Johnny Gagnon and Armand Mondou as doubtful starters in their inaugural against Chicago Black Hawks. Toe Blake, their all-star winger, came to terms last night.

Both Gagnon and Mondou are on the sck list. Gagnon, bothered recently by a sore throat, has played but briefly in Canadien's practices while Mondou, suffering from a heavy stomach cold, has been confined to bed for the past few days.

Signing of centreman Barry wiped the last name off a list of holdouts, that for a while, had included goalies Wilf Cude and Claude Bourque, Paul Haynes, Walter Buswell, Herbie Cain as well as Blake and Barry.

Canadiens Win Over Amateur Flyers, 10-3

CORNWALL, Ont., Nov. 3—Montreal Canadiens of the National Hockey League scored five third-period goals to defeat Cornwall's amateur Flyers 10-3 tonight in an exhibition.

A capacity attendance of 2,800 persons saw the Quebec Senior Hockey League club hold the professionals to a 3-3 tie in the first period-and-a-half. Then the Canadiens' hard-hitting defencemen began to take a toll on Cornwall forwards and it was close to a route at the finish.

Amherst Player Under Suspension

TORONTO, Nov. 3 —(CP) — Creighton Lowther of Amherst, N. S., who played hockey last year with Baltimore Orioles of the eastern United States Amateur League will remain under suspension until his case is decided by the Canadian Amateur Hockey Association and E. U. S. A. L. officials, it was decided tonight at a meeting of the sub-committee of the Ontario Hockey Association.

London Mohawks of the Michigan-Ontario League, as well as Baltimore, are claiming the services of the Nova Scotian this season.

It was decided to hold the case over, with Lowther being suspended, until officials ironed out the matter.

Next time you burn an enamel saucepan, mix a little vinegar and bath brick together and rub the saucepan with it firmly but gently so as not to scratch the surface. And here is a tip very few people know. When you sweep a thick carpet, brush it the way of the pile If you sweep against the pile you will simply force the dirt right down.
