**GREAT ENTRY LIST FOR DOMINION EXHIBITION**

Applications for Space in Manufacturers' Building and Machinery Hall Far Exceed that Available—Date of Closing of Other Entries.

With the applications exceeding by a large amount the space available for exhibits in the Manufacturers' Building and Machinery Hall the success of those departments of the Dominion Exhibition at Halifax is assured. It will now be a matter for the management to do the best it can in arranging exhibits and cutting down space asked for, to make the best possible showing for exhibitors and for the great Exhibition as a whole.

The date of the closing of entries in Live Stock, Poultry and Dairy Departments is Wednesday, August 15th. It behooves our Live Stock men to leave no steps untaken to ensure a creditable display in this department, one that will reflect credit on this part of the Dominion in view of the competition that will ensue with the progressive cattlemen of the rest of Canada. A similar remark applies to the Agricultural Department, the entries for which close on Monday, August 27th.

On August 27th also, the entries in Fine Arts and Ladies' Work close. These will be arranged on a new scale of excellence and the latter, which is in charge of the

**Bleeding Piles.**

In November, 1901, Mr. Sherwood Walker, a fireman on the Canada Atlantic Railway, living at Madawaska, Ont., wrote for a box of Dr. Chase's Ointment as a treatment for bleeding piles. He was suffering much and would become very weak from loss of blood.

In March, 1902, we received the following letter from Mr. Walker: "According to my promise, I now take pleasure in writing to you. If you remember, you sent me a box of Dr. Chase's Ointment for bleeding piles some months ago. I used it faithfully and can say it proved a Godsend, for it entirely cured me of bleeding piles."

"I would have written sooner, but I wanted to be able to tell you that it was a permanent cure. There are several people here who have been cured of severe cases of protruding piles by using this great ointment."
