

CUT THIS OUT AND PASTE IT UP

It is surprising the large number of people in this city who, when they want to inquire about their Morning Daily Guardian or subscription, ask Central for the News Phone No. 133, or for the Advertising Phone No. 132-3, instead of 132-2, or when they want to inquire about advertising ask Central for the Subscription Phone No. 132-2, or for the News Phone No. 133, instead of 132-3; or when they want the News or Editorial department ask Central for the Subscription Phone No. 132-2, or the Advertising Phone No. 132-3, instead of 133, although all those departments and their respective phone numbers are plainly given in the telephone book. Some people, instead of looking at the book, even phone one of the above departments to find out what number to ask for to get another department. All this is a great waste of time on the part of the person phoning, the operator at the Central, and the clerk in the department wrongly phoned. The news staff, on an upper floor, cannot give the necessary information about either advertising or subscriptions, nor the advertising staff about subscriptions or news; nor the subscription staff about advertising or news. In other words the clerks know and can do but their work in their own departments, and if it were otherwise they would be continually running up and down, mixing work, wearing themselves out and causing the greatest possible confusion. On and after 7 p.m. daily it is useless to ask for any phone number except 133. Patrons who consult their phone books for the numbers they really want will greatly lessen the work of the patient telephone and Guardian clerks and thus help make their lives much brighter and happier.

We Guarantee to Relieve Dyspepsia. If We Fail the Medicine Costs Nothing.

To unquestionably prove to the people that indigestion and dyspepsia can be permanently relieved and that Rexall Dyspepsia Tablets will bring about this result, we will furnish the medicine absolutely free if it fails to give satisfaction to any one using it. The remarkable success of Rexall Dyspepsia Tablets is due to the high degree of scientific skill used in devising their formula as well as to the care exercised in their manufacture, whereby the well-known properties of Bismuth-Subnitrate and Pepsin have been combined with Carminatives and other agents.

Bismuth-Subnitrate and Pepsin are constantly employed and recognized by the entire medical profession as invaluable in the treatment of indigestion and dyspepsia.

The Pepsin used in Rexall Dyspepsia Tablets is carefully prepared so as to develop its greatest efficiency. Pepsin supplies to the digestive apparatus one of the most important elements of the digestive fluid. Without it the digestion and assimilation of food are impossible.

The Carminatives possess properties which aid in relieving the disturbances and pain caused by undigested food. This combination of these ingredients makes a remedy invaluable for the complete relief of indigestion and dyspepsia.

We are so certain of this that we urge you to try Rexall Dyspepsia Tablets on our own personal guarantee. Three sizes, 25 cents, 50 cents, and \$1.00. Remember, you can obtain Rexall Remedies only at our store—The Rexall Store, The McKinnon Drug Co.

CHARLOTTETOWN AND QUEEN'S COUNTY

It pays to buy in this Province.

Rev. W. W. Brewer of St. John, formerly of this Province, has returned from a visit to Boston.

English and American Novelties for Christmas presents may be had at St. Peter's fancy sale on Uov. 28th.

Lieutenant Gov. and Mrs. Rogers, City, returned Saturday night from Ottawa, where they attended the opening of Parliament.

On a charge of drunkenness four men, two arrested Saturday night, and two yesterday, will appear before the police court in this city this morning.

The high teas at St. Joseph's Convent have always been an unqualified success and the one this week will not fall below the mark. All are invited to attend.

William Kelly, Sydney, who was called home owing to the illness and subsequent death of his father, the late John J. Kelly, was among the passengers arriving in the city on the Northumberland Saturday evening.

Gilbert Vatcher, formerly of this city but now of Vancouver to which place he removed about a year ago, died there. Mr. Vatcher is suffering from a number of bruises as a result of a kick from a horse. He was found lying unconscious outside a stable door and had a severe cut on the back of his head beside other bruises on his back.

The following registered at the Victoria Hotel in this city Saturday:—T. T. Mortimore, Toronto; A. B. Burns, St. John; F. D. Lonergan, J. W. Fenton, Montreal; H. S. Threlkeld, Toronto; F. A. London, R.G.A. Beck, Montreal; H. C. Boulter, Toronto; George Bushman, A. Thompson, Montreal; W. H. Horne, St. John; C. Sutherland, North Sydney; J.S. Hinton, Summerside.

The dance given by the Bachelor Girls in Smallwood's Hall on Friday evening last was largely attended and a great success in every way. The hall was prettily decorated for the occasion and the young ladies looked charming in their pretty evening dresses which were handsomely set off by the hall decorations. The event was considered the best of the season. Mrs. Trainor presided at the piano in her usual brilliant manner.

A number of boys had quite a lively time on the Government pond Saturday playing hockey and sliding on the ice, which was not at all firm. After the hockeyists had chased the puck across the ice a few times and the sliders had rocked it a few more times it showed signs of yawning but the youthful frolicers gave no heed. Then suddenly the ice gaped very widely and four or five of the players were precipitated into the water. Needless to say they were quickly landed, safe, but very wet. They did not enjoy their cold water bath.

Rev. W. Harrison, City, occupied the pulpit in the First Methodist Church yesterday morning. In the evening Rev. Mr. Heaney, the pastor officiated and delivered a very strong sermon from Matthew, 27:46, "My God, My God, Why Hast Thou Forsaken Me?" The choir at both services was the same as that of last Sunday when the anniversary of the Dedication of the church was observed, and a portion of last Sunday's music was repeated. During the service Rev. Mr. Heaney announced that in a short time the question of Church Union, would be taken up by the congregation and ballots would be distributed for a vote on this question.

The death of John J. Kelly, City, which occurred at his home on King Street, will be learned with deep regret by the many friends of the deceased and his family. The late Mr. Kelly was sixty-eight years of age and some years ago conducted a grocery store on Pownall Street. He was widely known and highly regarded by all with whom he was acquainted. He was lonely ill since Tuesday, up to that day he was in the enjoyment of good health. On that day he was seized with a stroke of paralysis while uptown and his death yesterday was the result. Besides his widow he leaves to mourn three sons and two daughters, who are: William, of the Telephone department in the Dominion Steel Co., Sydney, who was at his father's bedside when the end came; Lawrence of the P. E. Island Telephone Co. City; Cyrene, of the Royal Bank of Canada, City; Mrs. A. D. McIntosh, Calgary, and Miss Minnie, in Boston. The funeral takes place tomorrow morning from his late residence to St. Dunstan's Cathedral, thence to the R. C. Cemetery for interment. The Guardian tenders sympathy to the bereaved in their sorrow.

Why Royal Purple Stock Specific is the best

Because (1) it is composed of herbs, compounded upon a scientific basis and put up in as small a package as possible.

(2) It is not made up principally of cheap wheat substances finely ground with very little virtue, as is the case with a large number of stock foods.

(3) A 50 cent package contains 70 days treatment for a horse or cow.

Which?

Do you know the history of the rolled oats in the scoop?

From the mill those oats went into bags. The bags went into cars more or less clean. The cars emptied the bags into a wagon. The wagon drove the bags through dusty streets to the grocer. He put the bags into his storeroom, or maybe up against his counter where the cat may have slept upon them, the mice nibbled at them, the dust of the store settled on them and the shoes of customers rubbed against them.

Now compare this with the history of the rolled oats in the Tillson package. From the time Tillson's Oats are harvested in the field to the time you receive the package in your home, those oats are never touched by the hand of man; nor are they exposed to any unsanitary, unappetizing environment. You receive them absolutely clean.

Which kind of oats will you eat?
