IN MEMORIAM TO MARGARET E. SANGSTER. That flowers be omitted in the request. The notice read, and the bar was well. For heaped-up tributes of palm and wreath Not even a hint of the tale could tell Of the hearts quick-throbbing with love and loss At thought of the friend who was called away. And the countless may afar and near, Who a token of honor to her would pay. But may, in the chaplet of these few lines, A debtor place in the Hall of Fame, Upholding from earth to the glad blue skies, A simplest memento beneath her name? To own to a beauty of aim and deed That quickened the lagging and shaped the truth, To a wisdom winning, a vision high, And a faith that never a falter knew? The silence has fallen, and for a chord Of the old-time music a wait is vain; A further word for the kindly pen Will never give greeting from page again. Yet out of the hush of the saint's blest rest Comes to spirit-ear the familiar voice— "Worth while are the life's labors. For message brief There is in leave-taking but one rejoice!" MARGARET H. A HARMLESS WAY TO DARKEN THE HAIR A Little Sage and Sulphur Makes Gray Hair Vanish—A Remedy for all Hair Trouble. Who does not know the value of Sage and Sulphur for keeping the hair dark, soft and glossy and in good condition? As a matter of fact, Sulphur is a natural element of hair, and a deficiency of it in the hair is held by many scalp specialists to be connected with loss of color and vitality of the hair. Unquestionably, there is no better remedy for hair and scalp troubles, especially premature grayness, than Sage and Sulphur, if properly prepared. The Wyeth Chemical Company of New York put out an ideal preparation of this kind, called Wyeth's Sage and Sulphur Hair Remedy, in which Sage and Sulphur are combined with other valuable remedies for keeping the hair and scalp in clean, healthy condition. If your hair is losing its color or constantly coming out, or if you are troubled with dandruff or dry, itchy scalp, get a fifty cent bottle of Wyeth's Sage and Sulphur from your druggist, use it according to simple directions, and see what a difference a few days' treatment will make in the appearance of your hair. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented. Special Agent, El A. Foster, Sunnyside. JUNE THE COSTLIEST MONTH. It Costs More to Live in this Month of June Than in Any Month for Many Years. According to trade authorities in Canada and the United States it costs more to live in this month of June, 1912, than in any month for many years. Some people claim, in fact, that the cost of living is higher than at any time in the history of the Dominion. The prices of food products are the highest on record. The average increase in the price of food products to the consumer is nearly twenty per cent, which means that the housewife must pay six dollars to fill a market basket that only cost her five dollars in full in June, 1911. In other words, one dollar will do only five-sixths as much as it did a year ago. The biggest advances have been in meat products. When the price of meats was advanced at Chicago the packers promptly announced that there was a shortage in livestock. The Department of Commerce and Labor at Washington declares, however, that the receipts of livestock at seven of the principal Western markets for April were greater than those of any April since 1907. The same is true of receipts of livestock at four principal Atlantic ports. These figures would indicate that there is no excuse for the advance in prices. Various legislative bodies and several commissions have started investigations to ascertain the cost of the high prices of food products, but while these societies are investigating the consumers must go right on paying top-notch prices for food. The question of immediate interest is how to meet these conditions in the average home. The problem is to be efficient in detecting the people must be shown that the more expensive foods, such as meats, are not needed in Summer—in fact they are not needed at any time. There is more real body-building nutriment in cereals and fruits than in meats, and they are much more healthful and wholesome. Two shredded wheat biscuits eaten with milk or cream and some fresh fruit will supply all the nutriment needed for a half day's work or play at a total cost of five or six cents. These biscuits contain all the tissue-building material in the whole wheat grain made digestible by steam-cooking, shredding and baking. Being in biscuit form and ready-cooked it is so easy to prepare a delicious nourishing meal with them in combination with berries or other fruits or creamed vegetables.

ANNUAL SCHOOL MEETINGS. The annual meeting of the York school was held Tuesday 18th. Abner Vessey was elected trustee. The total amount voted for the year's expenses was \$160. This included a teacher's supplement of \$65, an increase of \$15 over last year's. The annual meeting of the Hamilton School was held on Tuesday last and was fairly well attended. An interesting feature was the presence of two of the oldest men of the settlement to show their interest in the education of the coming generation. Following are the trustees for the

STOCK NOTES. P. T. Power, Bear River, has mated his mare, Foxy Floss, with George Crescius. "Wirtown Hero," owned by Reuben Hayden, of St. Peter's Bay, was in Lorne Valley on Friday, the 15th instant—G.L. Thelma, the dam of a colt, that has trotted an eighth in 16 seconds as year old, and also the dam of Calipash (trial) 2.10 and Thelma Directum (trial) 2.15 as a three year old, is the dam of Prince Crescius and is one of the oily kind to go fast. There is no reason why Prince Crescius should not make a great horse. His colts are large and handsome. His owner, James Reilly, Gaspereaux, is to be congratulated in his enterprise for importing such a blue blood stock raiser to this Province, and the breeding public should take advantage of the opportunity to improve their stock. NOT ONE WOMAN IN TWENTY HAS A STRONG BACK. THE KIDNEYS ARE TO BLAME NINE TIMES OUT OF TEN. Women are coming to understand that weak, lame and aching backs from which they suffer are due to wrong action of the kidneys. The poisons that ought to be carried off are sent back into the blood, taking with them a multitude of aches and pains. There is no use of expending relief until the kidneys are restored to health. Doan's Kidney Pills are the quickest and most reliable remedy. Mrs. Ed. Baxter, Upham, N.B., writes: "I take a good deal of pleasure in telling you what Doan's Kidney Pills have done for me. I was troubled with my kidneys for a number of years, and my back was so lame I could not sweep the floor. A friend of mine advised me to try a box of Doan's Kidney Pills, which I did, and after using three boxes I am as well as ever. I highly recommend them to anyone suffering from lame back or kidney trouble." Doan's Kidney Pills are 50 cents per box, or three boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. When ordering direct specify "Doan's".

WAS ALL RUN DOWN. Doctors and Medicine Failed To Cure Him. Many people become run down, but don't know just exactly what their trouble is. As a rule it is improper circulation of the blood, owing to not just taking proper care of themselves. All they want is a good tonic to build up the system and put their blood in proper shape, and for this purpose there is nothing to equal Burdock Blood Bitters. It regulates the stomach, liver and bowels, purifies the blood and tones up the entire system. Mr. Murdoch A. Morrison, Tarbot, N.S., writes: "I am now writing to tell you what Burdock Blood Bitters has done for me. Last Summer I was all run down, and doctors and medicine failed to cure me. At last I decided to try a bottle of Burdock Blood Bitters, and after taking one bottle I began feeling better, and after I had taken the remedy for two months I was completely cured. I can safely recommend your remedy to anyone." Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
