Grain

WINNIPEG, Jan. 31 - (CP) - Winnipeg grain prices generally displayed an easier tone today on the dull market, prompted by weaknesses at Chicago.

Under general selling, prices of both oats and barley fell off in the nearby months. Shippers and processors were on the buying side, but prices closed 5-8 to 1-4 cent lower, while barley was one cent lower to 3-8 cent higher.

Hedging and commission house sales contributed to declines in five cities. Buying was limited to a few American orders. At the close, prices were 1-5-8 cents lower to 1-3 cent higher. Flax trade was inactive with prices unchanged from Saturday.

The United Kingdom was allocated 1,200,000 bushels of wheat under the Canadian wheat agreement, and India took 335,000 bushels under a recent commitment, for one of the largest shipments of Canadian grain this year. Class two wheat prices were unchanged from Saturday.

Cash prices: Oats: No 2 CW 76 1-2; ex 3 CW 73; 3 CW 73; ex 1 feed 72 1-2; 1 feed 71 1-2; 2 feed 69 1-2; 3 feed 65 1-2; track 71 1-2. Prices Slip In Quiet Stock Market Trading

TORONTO, Jan. 31 - (CP) - Golds featured an otherwise dull market on the Toronto Stock Exchange today, rising to the best levels in two weeks. Senior issues led the uptick on strong gains and junior producers followed in moderate activity.

Anglo-Canadian pulled western oils down for a loss of a point on the exchange's index. Base metals moved quietly on a slightly weaker tone.

Golds crawled slowly in early dealings but gained momentum as the session progressed. Dome and Kerr Addison rose 1-4 in seniors and Hollinger and Lake Shore were ahead 1-8. Bralorne added 5 cents at \$9.40.

Junior ranged up to 15 cents in junior producers. Piccadilly was active following news from the well and MacLeod-Cockshutt brightened on release of a production report.

Brush, San Juan, Puerto Rico and Leduc and Commonwealth Petroleum also were losers.

Fourteen more than doubled gains in base metals. Smelters dipped 1-4 and Waite Amulet, International Nickel, Noranda were fractionally easier. Quebeck, Falconbridge and Highland Bell tightened.

At New York NEW YORK, Jan. 31 - (AP) - In one of the quietest stock markets in nearly four months, prices slipped lower today despite the efforts of some leading issues to push ahead.

It was a day of small changes with eight being added and subtracted here and there in a mixed pattern. A little strength at the opening lasted for a matter of minutes before the downward drift took over.

In the final hour there was an attempt to get ahead, bringing some stocks up from their day's low point.

Steeles kept their head above water some of the time but ended down by fractions to around a point. Mohrers did better and closed unchanged to higher among the leaders. Rails and utilities were mixed in a narrow range with rails off slightly on the average. Building shares, aircraft, oil, and retail and mail order stores were down.

At Montreal MONTREAL, Jan. 31 - (CP) - Losses outnumbered gains three-to-one among selected industrials trading on the Montreal Stock Exchange and Curb Market today. Prices were steady to slightly improved in slow-moving mines.

Industrial sales were approximately 27,400 shares, or 18,100 fewer than Friday. Mining turnover stood at 126,300 shares, compared with 137,600 Friday.

Maxwell, a domestic equipment firm listed for the first time on the Montreal Curb, touched a new high of 6 1-4 points, slipped to a low of six but rallied and closed at its new level of 6 1-4. The issue was traded on a turnover of 1,900 shares.
