## Chicago Black Hawks Win Stanley Cup

### Mush March Gets Lone Counter In Second Overtime

### Penalty To Ebbie Goodfellow Proves Downfall Of Red Wings In Crucial Battle.

(C. P. By Guardian's Special Wire)  
CHICAGO, April 10—Harold "Mush" March, sturdy little wingman from Regina, presented Chicago with the Stanley Cup tonight by scoring the only goal of the fourth game in the classic hockey series to give the Black Hawks victory over Detroit Red Wings, National League champions.

Thirty minutes and five seconds of overtime had elapsed when March raced in from the right boards with a pass he had received from Doc Romnes. He scuttled around Walter Buswell, Red Wing defenceman, and slashed a shot behind goalie Wilf Cude.

Ebbie Goodfellow, hero of Detroit's triumph over Toronto Maple Leafs in the N. H. L. finals, was in the penalty box when March broke up the longest hockey battle of the year. The Red Wing centre had been banished for tripping Tommy Cook.

Goodfellow's penalty was the single break in a hard-fought struggle, which strictly along defensive lines was about to finish. Detroit could have decided the series at two points each by winning while defeat meant the Stanley Cup would be Chicago's. Until Ebbie pulled Cook's feet from under him, there had been only two penalties meted out—both in the first period.

It marked the fourth time in seven years the historic emblem of professional hockey supremacy had been taken into the United States. New York Rangers won it last year, defeating Toronto in the final. The Leafs had it the previous year.

After a somewhat bolsterous first period, during which both goals were scored many times, the fleet and heavier Hawks settled down to a defensive duel that gripped the crowd of 16,500 and held it in tense near-silence through the second and a half of cautious overtime.

Both sides were fired from well out and the brilliant Cude in Detroit's cage and Charlie Gardiner at the other end handled these with ease. Romnes checked hard, but they made the checking was legal. Forwards ventured up only when an opening presented itself. They first got back to position.

It was a stern test of defensive ability. It needed a definite "break" to bring about the finishing blow. For all the crowd knew, it might come from either side. But Goodfellow, big blonde centre from Ottawa whose first-period goal in the fifth and deciding game of the N. H. L. finals gave the Wings victory over Toronto, brought it about.

Goodfellow tumbled the diminutive Cook. The crowd stood up and roared as the Hawks raided. The drive was stopped and Herbie Lewis, Detroit winger, golfed the puck back to the Chicago end. Conacher rushed and was blocked by Buswell. Tien March scored and scored. Romnes had up the puck at mid-loe and to March on the right boards. Little winger almost lost control of the rubber as Detroit defencemen closed in on him, but he kept it loose and skated toward the four. Almost hemmed in, he shot the puck at the goalie and it went waist high past Cude.

The shot sank in the net, the crowd broke out in cheering that until President Frank Calder, National League president, presented the trophy to Major Fred McLaughlin, owner of the Hawks.

### TOUGH GRIND FOR AMATEUR HOCKEY TITLE

(C. P. By Guardian's Special Wire)  
TORONTO, April 10—(Canadian Press)—To reach the pinnacle of amateur hockeydom on this continent, a player must undergo even a tougher grind than that of a professional. If the case of the Moncton Hawks, Allan Cup holders, can be taken as a criterion.

When Moncton defeated Detroit White Stars, 4-1, in the second game of their North American title series here last night it was the 51st game the team played this season.

Fifty-six of the fixtures were regular league affairs. The National Hockey League schedule this year called for 46 games and with a 10-game limit in the Stanley Cup series the monied players will still fall short of the Moncton total.

Four of the Hawk players have taken part in all but one of the matches and taking into consideration the team has carried the same 11 players all season their performance is just that much more remarkable.

Goalie Jimmy Foster, Bill Gill, six-foot defenceman and Dud James and Bill Miller, forwards, are the quartette who boast an almost perfect record.

Forty-two of the games the Hawks took part in were played in their group which also comprised Halifax, Charlottetown and Saint John. The group schedule extended over 14 weeks which called for three games a week.

Moncton won 29, lost nine and tied four and then went on to beat Halifax three straight for the group championship. In a two-game series with Mount Allison, "B" title, Hawks tied one and won one to take the round by a comfortable margin.

Westward the Hawks came to upset McGill Redmen two successive games by 3-1 scores. Hamilton Tigers were next to succumb to the Maritimers' drive in defense of their title. The Ontario representatives dropped the first game 2-0, won the second 2-1 but lost the round 3-2.

In the finals for the Cup against Port William, Hawks yielded the first game 3-2 but came back to take the next two by 4-2 and 5-1 scores.

In the present series with the United States representatives the Canadian standard-bearers finished on the short end of a 2-1 count after ten minutes of overtime in the series opener but left no doubt as to the ultimate outcome when they downed the White Stars in easy fashion last night.

Exhibition games were played with Saskatoon Quakers, Atlantic City Seagulls, a team from Winnipeg and twice the Hawks tangled with Saint John at the conclusion of the regular schedule while waiting for the Cup playdowns to get underway.

### North American Title Will Be Decided Tonight

(C. P. By Guardian's Special Wire)  
TORONTO, April 10—The North American amateur hockey championship will be decided here tomorrow for the first time—probably before a near-empty house.

Detroit White Stars, United States champions, won the first game 2-1 in overtime and Moncton Hawks, Allan Cup winners, evened the count by taking the second game 4-1.

Two of the most popular teams in Toronto, St. Michael's College and Cities Service, could attract only 4,712 to their game tonight, and that was more people than saw the first two contests in the international series.

Even though they have been playing away below form in recent games, the Hawks will be top-heavy favorites to win decisively from the White Stars. The Canadian champions have easily outkicked the Border team. Their chief difficulty has been in beating Pete McMahon, 240-pound Detroit goaltender.

McMahon was the outstanding player in the two games and is likely to be again tonight.

Play Draw Game  
TORONTO, April 10—St. Michael's College Juniors, Canadian champions, partially answered the question as to just how good they are when they held the Cities Service senior team to a 5-5 draw tonight in the first of the best two-of-three game series for the Toronto hockey championship.

Although the date is set for May 28, the distance is 16-rounder, and the boutage officially 147, putting McLarrin's championship at stake, the site for the fight is still lost in what arguments are left.

Promoting Show  
The free milk fund for babies, promoting the show, has a choice between the Madison Square Garden bowl on Long Island and the Yankee Stadium, the latter controlled by Tim Mara. The fund has been promised 10 percent of the receipts of the Garden's big effort of the outdoor season, Prince of Wales's heavyweight title defence against Max Baer and in return would hire the Garden Bowl for a rental of 15 percent.

Chicago Seen As National League Threat

NEW YORK, April 10—The world champion New York Giants, with an unparalleled record for defiance of opposition, criticism or prediction, have now had the issue put squarely in their own hands for the 1934 National League Baseball season.

They stood out today as the choice of the Major League experts to repeat their championship triumph, with Chicago Cubs as their most serious menace in another typical National League pennant scramble.

### ENJOYABLE BANQUET FOR JR. ABBIES

Drawing the curtain on a brilliant hockey season Junior Abbeys, Maritime and Quebec champions were tendered a banquet by Manager Harry Richardson at the Old Spain last night as a winding up act to their season's activities.

Needless to say the banquet was a huge success from start to finish and Harry was the recipient of the boys' hearty thanks at the conclusion of the dinner.

After the sumptuous repast had been enjoyed to the fullest extent, short congratulatory speeches were the order of the night.

Mr. James Carrigan, former member of the Dalhousie Rangers, but now located at Summerside, warmly congratulated the boys on their success, stating they had put up a wonderful fight and might well be proud of their achievements.

The speaker also complimented Mr. Campbell and Mr. Richardson on the success of their efforts in sponsoring and developing such a strong junior team.

Lou Campbell, in a few brief remarks stated that it had been a pleasure to work with such a fine bunch of boys and believed the team could go just as far next year, although realizing that several members of this year's squad would be ineligible next season.

Brief speeches were also made by Messrs. Charles Stewart, J. B. Murley, Pat Adair, Captain Gordon Stewart, Neil Mathieson, Pat Power and Harry Currie.

Cigarettes and cigars were enjoyed by the courtesy of the Imperial Tobacco Company, through their local representative Mr. E. J. Warner.

Three hearty cheers for Harry and Lou and the singing of "For They're Jolly Good Fellows" brought a most enjoyable evening to a close.

Realizing that something should be done and done quickly, the officers of the Abegweit Club are calling a meeting for Friday night next, and it is to be hoped that all interested will attend. The meeting is to take the place of the annual meeting.

Financial conditions of the Club are bad, with little or no interest being taken in developing the present-day athletes.

### ATHLETICS WIN FROM PHILLIES

PHILADELPHIA, April 10—Behind the six-hit pitching of three rookies, Connie Mack's Athletics rallied on a booming ninth-inning homer today to down their rivals for the city championship, the National League Phillies, by 8-6.

The four-base blow, propelled by the bat of Frank Hayes, Mack's young backstop, sending Pinkey Higgins home first, broke a six-all deadlock. The victory pulled the A's into a one-game tie in the scheduled five-game city series.

With Jimmy Fox contributing a double to bring in two rallies, the A's registered five runs in the fourth.

The last time the Giants were picked to win, they "showed up" the experts by finishing third. With one exception, the New York Club has defied forecast ever since the Associated Press pennant poll was inaugurated in 1927.

### ISLAND TEAMS SUSPENDED

The following dispatch is taken from Halifax: Prince Edward Island senior football teams today stand suspended in the eyes of the Maritime Rugby Union.

Announcement to this effect was made by President Fred Kelly, Acadia University, following the annual meeting held in Halifax over the week-end. Failure on the part of the Island clubs to forward dues to the association for the past two years was given as the reason for the Union's action.

Three years ago the Island champions were permitted to compete for the Eastern Canadian title, being given a bye in the playdowns. Since that time, however, they have not participated, and at Saturday's confab in Halifax no provision was made for a P. E. I. team's participation in this year's series.

Despite the action of the M. R. U., it is possible that the proposed tour of a crack Montreal team, headed by Ritchie McCoy, former "Mighty Atom" of Nova Scotia football, will include games at Charlottetown, providing arrangements can be made. The Upper Canada team plans to visit the Maritimes around Thanksgiving.

Fred Kelly, former hockey star with the Charlottetown Abbies, and coach of Acadia University's surprising college fifteen last season, was re-elected to the Presidency. No Island representative was named on this year's executive.

No intimation was made as to whether the Island champions would be permitted to participate in the play-downs, providing the affiliations were paid up. There is a feeling in Halifax, however, that such action would be taken.

### GLORIOUS WELCOME FOR HAWKS
